Body Type Ina Saltz, 2014-05-16 Body Type is an eye-opening look into the amazingly creative ways that tattoo artists are

utilizing typography. Whereas the majority of tattoo art uses images to convey messages, here the message actually is the image. Twenty-six alphabetical characters might not seem like much to work with, but a look through these photographs reveals the contrary. Here are truly unique social commentaries, expressions of love, hilarious examples of biting satire, plus some mottos, intricate logotypes, deeply personal song lyrics, and, of course, those tattoos that exist for one reason only: to shock the hell out of you. The crisp photographs are accompanied by an insightful commentary from renowned graphic designer and typographer Ina Saltz, plus consistently surprising and heartfelt explanations from the tattooed.

Silly Salad Amy K. Bond, 2003-05-22 Do you have Silly Salad in your back pocket? Silly Salad is a collection of skits, games and ice-breakers that have all been tested on a live audience and have not just proven to be educational, but down right hilarious. Commercials ranging from a specialized pillow that provides comfort to the chafed backside of indecisive individuals (The Fence-Sitters Fanny-Pad) to a pair of glasses that hinder lustful thoughts (The Sin-no-more Spectacles), will provide easy and comical introductions to deeper discussions. Skits involving pirates who discuss hope while in a hopeless situation (Clive the Hopeful Pirate), and a television talk show host who is quick to deliver a spanking (Morals Over Coffee with Dr. Meredith Stein), are just a few of the many diverse and colorful characters you will also meet. Each commercial and skit is complete with a list of corresponding scripture verses as well as a prop list and character analysis to aid in the production and discussion of the material. If you have Silly Salad in your back pocket, you'll have what it takes to entertain and teach any tough crowd of teens. No youth leader should be without it.

Forced Perspectives Tim Powers, 2020-03-03 A BATTLE FOR THE SOUL OF HAUNTED LOS ANGELES Why did Cecil B. DeMille really bury the Pharaoh's Palace set after he filmed The Ten Commandments in 1923? Fugitives Sebastian Vickery and Ingrid Castine find themselves plunged into the supernatural secrets of Los Angeles—from Satanic indie movies of the '60s, to the unquiet La Brea Tar Pits at midnight, to the haunted Sunken City off the coast of San Pedro . . . pursued by a Silicon Valley guru who is determined to incorporate their souls into the creation of a new and predatory World God. If you read this book you can really see where Guybrush and LeChuck were - plagiarized- derived from, plus the heavy influence of voodoo in the game. . . . Love and Let Die John Higgs, 2023-02-07 A deep-dive into the unique connections between the two titans of the British cultural psyche—the Beatles and the Bond films—and what they tell us about class, sexuality, and our aspirations over sixty dramatic years. The Beatles are the biggest band in the history of pop music. James Bond is the single most successful movie character of all time. They are also twins. *Dr No*, the first Bond film, and *Love Me Do*, the first Beatles record, were both released on the same day: Friday 5 October 1962. Most countries can only dream of a cultural export becoming a worldwide phenomenon on this scale. For Britain to produce two iconic successes on this level, on the same windy October afternoon, is unprecedented. Bond and the Beatles present us with opposing values, visions of the British culture, and ideas about sexual

identity. *Love and Let Die* is the story of a clash between working class liberation and establishment control, and how it exploded on the global stage. It explains why James Bond hated the Beatles, why Paul McCartney wanted to be Bond, and why it was Ringo who won the heart of a Bond Girl in the end. Told over a period of sixty dramatic years, this is an account of how two outsized cultural phenomena continue to define American aspirations, fantasies, and our ideas about ourselves. Looking at these two touchstones in this new context will forever change how you see the Beatles, the James Bond films, and six decades of cross-Atlantic popular culture.

Positively, Penelope Pepper Basham, 2023-08-01 In this sweet, low-spice rom-com, an eternally sunshiny woman attempts to pull a hardened grump out of the shadows and find love again within a fun musical theater backdrop. The world could do with a little more kindness and positivity and random acts of singing, don't you think? Dear Reader, My name is Penelope, and while I may not be a real-life princess, I've been told I possess a certain fairy-tale heroine quality. I wield optimism as my weapon of choice, don amazing shoes and vintage hats whenever possible, and speak in musical references. All of which perfectly qualifies me to succeed in my new role as a marketing intern at the historic Darling House theater on the island of Skymar. Only . . . it seems this internship position is going to be a LOT bigger than I thought. The Gray family, who owns the theater, has been stuck in a rut of darkness ever since the loss of their matriarchs. Now all that's left is a dying theater, a reclusive grandfather, three siblings, and an adorable seven-year-old girl who desperately needs some pixie-dust magic. So that's what this story is about. My plans to save the theater! (Plans that, somehow, keep being stolen by a local competitor.) And an anonymous online theater troupe. And two single brothers who may be vying for this American girl's heart . . . until they're not (or maybe they just want me for my ideas too). And a dream job offer that will require me to make a truly heart-wrenching decision. I may not excel at finishing stories, but I promise to see this one through to its happily ever after. *Positively, Penelope* is the escape you've been looking for--in a world of cynics, Penelope can't help but be a ray of positivity. Witty, hilarious, and heartwarming, this sweet, kisses-only epistolary novel is told mostly through emails and texts and is set in the same world as *Authentically, Izzy*, but can be read as a stand-alone. Don't wait to lose yourself in the world of *Positively, Penelope*, perfect for readers of Sarah Adams and Emma St. Clair. What do you get when you combine a lovable heroine with characters who have mastered the art of witty banter? A charming read. --Sheila Roberts, USA TODAY bestselling author

