

The Camel Club Books In Order

Janet G. Husband, Jonathan F. Husband

The Collectors David Baldacci, 2006-10-17 While a gifted con artist plots against the most ruthless businessman in the world, the Camel Club must stop a renegade CIA agent from selling American secrets to the highest bidder in this #1 New York Times bestselling thriller. The assassination of the speaker of the House has rocked the nation. And the Camel Club has found a chilling connection with another death: that of the director of the Library of Congress's Rare Books and Special Collections Division. The club's unofficial leader, a man who calls himself Oliver Stone, discovers that someone is selling America to its enemies one secret at a time. Then Annabelle Conroy, the greatest con artist of her generation, comes to town and joins forces with the Camel Club for her own reasons. And Stone will need all the help she can give, because the two murders are hurtling the Camel Club into a world of espionage that is bringing America to its knees.

The Camel Club David Baldacci, 2005-10-01 After witnessing a shocking murder, four conspiracy theorists team up with a Secret Service agent to uncover the government corruption that threatens to cause an international terrorism crisis in this New York Times bestselling thriller. Welcome to THE CAMEL CLUB. Existing at the fringes of Washington, D.C., the Club consists of four eccentric members. Led by a mysterious man known as Oliver Stone, they study conspiracy theories, current events, and the machinations of government to discover the truth behind the country's actions. Their efforts bear little fruit--until the group witnesses a shocking murder...and becomes embroiled in an astounding, far-reaching conspiracy. Now the Club must join forces with a Secret Service agent to confront one of the most chilling spectacles ever to take place on American soil--an event that may trigger the ultimate war between two different worlds. And all that stands in the way of this apocalypse is five unexpected heroes.

Divine Justice David Baldacci, 2018-04-24 Explosive and enthralling, David Baldacci's *Divine Justice* is the fourth novel in his bestselling Camel Club series. Known by his alias, 'Oliver Stone', John Carr is the most wanted man in America. With two pulls of the trigger, the men who hid the truth of Stone's past and kept him in the shadows were finally silenced. But Stone's freedom has come at a steep price; the assassinations he carried out have prompted the highest levels of the United States Government to unleash a massive manhunt. Joe Knox is leading the charge, but his superiors aren't telling him everything there is to know about his quarry - and their hidden agendas are just as dangerous as the killer he's trying to catch. Meanwhile, with their friend and unofficial leader in hiding, the members of the Camel Club must fend for themselves, even

as they try to protect him. As Knox closes in, Stone's flight from the demons of his past will take him far from Washington, D.C., to the coal-mining town of Devine, Virginia – and headlong into a confrontation every bit as lethal as the one he is trying to escape. Divine Justice is followed by Baldacci's final Camel Club novel, Hell's Corner.

Encyclopedia of American Popular Fiction Geoff Hamilton, Brian Jones, 2010-05-12 Covers contemporary authors and works that have enjoyed commercial success in the United States but are typically neglected by more literary guides. Provides high school and college students with everything they need to know to understand the authors and works of American popular fiction.

Cincinnati Magazine ,2008-11 Cincinnati Magazine taps into the DNA of the city, exploring shopping, dining, living, and culture and giving readers a ringside seat on the issues shaping the region.

Hell's Corner David Baldacci, 2010-11-09 Before he can lead a covert mission on the orders of the President, a former CIA assassin must track down the source of a terrorist attack and navigate a shadowy world of betrayal and political secrets in this #1 New York Times bestselling thriller. John Carr, aka Oliver Stone—once the most skilled assassin his country ever had—stands in Lafayette Park in front of the White House. Inside, the British prime minister is being honored at a state dinner. Then, just as the prime minister's motorcade leaves, a bomb explodes in the park, and in the chaotic aftermath Stone is given an urgent assignment: find those responsible. British MI-6 agent Mary Chapman becomes his partner in the search for the unknown attackers. But their opponents are elusive, skilled, and increasingly lethal. Worst of all, the park bombing may have been only the opening salvo in their plan. With nowhere else to turn, Stone enlists the help of the only people he knows he can trust: the Camel Club.

