This Isn't A Textbook Kelvin Giles,2014-11-07 This book takes a personal look at aspects of sport and life from the perspective of Kelvin Giles, a teacher, coach and parent. Kelvin's working life has seen him work with Olympic athletes over 6 Olympic cycles; championship winning Rugby League teams and as a manager in elite High Performance Institutes. The anecdotes and commentary from the 40+ year adventure he has undertaken is presented here in a series of quick-fire statements and observations. Some text is taken directly from communications with organisations, colleagues, athletes and friends. Other comments are from people admired and followed by the author and presented as their quotes. There are educational passages coupled with more irreverent dialogue centred on some of today's critical questions in our culture.

My Seven Dinner Guests Robert Dickson Martin,2010 If you could host a special dinner and invite the seven people who have most influenced your life, who would you choose? In this book, Bob Martin has picked the seven dinner guests who guided him through a process of death and rebirth - literally. At age 75, Martin died of a heart attack and was brought back to life. The experience had a profound effect on him, inspiring him to share his story of renewal and faith. Through poignant anecdotes and touching tales of love, success, and joy, readers will learn that love truly equals wealth and that sharing your life with others is the greatest gift you can give. Bob Martin was born in 1929 in the midst of the Great Depression. After retiring from his job as a college teacher, he worked with intellectually handicapped adults. He has been writing for more than 20 years and finds inspiration in his life experiences. In his first book, *The Specialist Chick Sexer*, Martin shares his experiences working on a poultry farm as a young adult. The book has sold in 44 countries. He now lives in Australia with his wife Marlene, his son Matthew and his son's fiancée Carmelina.

Screen Idol Elle Rush,2014-02-10

Hollywood to Olympus 5 Book Box Set Elle Rush,2019-02-20 Get all five Hollywood to Olympus romances in one great set. Screen Idol If actor Chris Peck plays his cards right, acting as the slave-for-a-day could earn him the leading role in an upcoming movie, but the winner wants nothing to do with him. Sydney Richardson should have locked the door when a Greek god appeared on her front step at sunrise. After months of work to ensure her fundraiser goes off without a hitch, she can't afford to waste time with a TV hunk, no matter how good he looks in a toga. Chris is captivated by Sydney and he promises to put her charity efforts over the top. However, just when he convinces Sydney they could have a real chance together, the

movie's producers offer him an audition that means leaving Sydney in the lurch. The king of the gods has until sunset to prove to his new off-screen love interest that Hollywood magic and true-life romance can co-exist. Drama Queen Layla Andrews isn't really a bitch – she just plays one on television. For the last year, she's acted like one while she was forced to serve probation for something she didn't do. Now she's done her time and she's ready to start living again. Russ Vukovich, the show's fight coordinator, had been attracted to Layla since the first time he saw her, but as they gets closer, he also sees more of what she hides beneath the mask she wears. As Layla and Russ try to navigate their new relationship, families, danger, and secrets work against them at every turn. Can they find a true happily-ever-after when they are surrounded by lies? Leading Man Olympus heartthrob Nick Thurston is a leading man with a problem. His new play opens in a month and when it comes to the pivotal waltz scene, he can't lead. Ashleigh Jessup needs to find a new building to take her booming dance studio to the next level. She doesn't have time for a private student, but she'll make an exception to earn extra money for her down payment. Things heat up on the dance floor and between the sheets, but when past relationships intrude on the present, Nick and Ashleigh must decide if their future is worth a fight. It Girl Sean Glenn fell for Caitlin the first time he saw her, almost a year ago. Now that the rising star is working on his show, he could finally have a shot with her, if it weren't for his well-known history as a player. Entertainer Caitlin Kelly has spent the last decade taking every job she could get. When her new role on a hit show brings fame and a potential real-life love interest, she has to make some serious choices about her priorities. While Caitlin is torn about decisions the spotlight forces on her, especially those regarding Sean, the actor is suffering his own problems with stardom. Sean finds himself in a stalker's sights, and the safest place for Caitlin may be far away from him. Is love strong enough to keep them together? Action Hero Nobody in Hollywood takes cable television star Glinda Crawford seriously, and that's not going to change with her next movie, which has descended into a cheesy flick about rabid, cyborg, panda assassins. Mike Mosley has leveraged his teen-age TV heartthrob days into a successful adult acting career, but the first week on the set of his new movie with his Olympus co-star Glinda has him second-guessing everything: his plans, his single status, and just how dangerous robot pandas can be. When script shenanigans spill into the real world, the attraction Glinda and Mike have been faking turns into a hot, real-life adventure. If they can survive this movie, they can survive anything together. However, the shocking finale surprises them both.

Healing Heather Tinsley Sellers,2018-07-20 She's going 120mph in a 65 zone—and if driving even faster could change history, Professor Heather Harris would floor it. She's on a collision course with Sergeant Brian Daniels, a state trooper

determined to slam the brakes on his own heartache. In one short year, Heather Harris has lost it all: her family, her fiancé, her home, her job. Everything but her pride—and her unmistakable purple muscle car. Summer break at the lake cottage she inherited from her grandparents should provide the solitude and reflection she craves, but she soon finds that no matter where she goes, there he is—the state trooper whose passion for fast cars won't stop him from enforcing the speed limit. Brian Daniels embraces his small-town, slow-paced, lakeside life. After years of heartbreak at the hands of his first love, he's finally free. A gorgeous brunette—fast-driving and karaoke-singing—physics professor offers an exciting diversion. Opposites attract, but the sudden appearance of a blonde on a Harley threatens to throw a monkey wrench in the works. Will the promise of the future be stronger than the pull of the ghosts from his past?