Home Front Heroes Elizabeth Abele,2013-12-04 This book traces the effects of the feminist and civil rights movements in the construction of Hollywood action heroes. Starting in the late 1980s, action blockbusters regularly have featured masculine figures who choose love and community over the path of the stoic loner committed solely to duty. The American heroic quest of the past 25 years increasingly has involved a reclamation of home, creating a place for the Hero at the hearth, part of a more intimate community with less restrictive gender and racial boundaries. The author presents pieces of contemporary popular culture that create the complex mosaic of the present-day American heroic ideal. Hollywood popular films are examined that best represent the often painful shift from traditional heroic masculinity to a masculinity that is less exceptional and more vulnerable. There are also chapters on how issues of race and gender intersect with the new masculinity and on subgenres of 1990s films that also developed this postfeminist masculinity.

Too Close to the Sun Sara Wheeler,2007-04-24 Denys Finch Hatton was adored by women and idolized by men. A champion of Africa, legendary for his good looks, his charm, and his prowess as a soldier, lover, and hunter, Finch Hatton inspired Karen Blixen to write the unforgettable stories in *Out of Africa*. Now esteemed British biographer Sara Wheeler tells the truth about this extraordinarily charismatic adventurer. Born to an old aristocratic family that had gambled away most of its fortune, Finch Hatton grew up in a world of effortless elegance and boundless power. Tall and graceful, with the soul of a poet and an athlete's relaxed masculinity, he became a hero without trying at Eton and Oxford. In 1910, searching for novelty and danger, Finch Hatton arrived in British East Africa and fell in love—with a continent, with a landscape, with a way of life that was about to change forever. Wheeler brilliantly conjures the mystical beauty of Kenya at a time when teeming herds of wild animals roamed unmolested across pristine savannah. No one was more deeply attuned to this beauty than Finch Hatton—and no one more bitterly mourned its passing when the outbreak of World War I engulfed the region in a protracted, bloody guerrilla conflict. Finch Hatton was serving as a captain in the Allied forces when he met Karen Blixen in Nairobi and embarked on one of the great love affairs of the twentieth century. With delicacy and grace, Wheeler teases out truth from fiction in the liaison that Blixen herself immortalized in *Out of Africa*. Intellectual equals, bound by their love for the continent and their inimitable sense of style, Finch Hatton and Blixen were genuine pioneers in a land that was quickly being transformed by violence, greed, and bigotry. Ever restless, Finch Hatton wandered into a career as a big-game hunter and became an expert bush pilot; his passion that led to his affair with the notoriously unconventional aviatrix Beryl Markham. But Markham was no more able to hold him than Blixen had been. Mesmerized all his life by the allure of freedom and

danger, Finch Hatton was, writes Wheeler, “the open road made flesh.” In painting a portrait of an irresistible man, Sara Wheeler has beautifully captured the heady glamour of the vanished paradise of colonial East Africa. In *Too Close to the Sun* she has crafted a book that is as ravishing as its subject.

The Riviera Set Mary S Lovell, 2017-09-05 The author of the bestselling *The Sisters: The Saga of the Mitford Family* brings her trademark brio and relish to the charming and fascinating world of the Château de l'Horizon on the French Riviera. *The Riviera Set* reveals the story of the group of people who lived, partied, bed-hopped and politicked at the Château de l'Horizon near Cannes, over the course of forty years from the time when Coco Chanel made southern French tans fashionable in the twenties to the death of the playboy Prince Aly Khan in 1960. At the heart of dynamic group was the amazing Maxine Elliott, the daughter of a fisherman from Connecticut, who built the beautiful art deco Château and brought together the likes of Noel Coward, the Aga Khan, the Duke and Duchess of Windsor and two very saucy courtesans, Doris Castlerosse and Daisy Fellowes, who set out to be dangerous distractions to Winston Churchill as he worked on his journalism and biographies during his 'wilderness years' in the thirties. After the War the story continued as the Château changed hands and Prince Aly Khan used it to entertain the Hollywood set, as well as launch his seduction of and eventual marriage to Rita Hayworth Bringing a bygone era back to life, Mary Lovell cements her spot as one of our top social historians in this captivating and evocative new book.