Bestseller Robert McParland, 2018-12-15 Whether curled up on a sofa with a good mystery, lounging by the pool with a steamy romance, or brooding over a classic novel, Americans love to read. Despite the distractions of modern living, nothing quite satisfies many individuals more than a really good book. And regardless of how one accesses that book—through a tablet, a smart phone, or a good, old-fashioned hardcover—those choices have been tallied for decades. In *Bestseller: A Century of America's Favorite Books*, Robert McParland looks at the reading tastes of a nation—from the beginning of the twentieth century to the present day. Through extensive research, McParland provides context for the literature that appealed to the masses, from low-brow potboilers like *Forever Amber* to Pulitzer-Prize winners such as *To Kill a Mockingbird*. Decade by decade, McParland discusses the books that resonated with the American public and shows how current events and popular culture shaped the reading habits of millions. Profiles of authors with frequent appearances—from Ernest Hemingway to Danielle Steel—are included, along with standout titles that readers return to year after year. A snapshot of America and its love of reading through the decades, this volume informs and entertains while also providing a handy reference of the country's most popular books. For those wanting to learn more about the history of American culture

through its reading habits, *Bestseller: A Century of America's Favorite Books* is a must-read.

Promise the Infinite Robert Richart, 2016-05-07 This is an annotated bibliography of English language novels which feature libraries or librarians from the 18th to the 21st century. It includes descriptions and quotes from the text. It includes novels, mysteries, science fiction, fantasy, and romance.

The Readers' Advisory Guide to Genre Fiction Joyce G. Saricks, 2009 This revised edition provides a way of understanding the vast universe of genre fiction in an easy-to-use format. Expert readers' advisor Joyce Saricks offers groundbreaking reconsideration of the connections among genres.

The Readers' Advisory Guide to Genre Fiction, Third Edition Neal Wyatt, Joyce G. Saricks, 2019-07-03 Everyone's favorite guide to fiction that's thrilling, mysterious, suspenseful, thought-provoking, romantic, and just plain fun is back—and better than ever in this completely revamped and revised edition. A must for every readers' advisory desk, this resource is also a useful tool for collection development librarians and students in LIS programs. Inside, RA experts Wyatt and Saricks cover genres such as Psychological Suspense, Horror, Science Fiction, Fantasy, Romance, Mystery, Literary and Historical Fiction, and introduce the concepts of Adrenaline and Relationship Fiction; include everything advisors need to get up to speed on a genre, including its appeal characteristics, key authors, sure bets, and trends; demonstrate how genres overlap and connect, plus suggestions for guiding readers among genres; and tie genre fiction to the whole collection, including nonfiction, audiobooks, graphic novels, film and TV, poetry, and games. Both insightful and comprehensive, this matchless guidebook will help librarians become familiar with many different fiction genres, especially those they do not regularly read, and aid library staff in connecting readers to books they're sure to love.

MP3 Stone Cold David Baldacci, 2007-11-01 Oliver Stone, the leader of the mysterious group that calls itself the Camel Club, is both feared and respected by those who've crossed his path. Keeping a vigilant watch over our leaders in Washington, D.C., the Camel Club has won over some allies, but it has also earned formidable enemies including those in power who will do anything to prevent Stone and his friends from uncovering the hidden, secret work of the government. Annabelle Conroy, an honorary member of the Camel Club, is also the greatest con artist of her generation. She has swindled forty million dollars from casino king Jerry Bagger, the man who murdered her mother. Now he's hot on her trail with only one goal in mind: Annabelle's death. But as Stone and the Camel Club circle the wagons to protect Annabelle, a new opponent, who makes Bagger's menace pale by comparison, suddenly arises. One by one, men from Stone's shadowy past are turning up dead. Behind this slaughter stands one man: Harry Finn. To almost all who know him, Finn is a doting father and loving husband who uses his skills behind the scenes to keep our nation safe. But the other face of Harry Finn is that of an unstoppable killer who inevitably sets his lethal bull's-eye on Oliver Stone. And with Finn, Stone may well have met his match. As Annabelle and the Camel Club fight for their lives, the twists and turns whipsaw, leading to a finale that is as

