Assisting in the Study of The Holy Bible Scriptures New Testament St. Matthew - Revelation Rev. Dennis Wayne Prothro,2024-12-13 Assisting in the Study of The Holy Bible Scriptures New Testament St. Matthew - Revelation is an explanation, or breakdown, of Bible scriptures to help any reader of the Holy Bible to enjoy reading and studying the scriptures with little to no frustration. The Bible is a vivid depiction of the historical past, amazing present, and inevitable future. Rev. Dennis Wayne Prothro attempts to pull a reader from just seeing biblical characters to imagining themselves

instead. The reader will learn how to “rake” scripture(s) meaning(s) to themselves rather than to “sweep” scripture(s) meaning(s) toward another person. One primary desire is to help each reader develop a personal relationship with the Godheads and accept the Bible as their way of communication in that relationship. Truly, God(heads) is (are) love. They ask for love in return by committing to a life of righteous service for which they will help to do. God is good! About the Author Rev. Dennis Wayne Prothro enjoys being active in community activities in which he resides. Knowing his neighbors goes broader than living beside a resident. Opportunities to fish and hunt are greatly appreciated and enjoyed. Consuming his harvest is so rewarding, especially when his wife joins him in the cleaning, cooking, and eating. Other pastimes are word searches, crossword puzzles, reading, grilling, and cooking. He is a handyman (thanks to parents), and there is never a time to say, “There is nothing to do,” especially with church properties, a home, yard, and automobiles. God blessed Rev. Prothro to marry Sister Stephanie Annette Bell (Prothro), the love of his life. They are also blessed with four children, Dafnette Denise, Saltia Marie, Dennis Wayne Jr., and John Fulton. Their extended family includes two son-in-laws (Jumaine and Oniel), and four grandchildren (three granddaughters and one grandson).

100 Bible Verses That Made America Robert J. Morgan, 2020-02-04 Bestselling author Robert Morgan explores 100 Bible verses that powerfully impacted our leaders during defining moments in American history and reflects upon what these verses mean for us as a nation today. 100 Bible Verses That Made America is a tour through the biblical roots of American history—a powerful exploration of our country’s founders, leaders, and the critical moments that laid the foundation for the formation of the USA. Had there been no Bible, there would be no America as we know it. It is the Bible that made America. When George Washington was sworn into office as our first president, he did not place his hand on the Declaration of Independence or the Constitution of the United States, as important as those documents are. Instead, he swore upon and

even kissed the Bible to sanctify this important moment. The Bible, Washington knew, had ushered American history to this point. While not every Founding Father was a Christian, each was knowledgeable about the Bible. And while none of them was perfect, many embraced a deep faith in the unfailing Word of God. 100 Bible Verses That Made America contains: Short, devotional-style chapters, each featuring a Bible verse and how it influenced a historical figure Engaging stories spanning from the Mayflower to modern day Vivid segments that emphasize the Bible as the cornerstone of American history Journey with Robert J. Morgan as he shares the Bible's role in the defining moments of American history and its impact on the people of our nation, reminding us of the beauty of faith and country and reigniting our passion for both.

Every Age, Every Stage Ken Hindman, Landry Holmes, Jana Magruder, 2021-10-12 Today's parents feel ill-equipped to spiritually train and educate their preschoolers, elementary kids, and teenagers. Based on the principle that kids and teens learn and comprehend concepts differently as they grow in maturity, Every Age, Every Stage provides an age-suitable discipleship approach, equipping parents to teach their children biblical truths from the ten concept areas of God, Jesus, Holy Spirit, Bible, Salvation, Creation, Church, People, Family, and Community and World. The wise discipleship plan presented in Every Age, Every Stage is known as Levels of Biblical Learning®. This framework for babies through teens was developed over a period of several years by thought leaders in preschool, kids, student, and next-gen ministries. Levels of Biblical Learning has been taught at workshops, colleges, and seminaries, and incorporated in Bible Study curriculum. The book also will assist ministry leaders and teachers as they prepare a vision for their ministries and teach biblical concepts in the classroom, putting children and teens on the right path to a life of growth in biblical knowledge.

Good News for a Change Matt Mikalatos, 2018 Imagine an atheist sending you regular prayer requests. Or your coworker grabbing you by the arm and asking you to stay late at work to talk about God just a bit longer. When Jesus talked about the Good News, people ran to him. We should expect the same response. Good News for a Change is about working together with Jesus to share the gospel in ways unique to each person's situation. You will enjoy evangelism because it is a fun, deeply personal, community and person-oriented way to connect with people. You'll be energized and focused on helping people discover why Jesus is good news for them.

Journey of a Believer Bob Reinsch, 2023-12-05 A map almost ruined our honeymoon. It was our second day of marriage, and as we were driving up the Olympic Peninsula to Port Angeles, I found it difficult to read the map and drive at the same

time. So I handed the map to my Debbie and asked her to tell me where to turn. As a new believer, I felt like Debbie: Someone hands you a Bible and expects you to know how to read it. Jesus had transformed me into a new creation, but I was a baby who did childish things and needed a parent to nurture me along and stimulate my spiritual development. I hope that in a way, I can be that for you as you read the lessons I learned in my pursuit to be a follower of Christ, such as learning to effectively tell people how Jesus changed my life, becoming consistent in spending time alone with God, letting prayer be a vital part of my life, discovering what helps grow my faith, finding an easy way to study the Bible, and mastering sin in my life. I thank my heavenly Father and Lord Jesus for my journey because with each lesson, I have grown closer to Them. As that intimacy deepens, so does the longing to be with Them in heaven. My prayer is that this will happen to you as I share my journey with you.

Digital Church Blueprint Dr. Ope Banwo,188-01-01 The Step-By-Step Manual For Using The Internet To Reach More Souls, Disciple Christians, Increase Church Funding, And Improve Church Fellowship. "The Harvest Is Plentiful For The Church On The Internet But The Laborers Are Largely Un Educated About What To Do To Bring In The Harvest! This Book Is Your Step By Step Blueprint To Maximize The Internet For The Great Commission!" I believe this little book is going to be one of the most important books you are ever going to read as far as digital outreach for churches is concerned because I am trusting God for it to help you reach and touch more souls than you ever imagined. With the explosion of social media and the global digital community, where more and more people continue to spend more time online, and less in physical church buildings, coupled with the devastating effects of Covid19 on public gatherings, it has become imperative for the Pastors, Ministers, Church Workers, and all committed Christians, to learn how to use social media and the internet for soul winning, church growth, and church fund.

The Fear App Bill Hanson,2015-12-11 What if you could discover a way to live your life without fear? What if a new vegetable that was just discovered could keep you from getting a deadly disease? Would you eat it? What if a new exercise developed would extend your life some twenty years? Would you try it? What if the information in The Fear App book would help you to remove those needless fears that run through our minds and keep us from following Gods will in our lives? Would you read it? The apps we have on our phones were developed to make a function or activity much easier or to assist us in some specific way. The Fear App book and the available study guide are similar dynamic tools. This book will help you identify the fears you may not even be aware of. The Lord has prepared ministry service for all of us to be involved in (Ephesians 2:10). If you allow fear to control service decisions, youll miss Gods best for your life and the blessings that come with following His will. In summary, this book is written in such a way that its an easy read with a very practical approach, and it isnt too in depth or over the top; however, it gets right to the point of the fears all of us experience in our lives.
