

# The General Zapped An Angel

**Lee Ann Chearney**

The General Zapped an Angel Howard Fast, 2011-12-27 DIV "The General Zapped an Angel was written for fun, and offers me a chance to smile at the absurdity of human existence. Therefore, these stories of fantasy and science fiction are among the most serious writing I have done." —Howard Fast/div DIV Nearly forty years after the publication of his first story, "The Wrath of Purple," in the science fiction magazine *Amazing Stories*, Howard Fast returned to the genre with a set of nine supremely entertaining tales. In this collection, a Vietnam general shoots down what appears to be an angel, a man sells his soul to the devil for a copy of the next day's *Wall Street Journal*, and a group of alien beings bestow a mouse with human thought and emotion. Fast, one of the bestselling authors of the twentieth century, skewers war hawks, oil speculators, and profit-at-all-costs capitalism, issues that are still relevant today./div DIV /div DIV This ebook features an illustrated biography of Howard Fast including rare photos from the author's estate./div

**The General Zapped an Angel** Howard Fast, 1978

The General Zapped an Angel Howard Fast, 2019-12-03 Fast, ... whose career spanned decades and genres, skewers war hawks, oil speculators, and profit-at-all-costs capitalism, ... making these stories as relevant today as when they were first published--Publisher marketing.

**Collected Stories of Fantasy and Science Fiction** Howard Fast, 2018-09-25 A pair of imaginative science fiction story collections from the #1 New York Times–bestselling author of *Spartacus*, *Freedom Road*, and the *Immigrants* saga. Over his long and illustrious career, New York Times–bestselling author and prolific novelist Howard Fast proved himself a master of any literary genre, from historical fiction in *Spartacus* to family generational drama in his bestselling *Immigrants* saga. Although his output in fantasy and science fiction is relatively modest, these two short story collections, reminiscent of classic *Twilight Zone* episodes, demonstrate that Fast's imagination knew no boundaries. *The General Zapped an Angel*: Nearly forty years after the publication of his first story, "Wrath of Purple," in the science fiction magazine *Amazing Stories*, Fast returned to the genre with a set of nine supremely entertaining tales. In this collection, a Vietnam general shoots down what appears to be an angel, a man sells his soul to the devil for a copy of the next day's *Wall Street Journal*, and a group of alien beings bestow a mouse with human thought and emotion. "These stories amply display Fast's considerable gifts as a writer—his clear, concise, often elegant prose, his sense of humor, his gift of sympathetic imagination, and sheer talent as a

storyteller.” —Tangent A Touch of Infinity: This follow-up to The General Zapped an Angel offers thirteen brisk and engrossing science fiction stories. In “The Hoop,” a scientist builds a portal to an unknown destination, which the mayor of New York City hijacks to use as a garbage dump until the location’s surprising—and hilarious—revelation. And in “The Egg,” set three thousand years in the future, a research team discovers an egg, something they have never seen before, cryogenically frozen in a nuclear bunker. “Fast, a master of economy . . . spins his stories quickly and most effectively.”  
—Associated Press

The Quotable Angel Lee Ann Chearney, 2008-04-21 See, I am sending an angel ahead of you to guard you along the way. . . . --Exodus 23:2 To embody the transcendent is why we are here. --Sogyal Rinpoche The Tibetan Book of Living and Dying Angels can fly because they take themselves lightly. --G. K. Chesterton They lift our spirits and nurture our souls. They watch over us, protect us, and guide us. They are the messengers of heaven. Now, The Quotable Angel gathers together hundreds of quotations on the subject of angels, from biblical times to the present. Here is a radiant treasury to delight the mind and spirit. The power of angels shines through Catholic prayers and African proverbs, Dante and Dickinson, Shakespeare and Shaw. Pilots, presidents, politicians, and more also illuminate the profound nature of angelic grace. Clustered into topics ranging from Guardian Angels and Angels of Mercy to Angels' Voices and Angels of the Natural World, these quotations are enchanting, provocative, and timeless. Exquisitely designed with classic drawings and engravings, The Quotable Angel will console, exalt, and inspire us all.

