My Story of Us: Grayson SmartyPants Romance, Chris Brinkley, 2023-11-17 Love can appear at the most unexpected times. Grayson is hiding from the world when she finds him. Now, he can't imagine his world without her. Is her love and support enough to help him rediscover his true self, or will he remain trapped in a life of unfulfillment? *My Story of Us: Grayson* is the third narrative in the *Story of Us* collection, modern love stories written as intimate correspondence from a man to the woman he's falling for. Written and performed by Chris Brinkley, these stories are best experienced via audio.

Taylor Swift: The Stories Behind the Songs Annie Zaleski, 2024-09-24 From her humble beginnings as a teenage country singer to her record-breaking Eras Tour, Taylor Swift's career is incomparable both in her mastery over multiple genres and the pure scale of her fan base and success. By weaving effortlessly through country, rock, pop, indie, and folk music, Swift has created a style of her own. [This book provides] a comprehensive review of her entire songbook to date, covering all eleven studio albums and more than 200 songs that tell a dramatic story of life, love, and triumph--

The Literary Taylor Swift Betsy Winakur Tontiplaphol, Anastasia Klimchynskaya, 2024-10-17 Taylor Swift, arguably the most prolific and acclaimed singer-songwriter of the 21st century, has shaped her listeners' collective consciousness and challenged her industry's often limiting attitudes toward genre, revision, and collaboration. Although Swift is a perennial subject in the media, cast in both a positive and a negative light, few professional scholars have considered her ever-growing body of work. *The Literary Taylor Swift* examines Swift's significance and timeliness through literary analysis and theory. Taylor Swift has been celebrated for her ability to craft immersive narratives and to articulate, with lyrical acuity, a broad range of emotional experiences, and her lyrics underscore her profound relationship with text. *The Literary Taylor Swift* explores Swift's engagements, intertextual and otherwise, with literature and treats her songs as literature-as, that is, stories, poems, and other textual forms to which literary-critical theories and methodologies can and should be productively applied. This collection offers carefully curated arguments constellated around four key relationships: Swift and the literary-historical canon; Swift and the language of gender and sexuality; Swift and the relationship between writing and memory; and Swift and the nature of literary craft.

The Words and Music of Taylor Swift James E. Perone, 2017-07-14 This scholarly analysis of the music of Taylor Swift identifies how and why she is one of the early 21st century's most recognizable and most popular stars. By the age of 13,

singer-songwriter Taylor Swift had already inked a development deal with a major record label. This early milestone was an appropriate predictor of what accomplishments were to come. Now a superstar artist with an international fanbase of millions and several critically acclaimed and commercially successful albums, Swift has established herself as one of the most important musicians of the 21st century. This accessible book serves Taylor Swift fans as well as students of contemporary popular music and popular culture, critically examining all of this young artist's work to date. The book's organization is primarily chronological, covering Taylor Swift's album and single releases in order of release date while also documenting the elements of her music and personality that have made her popular with fans of country music and pop music across a surprisingly diverse age range of listeners. The chapters address how Swift's songs have been viewed by some fans as anthems of empowerment or messages of encouragement, particularly by members of the LGBTQ community, those who have been bullied or been seen as outsiders, and emerging artists. The final chapter places Swift's work and her public persona in the context of her times with respect to her use of and relationship with technology—for example, her use of social media and songwriting technology—and her expressions of a new type of feminism that is unlike the feminism of the 1970s.

Taylor Swift for Adults Kev Nickells, 2024-07-30 Taylor Swift for Adults is a tantalizing opening salvo in Swiftology - the study of the work of Taylor Swift. While Swift's private life has been covered to death, her talent as a lyricist has rarely been analyzed. Until now. Swifties are well aware that she's a lyricist par excellence but this book makes that case to the unbelievers. Swift's gift as a songwriter is not merely sentimentality and circumstance - and this book takes a deep look at her 10 albums to isolate what makes her a beloved lyricist for millions. Any serious study of a lyricist or poet needs to establish what are the tropes, the patterns, and the style of that artist, and this book does precisely that. With careful attention to poetic detail, the scansion, flow, and form of her writing, this brings out those details that pass by in a flash on the radio, bringing them fully into focus. Many have made the argument that Swift is a gifted lyricist - in online forums and YouTube comments - but this is the first time in writing those arguments have been given shape and serious attention. It's a book aimed at adults but not po-faced bores - taking a subject seriously can also mean laughing at swearwords and sex metaphors. Rather than po-faced and straitened, this is a lightly witty book expressing, at its core, a deep affection for this generation's favorite songwriter.

Taylor Swift and Philosophy Catherine M. Robb, Georgie Mills, 2024-10-01 Is Taylor Swift a philosopher? What can her songs tell us about ethics and society? What is the nature of friendship? Should you forgive someone for breaking your heart? Taylor Swift is a “Mastermind” when it comes to relationships, songwriting, and performing sold-out stadium tours. But did you know that Taylor is also a philosophical mastermind? *Taylor Swift and Philosophy* is the first book to explore the philosophical topics that arise from Taylor Swift’s life and music. Edited and authored by Swifties who also happen to be philosophers and scholars, this fun and engaging book is written with general readers in mind—you don’t have to be a devoted fan or a specialist in philosophy to explore the themes, concepts, and questions expressed in Taylor’s songs. Presenting top-tier research and new perspectives on important contemporary issues, twenty-seven chapters discuss the philosophical contexts of Taylor’s work, such as the ethics of reputational damage, the impacts of first impressions, the moral obligation to speak out against injustice, and much more. *Taylor Swift and Philosophy* is a must-read for Swifties who want to deepen their appreciation and understanding of Taylor’s work, as well as for philosophy students and scholars with an interest in popular culture and media studies.

