Wolfelt, 2013-03-01 Experiencing the death of a loved one can often lead to questioning or abandoning one's spirituality, yet in this compassionate book, Dr. Alan Wolfelt explains that the essential need to mourn and question the meaning of life and death is not inconsistent with faith but instead is a reflection of an ongoing and ever-deepening relationship with God. The book explores all types of losses and viewpoints, containing favorite quotations on faith from a variety of religious traditions. It explains that the need to mourn and having faith are not mutually exclusive and are, in fact, both essential components of the journey through grief. **Mother of the Unseen World** Mark Matousek, 2024-03-26 “With a seeker’s profound curiosity, a journalist’s keen eye, and a potent combination of honesty, courage, intelligence, and tender-heartedness, Mark Matousek as written a beautiful book that is at once a spiritual autobiography and an exploration of one of the most mystical beings of our time.” —Dani Shapiro, author of Hourglass Mark Matousek was a nonbeliever when he met Mother Meera in 1985. Yet, in her presence, he experienced inexplicable occurrences that forced him to challenge his worldview. Mother Meera, born Kamala Reddy is believed by her thousands of devotees to be an embodiment of the Divine Mother. But who is Mother Meera, really? Now, in this deeply moving and wise book, Matousek takes us as close as possible to this extraordinary woman. Is divine incarnation truly possible, he asks, as most of the world’s religions insist? Speaking to members of her inner circle, working at her school for the poor in India, and interviewing the elusive master herself, Matousek takes the reader on a mysterious quest into the “unseen world” where the divine and human intersect.

*The Future of God* Deepak Chopra, M.D., 2015-11-10 From the New York Times Bestselling Author. Can God be revived in a skeptical age? What would it take to give people a spiritual life more powerful than anything in the past? Deepak Chopra tackles these issues with eloquence and insight in this book. He proposes that God lies at the source of human awareness. Therefore, any person can find the God within that transforms everyday life. God is in trouble. The rise of the militant atheist movement spearheaded by Richard Dawkins signifies, to many, that the deity is an outmoded myth in the modern world. Deepak Chopra passionately disagrees, seeing the present moment as the perfect time for making spirituality what it really should be: reliable knowledge about higher reality. Outlining a path to God that turns unbelief into the first step of awakening, Deepak shows us that a crisis of faith is like the fire we must pass through on the way to power, truth, and love. “Faith must be saved for everyone’s sake,” he writes. “From faith springs a passion for the eternal, which is even stronger

than love. Many of us have lost that passion or have never known it.” In any age, faith is a cry from the heart. God is the higher consciousness that responds to the cry. “By itself, faith can’t deliver God, but it does something more timely: It makes God possible.” For three decades, Deepak Chopra has inspired millions with his profound writing and teaching. With *The Future of God*, he invites us on a journey of the spirit, providing a practical path to understanding God and our own place in the universe. Now, is a moment of reinvigoration, he argues. Now is moment of renewal. Now is the future.

**Dr. Faith on Faith** Dr. Faith E. Hartie, 2021-07-26 *Dr. Faith on Faith: The Realities* is an inspirational read on the power and the impact of faith in the lives of everyday people and beyond. The focus is how we interact with ourselves during our self-to-self and our self-to-others life moments. The human experiences shared are compelling but still relatable and adaptable for most. The internal, invisible, and foundational faith we inherently possess ignites many psychological and physiological sentiments in us as we proceed to formulate various aspects of our global society here on earth. Numerous challenges of the social, political, economical, and emotional strata perpetuate reactions warranting expressed behaviors of love, devastation, hatred, community, struggle, apathy, empathy, sympathy, tolerance, and indulgence. The human race's prospective on faith's potency and significance in life can undoubtedly influence and or deter one's direction or chosen path of action. Your ideologies, trust, belief, conviction, and confidence serve as the fundamental pillars of your faith indoctrination. Christianity, Catholicism, Judaism, Jehovah, Hinduism, Buddhism, or Islam, the above mentioned and numerous other communities, are true believers in the Higher Power, and the generational doctrines are deeply rooted in the faith practices. Phenomenal acts of faith are recorded in history from BC to AD. Miracles and inexplicable acts that have changed the world are still occurring. Most kingdoms, countries, and continents have been affected and effected by the power and determination of faith warriors and the power of the Almighty. Men, women, boys, and girls around the world are influenced by generational faith practices, religious doctrines, and human interactions. This account of faith power is written to uphold and promote the undeniable strength, capacity, fortitude, sanctity, and gratifying spirituality that your faith provides in each and every aspect of your life. Faith rules!