**Howard Fast** Andrew F. Macdonald, 1996-08-28 Howard Fast, one of the most prolific American writers of the 20th century, has enjoyed wide popularity for his writing and suffered from great notoriety for his politics, but has never been given full credit for his contribution to the essential tales of American culture, the American Revolution, and immigrant acculturation. Although his novels have sold close to eighty million copies, this is the first book-length critical study of his work. In addition to an overview of his fiction, it offers close, critical readings of his historical novels of the American Revolution, Citizen Tom Paine, April Morning, and his most recent, Seven Days in June, his novels about slavery, Freedom Road and Spartacus, and his popular series about the American experience, The Immigrants. A biographical chapter is partly based on an extensive interview granted by Fast exclusively for this book. A comprehensive bibliography completes the work. This critical study begins with a biographical chapter that links life and works, showing how Fast transmuted his experience into fiction. Macdonald asserts that for all Fast's notoriety as a Communist in the 1940s and 1950s, his works show him to be deeply committed to the principles that inspired the American Revolution. A chapter on literary background discusses all of Fast's major works and most of his minor ones, placing the historical novels into literary context and the other works into

their genre traditions. The remaining six chapters focus on his most important individual novels. Each novel is analyzed for plot structure, characterization, and thematic elements. In addition, Macdonald defines and applies alternative critical perspectives from which to read each novel. A genealogy table for The Immigrants series, and a complete, up-to-date bibliography of all of Fast's nearly one hundred published works, as well as selected reviews and background reading, make this study invaluable for research and critical understanding. This study of Fast's classic works of historical fiction will aid the student and support the interdisciplinary American history/literature curriculum.

**Time and the Riddle** Howard Fast, 2011-12-27 DIVA collection of Fast's best short fiction, from science fiction and fantasy to philosophy and suspense/div DIVThis collection of short stories encompasses twenty years of work by Howard Fast, including some of his best-known and most treasured tales. Not merely fantasy or science fiction, these "Zen stories" explore the world's mysterious and unanswerable questions, big and small, and the results are at once bizarre, humorous, chilling, and poignant. An American general shoots down what appears to be an angel during a Vietnam War battle, a celebrated author becomes a hunted man, and a mouse is granted human thought and emotion by a group of alien beings. The thirty-one stories in Time and the Riddle showcase Fast's range and supreme talent as a storyteller./divDIV /divDIVThis ebook features an illustrated biography of Howard Fast including rare photos from the author's estate./div

**The Last Frontier** Howard Fast, 2015-05-20 Originally published in 1941, The Last Frontier is the story of the Cheyenne Indians in the 1870s, and their bitter struggle to flee from the Indian Territory in Oklahoma back to their home in Wyoming and Montana. Some 300 Indians, led by Little Wolf, fought against General Crook and 10,000 troops, with only 60 finally making it through to freedom. Fast extensively researched this book in the late 1930s, visiting and speaking with Cheyenne experts in Norman, Oklahoma. This was the first of Fast's many books to gain a wide popular audience; it was eventually made by John Ford into the classic film Cheyenne Autumn (1964).

Spain and Peace Howard Fast, 2011-12-27 DIVFast's powerful denunciation of Spanish dictator Francisco Franco, and a remarkable historical document of Spain's fight for freedom from governmental oppression/div DIVHoward Fast was a longtime proponent of the antifascist movement in Spain. During the Spanish Civil War, Fast supported a hospital for Popular Front forces, and in 1950 he was sentenced to three months in jail for refusing to give the names of other supporters of that hospital to the House Un-American Activities Committee. In this pamphlet, published in 1951, Fast gives an overview of Spain under the rule of General Francisco Franco, including the mass strikes that were organized to weaken him. Fast's fervent appeals to readers to reject American military agreements with Spain demonstrate his passionate opposition to fascism. As Fast writes, "Spain fights on, and in those three words there is a miracle. . . . There is no Spanish worker, professional, intellectual or peasant who strikes a blow for freedom without our being intimately concerned."/divDIV /divDIVThis ebook features an illustrated biography of Howard Fast including rare photos from the author's estate./div

*The Mammoth Book of Best New SF 17* Gardner Dozois, 2011-08-04 Widely regarded as the essential book for every science-fiction fan, *The Mammoth Book of Best New SF 17* continues to uphold its standard of excellence with more than two dozen stories from the previous year. This year's volume includes not just a host of established masters but also many bright, young talents of science fiction. It embraces every aspect of the genre - soft, hard, cyberpunk, cyber noir, anthropological, military and adventure. Plus the usual thorough summations of the year and a recommended reading list.

*The Last Supper* Howard Fast, 2011-12-13 DIVDIVSixteen stories that depict America—and the world—emerging from the wreckage of World War II/div DIVFrom a glimpse of Coca-Cola's first appearance in a remote part of the Arabian desert to the tale of a wealthy, paranoid man building a shelter after the first hydrogen bomb tests, the stories in *The Last Supper* depict a world coming to grips with the new post-war reality. As always, Howard Fast has an ear for the way history echoes through the generations, and his tales of American ascendancy are complemented by crisp fictional portraits of the country's earliest days, including three stories drawn from the life of colonial statesman Samuel Adams./divDIV /divDIVCompelling and insightful, *The Last Supper* is an absorbing collection of mid-century Americana and a window into the mind of one of the country's greatest modern writers./divDIV /divDIVThis ebook features an illustrated biography of Howard Fast including rare photos from the author's estate./div/div

**Moses** Howard Fast, 2011-12-13 The epic life story of Moses, from orphan child to leader of the Israelites, from the New York Times–bestselling author of *Spartacus*. In *Moses*, Fast breathes new life into the legendary story of the infant found among the reeds of the Nile. From Moses's adoption into the home of Pharaoh Ramses II, to his upbringing in Egypt's royal court, to his controversial support of monotheism and eventual leadership of a nation, *Moses* is a stunning look at the life of one of world history's most celebrated men. This ebook features an illustrated biography of Howard Fast including rare photos from the author's estate.

