Dead Men Tell No Tales Joseph Gibbs, 2007 Dead men tell no tales, or so the pirate maxim goes. But when facing execution in 1831 for mutiny and murder, the previously enigmatic pirate Charles Gibbs recounted the infamous crimes of his harrowing life at sea in a self-aggrandizing series of confessions. Wildly popular reading among nineteenth-century audiences, such criminal confessions were peppered with the romanticized mythology that informs pirate lore to this day. Joseph Gibbs takes up the task of separating fact from fiction to explicate the true story of Charles Gibbs - an alias for James Jeffers (1798-1831) of Newport, Rhode Island - in an investigation that reveals a life as riveting as the legend it replaces. Jeffers was the child of a Revolutionary War privateer captain with his own history in the rough work. After a heroic career in the U.S. Navy during the War of 1812, Jeffers eschewed military life and took to the privateer trade himself. As Charles Gibbs, pirate, he sailed from the ports of Charleston and New Orleans to wreak havoc in the Caribbean and Gulf of Mexico. Stripping away 170 years of embellishment, Joseph Gibbs maps the still-shockingly violent career of Charles Gibbs across the seas and, in the process, challenges and discredits much of his self-made mythology. Gibbs recounts Jeffers' well-documented role in the infamous mutiny and murders in 1830 aboard the brig Vineyard while the vessel was carrying a load of Mexican silver. The pirate was captured the following year and brought to New York. The case against Jeffers and accomplice Thomas Wansley culminated in a sensational trial, which led to their subsequent executions by hanging on Ellis Island. In addition to recounting the exploits of a ruthless cutthroat, *The Confessions of Charles Gibbs* tells the larger story of American piracy and privateering in the early nineteenth century and illustrates the role of American and European adventurers in the Latin American wars of liberation. Carefully researched, engagingly written, and enhanced by twenty illustrations, this is pirate history at its most credible and readable.

**A Statistical History of Rugby League** - Stephen Kane,2013-05-31 The Greatest Game of All or Rugby League as it is known to some has given me nearly a half a century of pleasure and a little pain. In 1966 at the ripe old age of 6 I was introduced to our game when my Uncle Harry moved into the bedroom I shared with my younger brother in a 2 bedroom fibro joint in Rockdale(Dragon Territory). Harry was playing lower grades for Jack Gibsons Roosters and went on to play for St George in the 1971 Grand Final against my other front rower mate John Sattler and his Rabbitohs. By the age of 9 I had memorized every player in the Big League magazine. The game became my obsession. Even if I had not been lucky enough to play over 100 games in the best competition in the world(arguably in any sport) Rugby League was in my blood. As a Rothmans Medal winner (the official player of the year award in 1983 succeeded by The Dally M Medal) I have always been aware of the history of our great game and its effect on society especially in the northern states of Australia. Apart from obtaining a Law degree at Sydney University I studied the Politics in Sport while completing my Arts Degree at Macquarie University. I believed our game was ahead of sports like baseball, gridiron and basketball that relied heavily on statistics to rate their great players. Ours is a game of passion made for the blue collar working classman relying on guts and determination not on how many yards and minutes someone makes or plays. However as we get older we all like to dig deep into history and see who had the ability and drive to play even one game in the toughest competition playing the greatest game of all. This book does what none other has attempted to do tell a story using numbers and statistics about our great game. It is something every player and fan would do well to study. Stephen Kane the author of this book could be a reincarnation of Stephen Harold Gascoigne, better known as Yabba whose statue stands proudly at the Sydney Cricket Ground. Yabba was known for his knowledgeable witticisms shouted loudly from The Hill, a grassy general admissions area of the SCG. A lot like Yabba Kaney can be found every winter Sunday on the hill at Greenfield Park Albury(or away in Junee, Temora or Wagga) cheering his beloved Thunder to victory in the Group 9 Premiership loudly and clearly from 10 am to 5.30pm. In his spare time since breaking his back 7 years ago he has collected statistics on players in the NSWRL(now known as the NRL) dating back to 1908. The first words Kaney said to me was I have every Rugby League Week ever published as he showed me his EELS tattoo. You got sin binned once in your career at North Sydney Oval in 1983 or was it 1984?? I knew I was in the company of a Rugby League tragic. This study of our game will help all of us who love the game and those of us lucky enough to have played it a better insight into the players of the greatest game of all from the top to the bottom. Written by Mike Eden, who played 110 Games for Manly, Easts, Parramatta and Gold Coast, is Gold Coast Player Number 1, and Won the Dally M award for Player of the Year in 1983

*Diggers, Hatters & Whores* Stevan Eldred-Grigg,2014-02-28 The social history of New Zealand's gold rushes, as used by Eleanor Catton in her research for *The Luminaries*. A thorough and carefully researched history of the gold rushes in New Zealand. Based on sound scholarship and aimed at the general reader it's accessibly written in a clear, clean and lively style. The scope is the social history of the goldfields of colonial New Zealand, from the 1850s to the 1870s. The book opens with a survey of worldwide rushes in the late eighteenth and the first half of the nineteenth centuries, when for the first time in history a great wheeling movement of gold diggers began to revolve from continent to continent. The main body of the book looks at all the rushes, large and small, that took place in the colony: Coromandel, Golden Bay, Otago, Marlborough, the West Coast and Thames. The early chapters of the main body survey rushes chronologically; the later chapters look at rushes thematically. 'I owe a debt of gratitude to . . . Stevan Eldred-Grigg's history of the New Zealand gold rushes *Diggers, hatters & whores.*' Eleanor Catton, *The Luminaries*

*Ghana's Concert Party Theatre* Catherine M. Cole,2001-07-11 *Ghana's Concert Party Theatre* Catherine M. Cole An engaging history of Ghana's enormously popular concert party theatre. ... succeeds in conveying the exciting and fascinating character of the concert party genre, as well as showing clearly how this material can be used to rethink a number of contemporary theoretical themes and issues. -- Karin Barber Under colonial rule, the first concert party practitioners brought their comic variety shows to audiences throughout what was then the British Gold Coast colony. As social and political

circumstances shifted through the colonial period and early years of Ghanaian independence, concert party actors demonstrated a remarkable responsiveness to changing social roles and volatile political situations as they continued to stage this extremely popular form of entertainment. Drawing on her participation as an actress in concert party performances, oral histories of performers, and archival research, Catherine M. Cole traces the history and development of Ghana's concert party tradition. She shows how concert parties combined an eclectic array of cultural influences, adapting characters and songs from American movies, popular British ballads, and local story-telling traditions into a spirited blend of comedy and social commentary. Actors in blackface, inspired by Al Jolson, and female impersonators dramatized the aspirations, experiences, and frustrations of their audiences. Cole's extensive and lively look into Ghana's concert party provides a unique perspective on the complex experience of British colonial domination, the postcolonial quest for national identity, and the dynamic processes of cultural appropriation and social change. This book will be essential reading for scholars and students of African performance, theatre, and popular culture. Catherine M. Cole is Assistant Professor in the Department of Dramatic Art at the University of California, Santa Barbara. She has published numerous articles on African theatre and has collaborated with filmmaker Kwame Braun on *passing girl; riverside*, a video essay on the ethical dilemmas of visual anthropology.