**Divinely Inspired** Jerry J. Pollock, Jerry Pollock/Shechinah Third Temple, 2009 Since the beginning of time, humans have tried to understand God's Essence. However, not even the most brilliant and enlightened minds among us can comprehend Him because simply put, God is. If we understood the mystery of God, then why would we need to have faith? Perhaps the best we can hope for is to recognize when we are visited by God. We then have the opportunity to bring real change and meaning to our lives. *Divinely Inspired* is one man's story to lift himself out of the despair of Bipolar Disorder, near suicide, migraines, anxiety, neurotic behavior, and scientific cheating to emerge on a path to God. Jerry Pollock's transformation from a damaged and ravaged soul to merging into God's Light, as outlined in *Divinely Inspired: Spiritual Awakening of a Soul*, is seen through unusual miracles of Divine intervention that initiated the author's spiritual journey. Jerry's climbing of the

spiritual ladder is a very gradual and personal process as he tries to improve his flawed character. He comes to realize that God is the master scientist responsible for both Evolution and Creation. As his story unfolds, readers are inadvertently empowered to embark on their own spiritual journey, as best as they can, by adhering to the Creator's original self-help plan, The Ten Commandments. The author contends that the Ten Commandments are the basis for all self-improvement. This memoir represents the author's first steps to stand in God's place of Holiness. His own journey of belonging to God is continued in his new novel, the Messiah Interviews, to be published in paperback form in January of 2009 along with a printing reissue of Divinely Inspired

**Finding and Fostering Faith** Jim Gaven,2018-02-06 In a world that tells us to believe in ourselves and ourselves only, it is hard to believe in something outside. Yet, it is that exact notion which leads us to be the best version of ourselves: Faith. It is believing in what we can't see. It is believing that good things are in our future. Finding and Fostering Faith is a book that follows every letter of the alphabet in a guide to help us get through those tough times where our faith is tested. Dawn of Discovery Douglas C. Myers, PhD, 2014-07-31 Dawn's colorful first light is a testament to new beginnings and perpetual renewal. It is a rousing panorama that beckons to all who treasure hope and its fulfillment. Each sunrise is a pleasant reminder of inspiration's influence on the human spirit when love makes its appearance. Everyone has the inherent right to feel loved unconditionally and be able to love fully. However, not all are able to sip from desire's cup filled with contentment. For many, the obscurity of night is extended without knowing of the dawn's resurrecting influence. Love relies on spirited recovery during the course of an endless journey. Each new dawn faithfully restores hope for the realization of purposeful possibilities during the day that follows. It is an awakening to the restoration of light. The certainty of dawn's repeated triumph over darkness exemplifies love's faithful and trustworthy nature. If sincere affection is a measure of feeling fulfilled, then what is love and how is it realized? Why is heartfelt love difficult to experience or maintain for many? What does it mean to 'fall in love'? What is fear's influence when seeking love's affirmation? These are some of the challenges in comprehending the mystery of love and its reward presented in this writing. The written text identifies what is necessary to feel loved as a child and to love fully as an adult. Requirements for experiencing the fullest extent of love are chronicled in the section 'Requisites Of Love', while also emphasized throughout the narrative presentation. Numerous quoted words and verse by popular persons of accomplishment enhance a seamless narrative progression. Original poems of the author throughout are dedicated to all who cherish the imaginative and sensitive emotion elicited through poetic expression. Each subchapter listing of love's requisites includes such a beginning. The concluding chapter titled 'Exploration and Reward' ends with a novel revelation of adventure and passion. Included in 'Answering Love's Call' is a final poem of desire's accomplishment by the author titled 'Awakening'. (Screen Reader Supported with Enhanced Typesetting) Recommended: This book will challenge you to evaluate and confront your courage on several levels. It will also expose your relationship with fear even if you didn't think you had one. Myers writes about feelings which is desperately needed and rarely understood. Overall, the book gives hope. Hope for our personal journey as well as a parent and partner. It allows us to get unstuck in parenting. This is a writing that 'stays with you', It leaves a mark on your soul. How do I know this? I find myself reflecting on Myers' thoughts and gaining strength to face the future. - Judy Wilde, M.A., Clinical Psychology I recommend this reading to anyone frustrated by fear's influence while desiring heartfelt pleasure in loving. - Lester L Carney, MA, Educator and Counseling Psychologist

World's Greatest Faith Quotes James Alexander, 2011-12-01 Faith: - A complete trust or confidence in someone or something - A strong belief in the doctrines of a religion, based on spiritual conviction rather than proof - A belief that is not based on proof - A belief in anything as a code of ethics or standards of merit - An allegiance to duty of a person - Being sure of what you hope for and certain of what you do not see... However you wish to define 'faith', it is a very personal thing; the force of life, as Tolstoy said. Faith offers with it the comforts of optimism and hope, goodness and light. It's still believing the

best in everyone even when you've seen the worst in some. This collection of faith quotes is designed to uplift and inspire you.
