Plunkett's Airline, Hotel & Travel Industry Almanac Jack W. Plunkett, 2008-09 The travel industry has been through exceptional upheaval and change. Plunkett's Airline, Hotel & Travel Industry Almanac will be your complete guide to this fascinating industry. After reeling from the effects of the September 11, 2001 tragedies, the travel business is now emerging as a more streamlined, efficient and focused industry. Many of the biggest, most successful firms are becoming extremely global in nature. Meanwhile, most airlines are struggling to return to profitability, while low-cost providers Southwest Airlines and JetBlue continue to set the standard for air travel. Deregulation is opening up huge travel markets in India and China. On the hotel side, massive management firms, development companies and real estate investment trusts are gaining in scale and influence. The booking of travel online is perhaps the most successful niche of all of the world's e-commerce efforts. Consumers use the Internet to become better informed and to seek bargains. Online sites like Travelocity, Priceline and Orbitz steer millions of consumers toward specific airlines and hotels in a manner that lowers prices and improves satisfaction among consumers. The exciting new reference book (which includes a fully-featured database on CD-ROM) will give you access to the complete scope of the travel industry, including: Analysis of major trends; Market research; Statistics and historical tables; Airlines; Hotel operators; Entertainment destinations such as resorts and theme parks; Tour operators; The largest travel agencies; E-commerce firms; Cruise lines; Casino hotels; Car rental; and much, much more. You'll find a

complete overview, industry analysis and market research report in one superb, value-priced package. It contains thousands of contacts for business and industry leaders, industry associations, Internet sites and other resources. This book also includes statistical tables, a travel industry glossary, industry contacts and thorough indexes. The corporate profile section of the book includes our proprietary, in-depth profiles of over 300 leading companies in all facets of the travel industry. Purchasers of either the book or PDF version can receive a free copy of the company profiles database on CD-ROM, enabling key word search and export of key information, addresses, phone numbers and executive names with titles for every company profiled.

Precision Marketing Sandra Zoratti, Lee Gallagher,2012-05-03 Marketers around the globe are recognizing that increasing customization and precision is critical to their commercial success. Rather than devoting marketing budgets to mass campaigns, precision marketers are mining customer data for predispositions and propensities to spend, in order to target buyers in more sophisticated ways, where all communications are targeted and relevant to each individual recipient.

Precision Marketing will help you to develop the perspectives, capabilities and skills necessary to deliver these more powerful marketing results. Drawing on case studies from companies such as Fiat, Amazon, Tesco and ING, Precision Marketing shows how today's leading performers are beginning to recognize, identify and capitalize on many of the concepts of precision marketing, to set themselves apart and reach a whole new level of growth.
