P.G. Rama Rao

Dying to Teach Jeffrey Berman, 2012-02-01 In *Dying to Teach*, Jeffrey Berman confronts the most wrenching loss imaginable: the death of his beloved wife, Barbara. Through four interrelated narratives—how Barbara wrote about her illness in a cancer diary, how he cared for her throughout her illness, how his students reacted to his disclosure that she was dying, and how he responded to her death—Berman explores his efforts to hold on to Barbara precisely as she was letting go of life. Intensely personal, *Dying to Teach* affirms the power of writing to memorialize loss and work through grief, and demonstrates the importance of death education: teachers and students writing and talking about a subject that, until now, has often been deemed too personal for the classroom.

Strength for the Broken Places James A. Harnish, 2010-10-01 James A. Harnish, from the Introduction: “I’m broken. So are you. We’re all broken people who live in a broken world. The critical question is, how do we find strength to put broken things back together again? This book is an invitation to touch the scars that mark the broken places in our lives, in the same way the risen Christ invited a doubting disciple to touch the nail scars in his hands. It is a challenge to explore some of the dark places in our human experience, to uncover the sinister power of sin, and to experience the way the grace of God meets us in our broken places to bring new life.”

Hemingway's A Farewell To Arms : a Critical Study Bhim S. Dahiya, 1992

Hemingway's Sun Valley: Local Stories behind his Code, Characters and Crisis Phil Huss, 2020-07-20 It was a cold, windless, blue sky day in the fall of 1939 near Silver Creek—a blue-ribbon trout stream south of Sun Valley. Ernest Hemingway flushed three mallards and got each duck with three pulls. He spent the morning working on his novel *For Whom the Bell Tolls*. Local hunting guide Bud Purdy attested, You could have given him a million dollars and he wouldn't have been any happier. Educator Phil Huss delves into previously unpublished stories about Hemingway's adventures in Idaho, with each chapter focusing on one principle of the author's Heroic Code. Huss interweaves how both local stories and passages from the luminary's works embody each principle. Readers will appreciate Hemingway's affinity for Idaho and his passion for principles that all would do well to follow.

Stronger in the End Lynda Beth Unkeless, 2024-05-23 This engaging memoir shows women how to live—and how to age—with grace and gusto. Lynda Beth Unkeless has explored five continents and thrived on the kindness of strangers. Life,

she says, is meant to be an adventure. In *Stronger in the End: My 70 Year Swim from Chaos to Calm* she recounts her risks in various countries with good humor, encouraging her readers to live without guilt and shame. Lynda Beth has much to say about resilience. At 62, she was diagnosed with two brain tumors. Unbowed and undaunted, she healed and continued to work as an advocate for people diagnosed with mental illness. She has written and performed four one-woman shows at The Marsh Theatre in San Francisco. *Burning Man Breakup/Breakthrough* (2007) was followed by *Rosey*, the story of a beloved San Francisco panhandler (2021). *Are You Somebody?* was based on her 2021 trip to Ireland during the pandemic and *Not Far from the Throat* told the story of her mother's suicide (2022.) *Stronger in the End* is about finding joy, getting through hard times, and learning to trust yourself. This brief memoir will make you laugh and cry and leave you feeling that you can conquer any obstacle. A must read for any woman looking for sisterhood and encouragement to follow her own star, no matter how late in life. It's never too late, Lynda Beth advises, to feel loved, and to do what you truly love.

Quicklet on Ernest Hemingway's A Farewell to Arms EmmaLee McCrickett, 2012-05-08 I'll make it to Europe some way in spite of this optic. I can't let a show like this go on without getting into it. According to *Literary Ambulance Drivers* Hemingway wrote these words to sister in reference to the eye problem that kept him from enlisting in the general military during World War I. He was determined to see the action through and sought out another way to get to the front and found it as an ambulance driver. He was one of many future writers who worked in the ambulance corps of The Great War, a new role introduced by the advent of automobile ambulances, and open to the educated and upper class. Once there Hemingway was badly injured, as noted by the National Endowment for the Arts' Reader's Guide, and nursed by a woman named Agnes von Kurowsky, who was seven years older than him. He fell in love with her and asked her to marry him five months later, but she refused. These experiences served as a basis for the relationship between his main characters in *A Farewell to Arms*, Lieutenant Frederic Henry, an ambulance driver for the Italians, and the nurse who cares for him after he is injured, Catherine Barkley.

Solzhenitsyn's Traditional Imagination James M. Curtis, 2008 Most critics overlook the literary significance of Alexander Solzhenitsyn's work, focusing instead on biographical, political, and moral interpretations. This examination of Solzhenitsyn's major novels--One Day in the Life of Ivan Denisovitch, The First Circle, Cancer Ward, and August 1914--emphasizes that his writings must be understood within the tradition of Russian literature and the context of Western culture. James M. Curtis provides a detailed analysis of Tolstoy's crucial influence on Solzhenitsyn, and he discusses at length Solzhenitsyn's relationship to Dostoyevsky, Leskov, Chekhov, and Zamyatin. Curtis also demonstrates that a study of Ernest Hemingway (whose books have been enormously popular in Russia) and Virginia Woolf can contribute to our understanding of the Russian novelist. Solzhenitsyn's Traditional Imagination includes a chapter on Dos Passos and Eisenstein whose work constituted Solzhenitsyn's first major artistic interest outside Russian literature. The chapter presents the first comprehensive examination of the importance of film for Solzhenitsyn and shows how he learned the use of film technique in literature from Dos Passos and how he adapted it from Eisenstein's films. This was the first full-length study to use Solzhenitsyn's revised editions of One Day . . . , The First Circle, and Cancer Ward (all published in 1978). Professor Curtis's careful use of the best available texts, together with his wide knowledge of contemporary literary criticism and his insistence upon Solzhenitsyn's purely literary importance, make this a valuable book for all students of Solzhenitsyn's fiction.

