**Vivaldi in the Dark** Matthew J. Metzger,2013-12-01 Out-and-regretting-it comprehensive attendee Jayden Phillips turns his cast-iron plans for life upside-down by falling in love with private-school violinist Darren Peace, a sardonic boy with the craziest hair Jayden's ever seen. But all is not what it seems, and Jayden's bullying problem becomes meaningless when he is confronted with what the music does to Darren. How do you stop a dangerous depression rooted in the same thing that makes someone what they are? Dark moods, blank apathy, and the undertow of self-loathing all simmer beneath Darren's dry and beautiful veneer, and Jayden feels powerless to stop them. Then a mugging gone wrong takes the music forcibly away, and Jayden is finally given the chance to change Darren's life -- and, quite literally, his mind.

But all is not what it seems, and Jayden is confronted with a dangerous depression that has brought Darren to the edge more than once, and undoubtedly will again. The Devil's Trill Sonata: Jayden is going to university. Dream-chasing and distance have Jayden thinking a break-up with his boyfriend is inevitable --

but they've weathered worse storms, right? Wrong. As their relationship fractures, Darren's depression strengthens -- until one night, a rejected call, and drastic action. Too late, Jayden learns where his heart truly lies. The dream is over -- and the reality is far, far worse. Rhapsody on a Theme: Their relationship has been repaired since Darren's overdose, but Darren has not. When two attempts at medication fail badly, his partner Jayden fears that the end of this depression will only come with the end of Darren himself. Until Darren is asked to play at Ethan's upcoming wedding. As Darren slowly returns to the music that never quite left him, the shadows finally begin to fade.

**Action Cinema Since 2000** Chris Holmlund, Lisa Purse, Yvonne Tasker, 2024-05-16 Action Cinema Since 2000 addresses an increasingly lively and evolving field of scholarship, probing the definition and testing the potential of action cinema to reframe the mode for the 21st century. Contributors examine a broad range of content, from blockbusters to smaller independent films, originating from China, Korea, India, France, the USA, and Mexico. Ranging from JSA: Joint Security Area (Gondonggeonygbi guyeok) (2000) to Polite Society (2023), they consider the changing modes of action cinema, with streaming assuming global importance and an ever-increasing number of generic blends. They consider under-explored areas of action film, particularly how race, ethnicity, gender, and age figure in narratives and through image and soundtracks. Overall, the book demonstrates how 21st century action cinema engages with and reflects geopolitical, creative, and industrial developments. Contributors argue that it continues to offer fantasies of empowerment and mobility that say much about how power is understood in diverse contexts today.

**Winter Bayou** Kelly Sullivan, 2004 'Each time we lay down together, I thought of pounding fetlocks, the flex of tendons, the press of horse shoe against my chest, the ring of purple flesh it would leave on my stomach, his galloping, galloping into me ... Each night, after, I filled the space we'd made with the whine and later the voice of the violin, my voice, coming quicker and quicker, my fingers finding the notes through his hair, quicker and quicker through my bow arm sweeping across the strings, down the flutes of muscle on his back. It came mellow and low then quicker and harder and pizzicato and striking each note, forcing it from the wood and into the still sycamores, pin oaks, maples. Always, the violin called between the spaces.' In this stunning fictional debut Kelly Sullivan explores of the inner life of Grace: mother, wife, and talented violinist. Finding release only in her music, Grace exists in a state of profound emotional paralysis, until the storm. 18 August 1969 - Hurricane Camille ravages all that lies in her path; at a party in Mississippi drunken revellers eagerly await her arrival. As

they sway to the sound of a stereo hi-fi, outside 'the trees whip by and the rain whips down'. Twenty-four people die inside the beachfront building when it's razed 'flatter than a winter bayou'. Speeding over drifting sand, Grace, her husband and his newly acquired lover make a last-minute dash to safety. In the days that follow, Grace surveys the destruction wrought by the tempest. Like the wood of her beloved violin, her fractured ego risks crumpling under the pressure: 'Too much moisture and you're gonna warp her, but too little and you'll have more cracks, ' the violin repairman had warned. In Winter Bayou, Grace journeys through the past, from the heady rush of teenage love to a marriage 'ripped apart too ... shredded and pushed beyond our boundaries' - her meditations forming a perfectly poised novella as lyrically tender as it is viscerally sensuous.

**The Encyclopedia of Best Films** Jay Robert Nash,2019-10-23 This all-inclusive A-Z encyclopedia by one of the world's foremost experts on cinema provides comprehensive annotations of the best films produced from 1914 on. The work offers more than 5,000 three- to five-star entries (three stars=good; four stars=excellent; five stars=masterpiece), and yes, author Jay Robert Nash has viewed every single one of them as well as many more that did not make the cut. In addition to a precis, each film's entry also includes a listing of the cast as well as the key principles involved in production, from the director to the hair stylist. Especially unique to this book is a rating system that helps parents determine whether or not a film is appropriate for their children. Unlike the industry rating system which can be influenced by studio lobbying, Nash objectively evaluates each film and confers upon it one of four recommendations for viewing: recommended, acceptable, cautionary, and unacceptable. Backmatter includes a list of top films by genre (i.e. animated, drama, sports, mystery, adventure etc.) as well as an annotated name index listing all persons mentioned along with their dates of birth and death. Rounding out this essential volume for the film buff are over 500 still photos from the author's private collection.
