The Garden Jon Gordon, 2020-06-30 From bestselling author Jon Gordon comes a spiritual fable about the power of faith, hope, and love Meet Jay and Kay. They're twins, and like many teenagers their age, they're dealing with stress and anxiety. One day on their way to school, they have a nice conversation with their old family friend and youth soccer coach, Mr. Erwin, who shows them a special garden he created in his backyard. The garden serves as both a place and a metaphor for Mr. Erwin to share a powerful paradigm and practical strategies to help the twins overcome their fear, stress, and anxiety. The Garden is an enlightening and encouraging spiritual fable that reveals the 5 D's that can sabotage us and a proven plan to help us overcome and win the battle in our mind. Rooted in Jon Gordon's faith tradition, this fable is a different kind of book than his previous business fables. However, in his familiar trademark style, he takes a complex subject and simplifies it to

help people take action and improve their lives. Everyone will struggle with fear, anxiety, or stress at some point in their lives, and everyone will have to overcome these challenges to create the life they were meant to live. Given that there are many contributing factors that influence how we think and feel, Jon wrote this book to share how the power of love, encouragement, truth, faith, and belief can be part of the solution. Having worked with countless leaders, companies, sports teams, professional athletes, and high school students, Jon Gordon infuses this life-changing story with thought-provoking ideas, practical strategies, and a framework to overcome fear with faith. Whether you are dealing with fear, stress, and anxiety yourself, have a family member that struggles, or are a mental health expert that works with clients, if any of the ideas in this book can be useful to you or the people you love and care about, then it's worth a walk through *The Garden with Jay, Kay, and Mr. Erwin* to discover ways to persevere through life with the power of faith, hope, and love.

The BUS route to Happiness Glenn Herbert,2019-09-16 This is a book about the advice I've read, mainly on the bus, on how to become a bit happier, calmer, kinder, and wiser, and how to get a slightly different perspective on life. I'm aiming this advice mostly at my children, and I've written this book with them in mind... but it's helpful for anyone! I cover the wisdom of the Taoists, Zen Buddhists and Stoics and then some modern psychology, before I move on to some practical advice to increase your happiness based on the philosophies, books and articles that I've read. The BUS route is an abbreviation of: be here now, understanding empathy and compassion, and shrink desires. The book title is a happy coincidence, isn't it? Throughout history we've had to deal with fear, anxiety, dissatisfaction, uncertainty, stress and lack of control. Our age is no different. I offer ways to cope, which includes: being more aware of life in the present moment, being more compassionate to yourself and others, looking at things more positively or realistically, looking at the big picture, and finding ways to manage your wants. This is a light-hearted look at how to be a little happier on the metaphorical bus journey of life, no matter what bumps in the road you'll find.

Winning Plays Matt Mayberry,2016-09-06 No one goes undefeated when playing the game of life. Matt Mayberry is no exception. He's faced setbacks beyond his control and lots more he created himself. But even after conquering addiction, realizing his lifelong dream to play in the NFL, and then having it taken away from him in an instant, he came from behind yet again to achieve more success than ever before. Sometimes we are knocked down-and even out-by circumstances within or beyond our control. That's life. But these moments can be opportunities to tap into inner strength and start over. By sharing how he treated failure as a way to start over, Matt is now a nationally sought-after speaker and success coach to audiences of more than 100,000 people per year for Fortune 500 companies, NFL and NBA teams, government and nonprofit groups, professional associations, and universities. In WINNING PLAYS, he presents his strategies to survive and thrive in the real world, no matter what gets thrown your way. Just as no football team can be successful without a solid game plan, you can't be successful without one either. This book is full of Matt's inspirational, motivational, and prescriptive advice, such as: be authentic, create opportunities, power through adversity, reaffirm your goals, rebuild, and many other strategies for developing your own personal game plan to succeed in business and in life.
