**Lemonade Mouth Puckers Up** Mark Peter Hughes,2012-11-13 Following their debut at a school talent show, the members of Lemonade Mouth spend the summer working with a music promoter, recording an album, and appearing on a reality television program.

*Lemonade Mouth Puckers Up* Mark Peter Hughes,2013-11-12 Kirkus said, warmhearted and innocently wild, this stand-alone sequel will find appreciative fans among teen music obsessives and social activists. Olivia, Wen, Stella, Charlie, and Mo—the members of the legendary band Lemonade Mouth—have been labeled many things. But just how did this little group of misunderstood outcasts end up rocketing from high school nobodies to household names? In their own words, the band tells the story of the momentous summer when an overworked music promoter, an unwanted visitor from India, and an unexpected reappearance by a figure from Olivia's past shook their world and launched them on their roller-coaster ride to destiny. There are plenty of false rumors out there, but this is the real story, the continuation of the official history of Rhode Island's most influential band. Lemonade Mouth is going worldwide and taking no prisoners. The outcome will be nothing short of revolutionary.

**Black Eyed Peas for the Soul** Donna Marie Williams,1997-11-14 To tell a story well, you have to live a story well -- with courage, persistence, and faith that everything's going to turn out all right. Black-Eyed Peas for the Soul is a collection of stories that reveals universal themes, as well as the unique perspectives of African Americans. The first collection of its kind, Black-Eyed Peas for the Soul boldly dispels the myth of a homogeneous Black culture. Diverse voices -- including those of Zora Neale Hurston, Dawn Turner Trice, and Frederick Douglass -- tell our stories of beginnings, wisdom, patience, hard work, excellence, joy, and miracles. Stories about love, healing, and atonement are told with insight, humor, and gritty honesty. Arising from these distinct voices is the call for hope. Enjoy these stories and let them guide your soul to a place where you can find solace and draw nourishment, a place that can warm and soothe you, like a bowl of black-eyed peas.

Fear of Wine Leslie Brenner,1995 Certain to appeal to a whole new generation of wine drinkers, this first refreshingly informal yet authentic guide to wine, written by noted food and spirits columnist Leslie Brenner, presents a simple, friendly, and entertaining alternative to the intimidating tomes on the subject. Cartoon illustrations throughout.
