Aging in Spirit Karen Kaigler-Walker,2023-03-14 Does God expect women who've lived faithfully most or all our lives to continue to grow in Christ as we age into our later decades? Absolutely! Not only does God want us to keep on maturing, but

God provides the path to spiritual growth. God hardwired us to blossom into a new realm of spirituality as we age. Aging in Spirit provides a blueprint for developing the type of greater love, compassion, understanding, and acceptance that Jesus taught as we move into our elder years so we can continue to be the hands and feet of God until the end of our lives.

The Wisdom of Julian of Norwich ,1996 Julian of Norwich, the most popular of the English mystics, described her vision of God in Revelations of Divine Love. Although afflicted by a long illness, Julian was given an intense experience of God's overflowing love - an experience she recounts in prose, and often in unusual images. She saw that in the life and death of Jesus Christ, God had entered fully into the suffering of Creation, and that by reflecting on the meaning of Christ's sacrifice people can learn - and begin to experience for themselves - the true depth and power of God's love.

Caring Quotes ,1994

Grasping at Water Carmel Bendon,2018-09-18 When a young, unidentified woman is pulled alive and well from Sydney Harbour in 2013, the connections to another woman - found in similar circumstances forty years earlier - present psychiatrist Kathryn Brookley with a terrible decision as the events of the present and past begin to mirror each other and the gap between truth and illusion shrinks. When the young woman goes further and declares that she has lived continuously since coming to 'understanding' in the 14th century, her vivid accounts of life, love, childbirth, and loss in the Middle Ages seem so authentic that they test Kathryn's scientific objectivity to the limit. As Kathryn delves she discovers that she is not the only one whose habitual assumptions about life have been torn asunder by an apparent experience of the miraculous in relation to the mystery woman. But it is the emotional, spiritual and mystical insights that emerge from the linking of all the facets of this mystery that affect Kathryn and others most profoundly, reflecting the commonality of human experience across the ages and the deep yearnings within all of us.

Who Is My Enemy? Rich Nathan,2011-05-24 Are You at War with Someone Jesus Loves?Many Christians are. We find it

much easier to judge those outside the church than to love them. Yet Jesus did not come to condemn the world, but to save it. It is time we took on his attitude of servanthood--time to share not canned presentations, but our hearts and lives. Rich Nathan helps us understand how. Tackling five knotty current issues, he takes us inside the worldviews and street-level realities of postmodernists, New Agers, homosexuals, feminists, and liberals in order to better understand them, and to see beyond categories to real faces, real needs, and real hearts that long to be welcomed. Nathan reveals both the errors that we must challenge, and unexpected truths that will challenge us. Most important, he helps us to see individuals who long to experience the redemptive touch of Jesus--through us.

Classic Quotes on Contemporary Issues Larry Sibley,2000-03

Past Lives That Matter Isisi Allthings,2023-02-27 As a dawning understanding emerged slowly into view, Rose began to see her life experiences through a more compassionate lens. It became necessary for her to fully forgive and release any trauma she still clung on to from her past, but not only from this present lifetime. Her ever more mysterious life path began to lead her along a metaphysical pilgrimage into other past lives and experiences not belonging solely to her current one, but strangely inter-linked. What she discovered about her conscious reality, began to metamorphose into a realisation that she is not a lone figure in the tapestry of experiences that she wove over the centuries. Stitch by stitch, she imagined a far greater picture with others joining her along the way, on a special past life pilgrimage. As she stood back and observed it from afar, as an artist would a painting, it seemed that all the unrelated knots and ties came together as a beautiful whole. Along The Way, she learned how her challenges had shaped her destiny over and over again, down through history. Some experiences taught her painful lessons and others brought her unimaginable gifts but everyone she includes in this jigsaw of a tale, seemed to play a unique and important part to the overview of life that was emerging. In this second book, she traces each character's life learnings and mysterious self-discoveries in order to understand how each piece of the jigsaw fits with hers and what she can share with others keen to understand the same. Although a personal journey, it took on a spiritual nature of a very different kind, leading to some exciting revelations about the magic we can each weave. The Wizard's Illusion Katherine Abetz,2022-05-16 In a world of increasingly strident identity politics, a theological approach, claiming no more than the outworking of subjectivist sentiment, offers no remedy. What if a key factor in this predicament is a misrepresentation of the operation of metaphor? This acknowledged building-block of language looks set to become a mere component of the wearer's spectacles. The consequences for theology, philosophy, literature, and even the sciences are yet to be charted. This book takes readers on a journey to the Land of Oz and asks whether our culture, while discarding past errors, can reconnect with the spiritual bonds that underpin language, truth in its various forms, and identity. Companions on the road are Dorothy and her friends, Sallie McFague and the Wizard, Paul Ricœur and C. S. Lewis, and

others.