explosive as it is shattering. And when buried secrets are at last violently resurrected, the members of the Camel Club left standing will be changed forever. David Baldacci is the author of thirteen previous consecutive New York Times bestsellers: *Absolute Power*, *Total Control*, *The Winner*, *The Simple Truth*, *Saving Faith*, *Wish You Well*, *Last Man Standing*, *The Christmas Train*, *Split Second*, *Hour Game*, *The Camel Club*, *The Collectors*, and *Simple Genius*, as well as his *Freddy and the French Fries* children's series. With his books published in more than 40 languages in more than 80 countries, and with nearly 55 million copies in print globally, David Baldacci is one of the world's most popular novelists. He's also the cofounder, with his wife, of the *Wish You Well Foundation*, a nonprofit organization dedicated to supporting literacy efforts across America. Still a resident of his native Virginia, he invites you to visit him at www.davidbaldacci.com and his foundation at www.wishyouwellfoundation.org, and to look into its program to spread books across America at www.FeedingBodyandMind.com. Ron McLarty is an author/actor who, along with many appearances on Broadway, film, and television, is the author of the international bestselling novel *The Memory of Running*. His latest novel is *Traveler*. He read David Baldacci's *Last Man Standing*, *The Hour Game*, and *Simple Genius* for Hachette Audio.

The Publishers Weekly ,1895

The Breakout Novelist Donald Maass,2015-01-01 The must-have reference for novel writers! If you're serious about transforming your writing into vibrant, engaging, and marketable fiction, you've found the right book. *The Breakout Novelist* gives you the craft and business know-how you need to make your stories stand out. Veteran literary agent Donald Maass brings together the best innovative and practical information from his previous books and workshops to help you set your novel apart from the competition. Maass shares examples from successful and contemporary writers across all genres to equip you with strategies for crafting compelling fiction--from core elements like character, setting, description, and plot, to more advanced techniques including theme, tension, and suspense. Plus, you'll find over 70 practical exercises to help you evaluate your writing to the breakout level. You'll also learn from Maass's experiences from more than three decades in the publishing industry. Get straight talk from an insider about agents, contracts, industry changes, and how to be the kind of author who builds a successful career book after book. If your goal is to craft powerful stories that capture your audience's attention from the first page to the last, then *The Breakout Novelist* is an indispensable reference.

Bullseye David Baldacci,2014-02-04 In this all-new short story from #1 New York Times bestselling author David Baldacci, worlds collide when government assassin Will Robie is caught in the crossfire with Oliver Stone and the Camel Club. Will Robie is closing in on his next target when he finds himself in the middle of a bank heist--and he's taken hostage alongside Oliver Stone. But is this just a simple bank job, or are the robbers after something even more valuable--and dangerous--than the cash in the vault? Available only as an ebook.

The Fire in Fiction Donald Maass,2009-04-08 Discover the Difference Between a So-So Manuscript and a Novel

Readers Can't Forget We've all read them: novels by our favorite authors that disappoint. Uninspired and lifeless, we wonder what happened. Was the author in a hurry? Did she have a bad year? Has he lost interest altogether? Something similar is true of a great many unpublished manuscripts. They are okay stories that never take flight. They don't grip the imagination, let alone the heart. They merit only a shrug and a polite dismissal by agents and editors. It doesn't have to be that way. In *The Fire in Fiction*, successful literary agent and author Donald Maass shows you not only how to infuse your story with deep conviction and fiery passion, but how to do it over and over again. The book features:

- Techniques for capturing a special time and place, creating characters whose lives matter, nailing multiple-impact plot turns, making the supernatural real, infusing issues into fiction, and more.
- Story-enriching exercises at the end of every chapter to show you how to apply the practical tools just covered to your own work.
- Rich examples drawn from contemporary novels as diverse as *The Lake House*, *Water for Elephants*, and *Jennifer Government* to illustrate how various techniques work in actual stories. Plus, Maass introduces an original technique that any novelist can use any time, in any scene, in any novel, even on the most uninspired day...to take the most powerful experiences from your personal life and turn those experiences directly into powerful fiction.

Tap into *The Fire in Fiction*, and supercharge your story with originality and spark!
