**Patricia Montemurri**

**Sister of My Heart** Chitra Banerjee Divakaruni, 2000-01-18 From the award-winning author of *Mistress of Spices*, the bestselling novel about the extraordinary bond between two women, and the family secrets and romantic jealousies that threaten to tear them apart. Anju is the daughter of an upper-caste Calcutta family of distinction. Her cousin Sudha is the daughter of the black sheep of that same family. Sudha is startlingly beautiful; Anju is not. Despite those differences, since the day on which the two girls were born, the same day their fathers died--mysteriously and violently--Sudha and Anju have been sisters of the heart. Bonded in ways even their mothers cannot comprehend, the two girls grow into womanhood as if their fates as well as their hearts were merged. But, when Sudha learns a dark family secret, that connection is shattered. For the first time in their lives, the girls know what it is to feel suspicion and distrust. Urged into arranged marriages, Sudha and Anju's lives take opposite turns. Sudha becomes the dutiful daughter-in-law of a rigid small-town household. Anju goes to America with her new husband and learns to live her own life of secrets. When tragedy strikes each of them, however, they discover that despite distance and marriage, they have only each other to turn to. Set in the two worlds of San Francisco and India, this exceptionally moving novel tells a story at once familiar and exotic, seducing readers from the first page with the lush prose we have come to expect from Divakaruni. *Sister of My Heart* is a novel destined to become as widely beloved as it is acclaimed.

**Sisters of My Heart** Ann Blaine, 2005-10 *Sisters of My Heart* explores the deep bond of love that three sisters form after the death of their mother in a horrific car accident. Alexandra is the mother figure to her two sisters, but every girl has a dream. Alex dreams of a career far removed from the cares of raising a family until she meets Tom McNeil. Ruesha dreams of serving a mission for the church, but when the man she loves proposes can she sacrifice her dream for his? Elizabeth marries the man she has loved since childhood, but her dream turns to ashes when she discovers that he is an abusive alcoholic incapable of committing to her and their family. Three sisters form a tight circle of support and protection but will it be enough when catastrophe strikes again? Can their faith in God and in each other survive or will they be torn apart by the fears they must face together?

**Immaculate Heart of Mary Sisters of Michigan** Patricia Montemurri,2020 Since 1845, along the River Raisin in the southeastern Michigan town of Monroe, the Sisters, Servants of the Immaculate Heart of Mary (IHM) have distinguished themselves as educators, activists, and Catholic pioneers. At the congregation's peak, the motherhouse dispatched nearly 1,600 nuns to more than 100 schools across metropolitan Detroit and several states. For 175 years, the sisters taught the three Rs and the meaning of faith to nearly 700,000 students and established important metro Detroit institutions such as Marygrove College, Immaculata and Marian High Schools, and St. Mary Academy. Widely known by their initials, the IHMs

have extended their reach worldwide. Monroe IHM members have served in key roles at the Vatican, as leaders of organizations representing Catholic sisters in the United States, as missionaries in Third World countries, and as groundbreaking activists and theologians. The Monroe IHMs today also attract lay women and men who dedicate themselves to the congregation's values and goals by becoming IHM Associates.

*Sisters of Heart and Snow* Margaret Dilloway, 2016-03-15 The award-winning author of *How to Be an American Housewife* returns with a poignant story of estranged sisters, forced together by family tragedy, who soon learn that sisterhood knows no limits. Rachel and Drew Snow may be sisters, but their lives have followed completely different paths. Married to a wonderful man and is a mother to two strong-minded teens, Rachel hasn't returned to her childhood home since being kicked out by her strict father after an act of careless teenage rebellion. Drew, her younger sister, followed her passion for music but takes side jobs to make ends meet and longs for the stability that has always eluded her. Both sisters recall how close they were, but the distance between them seems more than they can bridge. When their deferential Japanese mother, Haruki, is diagnosed with dementia and gives Rachel power of attorney, Rachel's domineering father, Killian becomes enraged. In a rare moment of lucidity, Haruki asks Rachel for a book in her sewing room, and Rachel enlists her sister's help in the search. The book-which tells the tale of real-life female samurai Tomoe Gozen, an epic saga of love, loss, and conflict during twelfth-century Japan-reveals truths about Drew and Rachel's relationship that resonate across the centuries, connecting them in ways that turn their differences into assets--

