**The Map That Led to You (A Novel)** Ella McLeod, 2025-09-16 Perfect for fans of One Piece, this is an epic Black queer pirate fantasy that you won't be able to put down! A long time ago, a witch burst into flames. A pirate and a mermaid fell in love. A map was marked with a glowing X. And a republic was born. Levi and Vega are the children of the fearsome pirate captain of The Sea Dragon. They have been raised on tales of daring feats and seafaring adventures, but there are stories they haven't been told--stories about witches and mermaids and magical maps. When tragedy strikes, the siblings land on the Pirate Republic, a self-governed island of freedom and adventure. Levi uncovers the secrets of his past as he works with his sister, a sea nymph, the pirates, and witches to protect the island from the conquering Empire. But he must learn to accept himself before he can even begin to help his friends. In the present day, two girls are given a history assignment: to try and piece together the rise and fall of the famous and corrupt Pirate Republic, which once formed their island home. As Reggie and Maeve's tentative friendship deepens into something more, they realize that a magical world could be on their very doorstep--if only they can find the map. Published in partnership with GLAAD, this novel is an intoxicatingly rich fantasy that blends high seas, swashbuckling adventure and lyrical poetry.

*Badr* C. H. Foertmeyer, 2007-03-25 Marlin Goldberg, a forty-year-old Jewish realtor living in the United States, is killed in a terrible traffic accident. Later that day, in Sarsarif, Iraq, Abdul-Halim is blessed with the birth of his first son, whom he names, Badr. What can the two events have in common? As the years go by, Badr is taught at home, hate for the rich American Jews that finance Israel's existence in Arab lands. His father and uncles teach him to hate all infidels, especially the American infidels who have now invaded his country and hometown. But, as the lessons in hate began, so did Badr's dreams of pale white hands, always held together, as if in prayer. The praying, pale white hands, obviously those of an infidel, seem to be in direct contrast to his family's teachings. So, whose hands are they, and what are they trying to tell Badr, who has now grown up to be Lone Wolf, the most deadly of Iraqi insurgents? Is Marlin Goldberg speaking to Badr from the grave? But how, and why?