The Story of Us Olivia Levin, 2026-04-14 We’ve had the time of our lives as Swifties, and now that story—full of joy, friendship, connection, clowning, and singing at the top of our lungs—is documented in this tribute to the fandom and the reason we’re all here, Taylor Swift. We all know how it started: a teenage girl from Pennsylvania moved to Nashville and soon rose to the top of the country music charts. This is where Taylor Swift’s story started in 2006, but it’s also where our story, as Swifties, began. *The Story of Us* is a heartfelt journey through Swiftie history, capturing the evolution of a fandom that has stood the test of time. Told through the lens of personal experiences, this book chronicles the rise of a fandom that has remained fiercely loyal through every era. From calling radio stations to request “Tim McGraw,” to those unforgettable moments on Tumblr when Taylor and fans felt like friends, to surviving the Ticketmaster war—we’ve been there. We’ve learned life lessons, traded friendship bracelets, mastered time zone math to tune into live streams, and created a language only another Swiftie—or Taylor herself—could understand. But beyond all of these shared moments, what truly binds us is how Taylor’s lyrics feel like they were written just for us—like reflections of our own stories. This passionate and unique fandom has won awards and been intensely studied, but for the first time, fans can reminisce and celebrate what it means to be part of this life-changing community. A love letter written by a Swiftie, for Swifties, *The Story of Us* ensures that our story will never be forgotten.

'Tis the Damn Season Kimi Freeman, 2023-10-24 Told in a dual timeline and inspired by the Taylor Swift song of the same title, *'Tis The Damn Season* is a charming new contemporary romance destined to break your heart and put it right back together. A Hollywood starlet caught in a scandal. The boy she never got over. A Christmas season they’ll never forget... Aspen Moore is living proof that money doesn’t buy happiness. At twenty-three years old, the singer-actress has it all. Fame.

Fortune. Her own headlining tour. And yet something—or someone—is missing. When a scandal rocks Aspen's carefully constructed Hollywood life, she's forced to return to her Pennsylvania hometown, where she reconnects with her first love, Roman Torres. Aspen knows they must keep their relationship strictly platonic. This game of push and pull, catch and release she plays with Roman is bad for her. She's not staying in Fertsville, and he's not moving to LA. But their chemistry is undeniable, and amidst rumors and drama, the bright lights of Hollywood begin to pale in comparison to the dark brown eyes she fell in love with all those years ago. Could Aspen be willing to give up everything she's ever wanted for the best thing she's ever had?

Taylor Swift: Era by Era Caroline Sullivan,2024-06-06 A sparkling, celebratory biography of Taylor Swift, from her early days to the incomparable Eras Tour.

Better Man Bruce Langdon,2024-04-10 BETTER MAN describes one man's journey through romantic relationships. The author navigates college as a gay man, then graduate school, and then present day as a practicing licensed clinical mental health counselor. This book is a story about love, heartbreak, and the difficult lessons learned while traveling the treacherous road of dating. Striving to become a better man, the author learns about his own values, what he's looking for in a partner, and that sometimes the bravest thing you can do is run. Getting through breakups, navigating partners with differing values, and having the realization that just because sparks fly when you meet doesn't always mean it's meant to be--these are just a few of the harder truths the author learns along the way. BETTER MAN is a firsthand account of three major relationships told through the eyes of the author as he experienced them. There's a shift in perspective from one's early twenties into their mid-thirties. Realizations are made, and past experiences are seen with a newly discovered clarity. As the author gets further in his study of psychology and gains a greater understanding of things like communication and what it means for a relationship to be healthy, his relationships continue to grow increasingly toxic. Will he throw in the towel and simply decide it's best to assume he's had his last kiss? Or dust himself off and begin again? Let's hope there's a hopeless new romantic on the other side of the door. So now, on to the story of us...

Couture Love MJ Fields,2019-05-31 What happens at De La Porte's annual Labor Day weekend party in the Hamptons—never stays in the Hamptons. After my marriage to my high school sweetheart ended, I made a list of all the things I “desired” the next time around. After all, marrying for love had failed me. One year single, and I had all the love I needed in an amazing career and great new friends — the ex got the old ones in the divorce. I was only lacking in one department ... Hot, passionate sex -Taller than me -Fit, bulging, biteable arms -Six-pack abs -Suit and tie -Chiseled features -Tattoos - Gentleman on the streets, freak between the sheets -Oral AF -Smells delicious -Gives me chills -Can buy the occasional meal out -Not an employee of De La Porte That's it. That's all I wanted. Easy, huh? WRONG! Have you ever tried online dating? Shit. Show. No one's honest or up front, and when you are, they slither back into the dark hole they momentarily climbed out of to rub one out. Standing at the bar with my best friend, the weekend of our annual Hamptons company getaway, a man who checked all my boxes magically appeared. I will admit it was the best weekend of my life ... Until I found out he was still in college ... and that his father was on the board of trustees.
