*Islamic Algorithms* Gary R. Bunt, 2024-04-04 This book examines how Islam is digitally mediated at a time of technological change, enhanced digital literacy and proactive engagement in Islamic online content by authorities and influencers. What is the impact of this on societies, believers and understandings of Islam? *Islamic Algorithms* provides a thorough exploration of Cyber Islamic Environments (CIEs) through representations of significant historical and religious influences across contexts and diversities. This ranges from jinn and angels through to contemporary influencers. Gary R. Bunt raises issues of how digital content is embedded in contemporary understandings of Islam and their dissemination. Bunt shows how the interpretation of pivotal figures in Islam – including Muhammad and his family, scholars and imams – can be informed by new generations of digital influences, such as apps and social networking, which have become primary sources of information for many Muslims globally. **The Holiest of the Holies (THOTH), the Last Testament** Maitreya (Joseph Emmanuel), 2013-06-20 For thousands of years humanity has longed for a truth, revelation, or knowledge that explains the unity of God behind all mystical experiences, previous revelations, and religions of the world, and the truth behind the universe (science). There have been mystical explanations of God from those claiming they have experienced the truth by direct contact with Spirit. There are

also those who have founded great religions of the world. However, a great confusion still reigns among spiritualists, religions of the world, and the many different branches within each religion. If you study this Book carefully, with a sincere mind and an Open Heart, it will be revealed to you that the major religions on earth are not contradictory and separated at all. In fact they are complementary and were sent to earth systematically by One God. When this is understood, the Path to Salvation (Eternal Divine Path) is known This book is the main writing of Maitreya of the Mission of Maitreya:

*An introduction to the holy Quran and it's unsolved mysteries* Abdul Waheed , Quran (Kareem) is a holy book which is the message of Allah (God) revealed for the betterment of humanity. This is the message of the same Qur'an when the world or human beings were born, but it continued to be revealed to each prophet from time to time. The Prophet faithfully conveyed the message of Allah to the human beings as per the orders of Allah, but the human beings kept cutting thorns in the holy book according to their selfishness, as a result, the human beings could not get the original (messages of Allah). After that, Allah also continued to tell his messages to the incoming prophets through the angel (Jibrail), even then the changes in the book of Allah (Tauret, Jabur, Injil and other Saheefs) continued. After that, the last book Quran Sharif (which exists till the end) on the last prophet Mohammad had to be sent (descended) for the good of mankind. Because the responsibility of this holy book has been taken by Allah Ta'ala (God) Himself. Books for familiarizing Quran (Kareem) are very few and not good in Hindi, so by the grace of Allah Ta'ala, this book has been published. Took the initiative to write. By the way, this work is very delicate, so if any mistake is found in the book, please inform as soon as possible. So that the shortcoming of the book can be removed. I have shown this book to respected Maulana Mustafa Madani Nadvi Apart from this, I have also got other Maulana checked, he agrees with this article. My first book (World's main religion, opinion and sect) and second book (which is in your hand).

*The Keys of Power* J. Abbott,2022-02-01 This book, first published in 1932, demonstrates how the control of certain 'isms' has for long moulded the interpretation of Indian belief and ritual by Western writers particularly. In every chapter there is some new coordination, often iconoclastic of then-accepted theory, whilst the new wealth of customs carefully recorded is astonishing. Long disputed problems such as that of the Maratha 'devak', or that of the ceremonial sowing of seedlings known to Western scholars as the 'gardens of Adonis', have at last been settled through careful research.

**Duas That Changed Me!** Isatou Ceesay,2020-06-11 This book came about when I decided to share this summarized version of things to have and know as a human being, most importantly as a Muslim. It came about naturally when ideas were pouring in my brain. I enjoyed writing this book and it amazed me when I realized, how beautifully it became at the end. I believe firmly that, I was guided by Allah in this journey and not Shaitan. I had personally realized that my life and personality had changed in a positive way when I implemented the knowledge I gained from this book.

**Sword of the Lord, The Rise and Fall of Nations Volume III. The End Times** Akram Mohammed Shah Sufi, 2025-04-01 In this thought-provoking final volume, The End Times unravels the trials and tribulations of the modern world through the lens of Islamic eschatology. Drawing from the Quran, Ahadith, and historical patterns, this book explores the rise and fall of nations, the consequences of straying from divine guidance, and the prophetic signs leading to the ultimate confrontation—Armageddon. With a focus on the suffering and turmoil of the 20th and 21st centuries, the author illuminates the prophetic warnings that have already become historical realities, reinforcing the certainty of what is yet to come. This volume serves as a wake-up call—urging readers to reconnect with faith, purify their souls, and prepare for what lies ahead. More than a scholarly discourse, The End Times is an invitation to seek truth, reflect on history, and navigate the path toward salvation. Whether you are a student of eschatology, a seeker of spiritual wisdom, or simply curious about the future foretold in Islamic tradition, this book offers deep insights and a compelling call to action.
