**Rich Dad Poor Dad (Kannada)** Robert Kiyosaki,2020-10-26 Robert Kiyosaki's 'Rich Dad Poor Dad' is the #1 Personal Finance book of all time... translated into dozens of languages and sold around the world. 'Rich Dad Poor Dad' is Robert's story of growing up with two dads — his real father and the father of his best friend, his rich dad — and the ways in which both men shaped his thoughts about money and investing. The book explodes the myth that you need to earn a high income to be rich and explains the difference between working for money and having your money work for you. In many ways, the messages of 'Rich Dad Poor Dad', messages that were criticized and challenged two decades ago, are more meaningful, relevant and important today than they were 20 years ago. Rich Dad Poor Dad... • Explodes the myth that you need to earn a high income to become rich • Challenges the belief that your house is an asset • Shows parents why they can't rely on the school system to teach their kids about money • Defines once and for all an asset and a liability • Teaches you what to teach your kids about money for their future financial success

**Rich Dad Poor Dad for Teens** Robert T & Lechter Kiyosak (Sharon L.),

Poor Dad with Money Joe Ben, 2022-10-22 The most popular book ever written about personal finance has been published worldwide and has been translated into numerous languages. The narrative of Robert's upbringing with two fathers-his real father and the wealthy father of his closest friend-and how both men influenced his views on monetary matters is told in Rich Dad, Poor Dad. The idea that you must have a high income to be wealthy is debunked in this book, which also outlines the distinction between working for money and letting your money work for you. Twenty years, 20/20 hindsight Robert provides an update on what has happened in terms of money, investing, and the global economy over the previous 20 years in the 20th-anniversary edition of this classic. As Robert evaluates how the lessons imparted by his wealthy father have held up over time, sidebars inserted throughout the book will fast forward readers from 1997 to the present. Rich Dad Poor Dad's

messages, which were attacked and contested twenty years ago, are, in many respects, more vital, pertinent, and significant now than they were then. As usual, listeners should anticipate Robert's retrospective to be open-minded, insightful, and likely to rock a few boats. Are there going to be any surprises? Depend on it. Dad Rich, Dad Dad Poor shatters the lie that achieving wealth requires a huge income challenges the notion that your home is an asset and demonstrates why parents shouldn't rely on the education system to teach their children about money. clearly defines an asset and a liability and teaches you how to teach your children about money so that they will have financial success in the future and your money will work for you. With the hindsight of 20 years, In this classic's 20th anniversary edition, Robert provides an update on what has happened in terms of money, investing, and the world economy in the previous 20 years. In the course of the book, sidebars will fast forward readers from 1997 to the present as Robert evaluates how well his wealthy father's lessons have endured. In many ways, the lessons of Rich Dad Poor Dad-lessons that were critiqued and contested twenty years ago-are more valuable, pertinent, and significant now than they were then. In his retrospective, Robert will, as usual, be open-minded, and provocative, and continue to rock a lot of boats. There could be some surprises, right? It's a given. Fathers are rich or poor. debunks the fallacy that achieving wealth requires a high income demonstrates why parents shouldn't rely on the educational system to teach their children about money and challenges the notion that your home is an asset clarifies what an asset and a liability are once and for all teaches you how to teach your children about money so that they can have financial success in the future

*Rich Dad/poor Dad* Blake Coffin,2005 To analyze the theories put forth in the best selling books 'Rich Dad/Poor Dad' and find strengths and weaknesses within his real estate and stock market investing techniques. Examination of his start up guide for real estate owning and renting of properties will be shown and analyzed. His claims of fast easy money seem to be too good to be true and they will be discussed thoroughly. The theories in those books will be compared and contrasted to widely accepted principles already set forth in the financial world. The theories that are widely accepted in the financial world have already been tested and proven to be true. The goal is to determine whether or not Rich Dad/Poor Dad books can truly be used in the real world to make great sums of money.--Author's abstract.
