

Under The Blood Red Sun

Emily Cousins, Amy Mednick, Meg Campbell

Under the Blood-Red Sun Graham Salisbury, 2014-09-09 Tomi was born in Hawaii. His grandfather and parents were born in Japan, and came to America to escape poverty. World War II seems far away from Tomi and his friends, who are too busy playing ball on their eighth-grade team, the Rats. But then Pearl Harbor is attacked by the Japanese, and the United States declares war on Japan. Japanese men are rounded up, and Tomi's father and grandfather are arrested. It's a terrifying time to be Japanese in America. But one thing doesn't change: the loyalty of Tomi's buddies, the Rats.

Under a Blood Red Sun John J. Domagalski, 2016-11-30 The author of *Into the Dark Water* "balances scholarly research with accessible storytelling" to tell the heroic WWII account of Torpedo Boat Squadron 3 (Midwest Book Review). During the opening days of World War II in the Pacific, a small group of American sailors in the Philippines were propelled into the forefront of the fighting against the navy and air power of Imperial Japan. They were manned with six small, wooden PT-boats and led by a courageous, larger-than-life character in Lt. John D. Bulkeley. As America's defense of the Philippines crumbled under the weight of a massive Japanese assault, the courageous activities of Bulkeley's Torpedo Boat Squadron 3 made headlines across the United States—often as the only good news coming from the bleak Pacific front. The unit achieved everlasting fame by evacuating Gen. Douglas MacArthur from the front. Then, the squadron continued to fight on until all six of its torpedo boats were lost under fire. The fate of the doomed American defenders was sealed when the Japanese won the battle for the islands in the spring of 1942. The exploits of the unit were immortalized in the blockbuster 1945 movie *They Were Expendable*, starring John Wayne and Robert Montgomery, but since then, the saga of Bulkeley and his men has slipped into history. *Under a Blood Red Sun* revives the story of the Philippine PT-boats through the intertwined accounts of Bulkeley and his subordinate officers and men. It is a story of the courage and sacrifice of men thousands of miles from their homeland, representing American gallantry and fighting prowess, giving the Japanese a taste of what was to come their way.

Many Peoples, One Land Alethea K. Helbig,Agnes Perkins,2001 Celebrating the wealth of quality multicultural literature recently published for children and young adults, this valuable resource examines the fiction, oral tradition, and poetry from four major ethnic groups in the United States. Each of these genres is considered in turn for the literature dealing with African Americans, Asian Americans, Hispanic Americans, and Native-American Indians. Taking up where their earlier volume *This Land is Our Land* left off, Helbig and Perkins have teamed up once again to identify and expertly evaluate more than 500 multicultural books published from 1994 through 1999. Both considered authorities in the field of children's literature, the two of them personally selected, read, and evaluated all the books included here. Their insightful annotations help readers carefully consider both literary standards such as plot development, characterization, and style, as well as cultural values as they are represented in these cited works. Each entry also indicates the suggested age and grade level appropriateness of the work. With the proliferation and ever increasing popularity of multicultural literature for children and young adults, this sensitively written volume will serve as an invaluable collection development tool. Teachers, as well as librarians, will find the comprehensiveness and organization of this bibliography helpful as a guide in selecting appropriate materials for classroom use. Even students will find this book easy to use, with its five indexes identifying works by title, writer, illustrator, grade level, and subject. Public libraries and school media centers will find much use for *Many Peoples, One Land*.

VOYA Reader Two Mary K. Chelton,Dorothy M. It takes an interested look at diverse ways of including teenagers in the challenging, modern, informational environment, and providing them with the attention and intelligent relationships that they need and deserve.
