**Being rehabilitated by the Patient. "The English Patient" by Michael Ondaatje** Nate Sabourin, 2015-12-07 Essay from the year 2014 in the subject Didactics for the subject English - Discussion and Essays, grade: 97.50, , course: ENG4U, language: English, abstract: Not a single novel currently existing on the earth at the moment provides a better prototype for the perfect piece of literature for the next generation of writers to model their own works by than *The English Patient* by Michael Ondaatje. The ways that Ondaatje incorporates realistic geographical information dictates the course of the plot and this is not readily seen in other works of fiction, while in young writers is often a weak point. In some ways, the most effective way to evoke feelings in the audience of a fictional text is to place tragic events of real origin into the piece of literature, this is why his use of real history is so effective. This tactic encourages the reader to travel with these fictional characters and even emulate the emotions they experience. As well, in certain types of literature the use of literary devices is expected,

however, the percentage that can adopt and incorporate this practice effectively is limited. Lastly, another valuable aspect of Ondaatje's writing is his ability to mix fantasy and fact. While Ondaatje uses factual information from geographical and historical aspects of life, he still finds a way to seamlessly embed aspects of a fictional dramatic fairytale to engage the reader.

**Comparative Cultural Studies and Michael Ondaatje's Writing** Steven Tötösy de Zepetnek,2005 Annotation It is an event in literary criticism and culture scholarship that we have new studies on the work of such an original writer as Michael Ondaatje. In this collection, some of the most perceptive scholars working in cultural and literary studies examine Ondaatje's texts - his poetry, his novels *In the Skin of a Lion*, *The English Patient* (novel and film), and *Anil's Ghost*.

**The English Patient** Michael Ondaatje,2002 Michael Ondaatje's Booker Prize-winning novel was first published in 1992 to incredible international acclaim. Shortly afterwards it was made into a major film, one that brought Ondaatje's beautiful, harrowing love story to millions of people. Set in the chaotic months that followed the end of the Second World War, *The English Patient* focuses on a small band of stunned survivors as they try to come to terms with its devastating effects. These four characters, thrown together by chance, have stories of wonder and horror to tell each other. And as these stories are narrated and played out, Ondaatje creates with spectacular brilliance the adventure, romance and pain of life itself.

*Gabriel Yared's The English Patient* Heather Laing,2007-02-09 Anthony Minghella's 1996 film *The English Patient* won nine Academy Awards\_, including one for Best Original Score. Though Gabriel Yared had previously composed scores for several films, including *Betty Blue*, *Camille Claudel*, and *Vincent & Theo*, his work on *The English Patient* launched him into international public consciousness. His score for this film testifies to the continued appeal of a classical, noncommercial style of scoring, eschewing the use of contemporary pop music for a more 'timeless' sound. In *Gabriel Yared's The English Patient: A Film Score Guide*, author Heather Laing offers the most in-depth examination to date of the work of the composer. Laing examines Yared's approach to film scoring, his compositional techniques and the impact of his partnership with Minghella before and after *The English Patient*\_through an exploration of such films as *The Moon in the Gutter*, *Betty Blue*, *Tatie Danielle*, *IP5*, *The Lover*, *City of Angels*, and *The Talented Mr. Ripley*. The integral role of music in *The English Patient* is contextualized within a detailed analysis of the film's narrative construction, themes, and motifs. The soundtrack is examined as a whole, and the specific 'soundworlds' of each character, location, and relationship are drawn out as the basis for the overall style and construction of the score. Musical themes are viewed in both musical and narrative terms, and musical connections between the themes are identified. A close analysis of the placement and development of musical themes throughout the film reveals the complex musical journey that forms a unique and integral element of the characters.

plane crash. The American allies care for him and the dangerous secrets from his past come to light.

*Michael Ondaatje: Haptic Aesthetics and Micropolitical Writing* Milena Marinkova,2011-07-14 This study of selected literary and cinematic works by Michael Ondaatje investigates the political potential of the Canadian author's aesthetics. Contributing to current debates about affect and representation, ideology critique and the artwork, trauma and testimony, this book uses the concept of the haptic to demonstrate how Ondaatje's multisensory, fluid and historically inflected writing can forge an enabling relationship between audience, author and text. This is where Ondaatje's micropolitics, often misconstrued as ideologically suspect aestheticism, emerges: a praxis that intimates how one can write and read politically with a difference.

Between Homelands in Michael Ondaatje's Fiction Julie Mehta, Harish Mehta,2024-09-13 Between Homelands in Michael Ondaatje's Fiction is a comprehensive study of the novels of the Sri Lankan-Canadian author and poet, Michael Ondaatje. This survey of the Booker Prize-winning novelist's works locates him as a powerful voice that urges globalization and multiculturalism in a world that is closing its borders. It reconnoitres Ondaatje's search for a homeland by cracking open the core of his evocative, inventive, and innovative concepts that undergird his art of storytelling. The contributors in this volume examine themes such as literary cosmopolitanism, Sri Lankan identity, diasporic identity, race and racism, home and belonging, trauma in the Sri Lankan civil war, war games, and uncertainty theory. An important contribution to Ondaatje studies, the book is an indispensable resource for students and researchers of Sri Lankan literature, diasporic and world literatures, South Asian and Canadian studies, cultural studies, postcolonial fiction, and history.