Say Yes to Life Sidney Greenberg, 1999-06-01 Say Yes to Life: A Book of Thoughts for Better Living reflects a deep understanding of the human condition with all its pain, perplexities, and possibilities. Combining compassion, wisdom, and humor, this life-affirming volume will inspire people of every faith to believe in and bring out the best from within themselves. In this profound book, Rabbi Sidney Greenberg offers seventy-three essays celebrating his belief in the goodness of people and the beauty of life in all its variety. He is confident that traditional values are still alive and shows how we can reinforce the strength of these values to make life better for ourselves and others. He suggests that we can do this by using our best abilities and finest attributes--generosity, kindness, compassion, our powers of communication, a sense of justice, our constructive human energy.

Culturally Responsive Reading Durthy A. Washington, 2023 "A book that is brilliantly incisive and generative beyond words, Culturally Responsive Reading is a gift that will be welcomed in classrooms everywhere." —Junot Díaz, author, *This Is How You Lose Her* Help students to explore the intertextuality of literature and to think more deeply and compassionately about the world. This book shows high school teachers and college instructors how to foreground a work's cultural context, recognizing that every culture has its own narrative tradition of oral and written classics that inform its literature. The author introduces readers to the LIST Paradigm, a guided approach to culturally responsive reading that encourages readers to access and analyze a text by asking significant questions designed to foster close, critical reading. By combining aspects of both literary analysis (exploring the elements of fiction such as plot, setting, and character) and literary criticism (exploring

works from multiple perspectives such as historical, psychological, and archetypal), the LIST Paradigm helps educators “unlock” literature with four keys to culture: Language, Identity, Space, and Time. In *Culturally Responsive Reading*, Washington exposes cultural myths, reveals racist and culturally biased language, dismantles stereotypes, and prevents the egregious misreading of works written by people of color. **Book Features:** Describes a unique approach to culturally responsive reading, including specific teaching strategies and rich classroom examples. Explores numerous texts by writers of color that are rarely included as required reading in literature courses. Provides examples and illustrations of innovative ways to incorporate multicultural texts into an introductory literature course. Incorporates epigraphs and questions that highlight each component of the LIST approach. Includes a critical essay that guides teachers through the process of teaching a complex postmodern novel (Junot Díaz’s *The Brief Wondrous Life of Oscar Wao*).

The Cross Examen Roger J. Gench, 2020-10-29 This volume explores the essential relationship between spirituality and activism in conversation with a political theology of the cross. The author contends that contemplative practice and activism bear the same cruciform footprint and are integrally connected, for the cross of Jesus Christ reveals both the brokenness in our lives and the corresponding brokenness in the world; it also discloses the God who is always (and already) bringing resurrection and life out of the death-tending ways of our world. The cross and resurrection expose other crosses, large and small, that litter the landscape of our world and of our personal and corporate lives, as well as places where God’s resurrecting power is at work, bringing life out of death and establishing footholds for the unfolding of the new creation. The volume engages Paul’s Letter to the Galatians and new scholarly readings of it as a rich resource for reflection on these matters and explores the fruit of the Spirit as political virtues that empower communal participation in God’s restorative work in the world. Providing new angles of vision on both the cross and the apostle Paul, the book expands and enlivens reflection on spirituality and activism as profound and generative resources for contemporary faith and practice.

One Bullet Away Nathaniel Fick, 2006-09-07 The New York Times bestseller that “provides a close-up and often harrowing look at Fick’s service both in Iraq and Afghanistan” (U.S. News & World Report). If the Marines are “the few, the proud,” Recon Marines are the fewest and the proudest. Nathaniel Fick’s career begins with a hellish summer at Quantico, after his junior year at Dartmouth. He leads a platoon in Afghanistan just after 9/11 and advances to the pinnacle—Recon—

two years later, on the eve of war with Iraq. His vast skill set puts him in front of the front lines, leading twenty-two Marines into the deadliest conflict since Vietnam. He vows to bring all his men home safely, and to do so he'll need more than his top-flight education. Fick unveils the process that makes Marine officers such legendary leaders and shares his hard-won insights into the differences between military ideals and military practice, which can mock those ideals. In this deeply thoughtful account of what it's like to fight on today's front lines, Fick reveals the crushing pressure on young leaders in combat. Split-second decisions might have national consequences or horrible immediate repercussions, but hesitation isn't an option. One Bullet Away never shrinks from blunt truths, but ultimately it is an inspiring account of mastering the art of war. "Fick's writing style sets this book apart from other accounts of recent conflicts and guarantees One Bullet Away a place in the war memorial hall of fame."—USA Today "What One Bullet Away accomplishes, in a way all the blather on cable TV never will, is to give readers real insights into the modern war and its warriors."—Rocky Mountain News

A Resurrection Shaped Life Jake Owensby, 2018-12-18 Can we begin to experience the resurrection in our ordinary life on earth? Bishop Jake Owensby says yes as he re-examines the biblical concept of resurrection and how Jesus' resurrection influences his followers every day. A resurrection-shaped life: Finds hope through honest reflection on the past. Discovers meaning in suffering. Moves beyond shame and blame toward self-acceptance and compassion. Emerges from loss and regret to find contentment and joy. Develops forgiveness as a habitual way of life. Transcends "us-them" divisions to form inclusive community. Draws strength from the hope of life after life. The Resurrection-Shaped Life explains how we begin to experience resurrection in Christian practices such as repentance and forgiveness and discusses how new life emerges from our small deaths: suffering, shame, regret, and loss.