*Other Tongues*, 2009-01-01 *Other Tongues: Rethinking the Language Debates in India* explores the implications of the energetic and, at times, acrimonious public debate among Indian authors and academics over the hegemonic role of Indian writing in English. From the 1960s the debate in India has centered on the role of the English language in perpetuating and maintaining the cultural and ideological aspects of imperialism. The debate received renewed attention following controversial claims by Salman Rushdie and V.S. Naipaul on the inferior status of contemporary Indian-language literatures. This volume : • offers nuanced analysis of the language, audience and canon debate; • provides a multivocal debate in which

academics, writers and publishers are brought together in a multi-genre format (academic essay, interview, personal essay);

- explores how translation mediates this debate and the complex choices that translation must entail. Other Tongues is the first collective study by to bring together voices from differing national, linguistic and professional contexts in an examination of the nuances of this debate over language. By creating dialogue between different stakeholders – seven scholars, three writers, and three publishers from India – the volume brings to the forefront underrepresented aspects of Indian literary culture.

**Missions of Interdependence** Gerhard Stilz, 2002 At the beginning of the twenty-first century it is necessary to combine into a productive programme the striving for individual emancipation and the social practice of humanism, in order to help the world survive both the ancient pitfalls of particularist terrorism and the levelling tendencies of cultural indifference engendered by the renewed imperialist arrogance of hegemonial global capital. In this book, thirty-five scholars address and negotiate, in a spirit of learning and understanding, an exemplary variety of intercultural splits and fissures that have opened up in the English-speaking world. Their methodology can be seen to constitute a seminal field of intellectual signposts. They point out ways and means of responsibly assessing colonial predicaments and postcolonial developments in six regions shaped in the past by the British Empire and still associated today through their allegiance to the idea of a Commonwealth of Nations. They show how a new ethic of literary self-assertion, interpretative mediation and critical responsiveness can remove the deeply ingrained prejudices, silences and taboos established by discrimination against race, class and gender.

**Indian Diaspora** Pravin Bhagwan Bhaskar, 2025-01-15 Borders give rise to the line of division, the suffering of homelessness, and the loss of culture. The book masterfully ties together the stories of those who have been uprooted and have endured humiliating experiences abroad, as well as the voyage of Indian writers who were dispersed, including Jhumpa Lahiri, Kiran Desai and Chitra Banerjee Divakaruni. Moreover, the book bears witness to the disadvantaged and disgraced migrants, refugees, and exiles who have used their writing to highlight effectively the concerns related to migration.

**Contemporary Indian Writing in English** N. D. R. Chandra, 2005

**Legacies of Romanticism** Carmen Casaliggi, Paul March-Russell, 2013-03-05 This book visits the Romantic legacy that was central to the development of literature and culture from the 1830s onward. Although critical accounts have examined aspects of this long history of indebtedness, this is the first study to survey both Nineteenth and Twentieth century culture. The authors consider the changing notion of Romanticism, looking at the diversity of its writers, the applicability of the term, and the ways in which Romanticism has been reconstituted. The chapters cover relevant historical periods and literary trends, including the Romantic Gothic, the Victorian era, and Modernism as part of a dialectical response to the Romantic

legacy. Contributors also examine how Romanticism has been reconstituted within postmodern and postcolonial literature as both a reassessment of the Modernist critique and of the imperial contexts that have throughout this time-frame underpinned the Romantic legacy, bringing into focus the contemporaneity of Romanticism and its political legacy. This collection reveals the diversity and continuing relevance of the genre in new and exciting ways, offering insights into writers such as Browning, Ruskin, Pater, Wilde, Lewis, MacNeice, and Auster.

**Sisters of the Extreme** Cynthia Palmer, Michael Horowitz, 2000-05 Sisters of the Extreme provides us with the eloquent writings of women who experimented with drugs. Sometimes their quests brought unexpected rewards, sometimes suffering. The selections in this anthology show that the psychedelic experiences of women have been anything but stereotypical.