*Citizen Tom Paine* Howard Fast, 2011-12-13 The New York Times bestseller that's "so glowingly human a picture of Tom Paine and America in the revolutionary days" (The New York Herald). Thomas Paine's voice rang in the ears of eighteenth-century revolutionaries from America to France to England. He was friend to luminaries such as Thomas Jefferson, Ben Franklin, and William Wordsworth. His pamphlets extolling democracy sold in the millions. Yet he died a forgotten man, isolated by his rough manners, idealistic zeal, and unwillingness to compromise. Howard Fast's brilliant portrait brings Paine to the fore as a legend of American history, and provides readers with a gripping narrative of modern democracy's earliest days in America and Europe. This ebook features an illustrated biography of Howard Fast including rare photos from the author's estate.

*Conceived in Liberty* Howard Fast, 2011-12-13 A stunning novel of American revolutionaries battling the brutal winter at Valley Forge—from the "literary phenomenon" and author of *Spartacus* (The Guardian). General George Washington's twelve

thousand soldiers march into Valley Forge, Pennsylvania, under-fed and under-clothed, their frozen feet leaving bloody tracks in the snow. Shortly after the soldiers establish quarters for the cold months ahead, disease begins to rip through the camp. The men, helpless against sickness and despair, are facing the longest winter of their lives—and their survival will determine the fate of their young nation. Passionate and unforgettable, *Conceived in Liberty* is one of Fast's rawest accounts of the brutality of the Revolutionary War, and of the heroism of its soldiers. This ebook features an illustrated biography of Howard Fast including rare photos from the author's estate.

The American Howard Fast, 2011-12-13 The #1 New York Times-bestselling author of *Spartacus* reimagines the life of John Peter Altgeld, a courageous politician and forgotten national hero. Though Abraham Lincoln is often considered the United States' most legendary politician, he wasn't the only country lawyer out of Illinois to change the face of the nation. John Peter Altgeld fought for Lincoln as a foot soldier in the Union Army, then followed in his footsteps from law to politics, eventually becoming governor of Illinois in 1896. Howard Fast's dazzling fictional account of Altgeld's life offers an inspirational example of a man who made great sacrifices for quintessentially American ideals. Inspired by Altgeld's social reforms, such as his fight against the dehumanizing economic injustice of the Gilded Age and his trailblazing implementation of some of the nation's first child labor laws, Fast celebrates the compelling life of an unsung American luminary. This ebook features an illustrated biography of Howard Fast including rare photos from the author's estate.

**Spartacus** Howard Fast, 2015-04-15 The best-selling novel about a slave revolt in ancient Rome and the basis for the popular motion picture.

**The Hessian** Howard Fast, 2015-02-24 Fast is always a wonderful storyteller, and the story is a good one. ... Entertaining and memorable. -- Library Journal

**Electronic Media Criticism** Peter B. Orlik, 2008-11-19 *Electronic Media Criticism* introduces readers to a variety of critical approaches to audio and video discourse on radio, television and the Internet. The book applies key aesthetic, sociological, philosophical, psychological, structural and economic principles to arrive at a comprehensive evaluation of both programming and advertising content. It includes numerous critiques to illustrate the ways in which critical expression can be structured, providing readers with feasible and flexible tools for focused and rational analysis of electronic media product as well as enhanced understanding of the role and essential ingredients of criticism itself. These insights range from the perceptions of Plato and Aristotle to the research that motivates twenty-first century marketing and advertising.

## The General Zapped An Angel Introduction

In today's digital age, the availability of The General Zapped An Angel books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals.

With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of The General Zapped An Angel books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of The General Zapped An Angel books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing The General Zapped An Angel versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, The General Zapped An Angel books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or

someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing The General Zapped An Angel books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform

for The General Zapped An Angel books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, The General Zapped An Angel books and manuals for download have

transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of The General Zapped An Angel books and manuals for download and embark on your journey of knowledge?

### **FAQs About The General Zapped An Angel Books**

1. Where can I buy The General Zapped An Angel books?  
Bookstores: Physical bookstores

like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.

2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a The General Zapped An Angel book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.).
