But when the fairies decide to move back onto human territory, it soon becomes clear that some will not be happy about this change. As she sets out to restore the balance, Aislin chooses a surprising group of young women to join her – girls she knows are brave and loyal, but who don't have the qualities of typical guards or princess confidantes. Things only get more complicated when an old foe appears, surely up to no good. The princess knows she has the power and ingenuity to stand up for herself and her kingdom, especially with her friends by her side – will that be enough to set things right? E. D.
