Gymtherapy Rebekah Pierre,2018-05-11 This highly practical resource introduces the concept of 'Gymtherapy'; a pioneering approach to working with children that uses movement as a means of promoting emotional wellbeing. Gymtherapy brings together the physical and emotional benefits of activity alongside the importance of safeguarding and supporting children, particularly those who are socio-economically deprived or emotionally vulnerable. Written in an accessible and vibrant style, Gymtherapy provides a full programme of lesson plans, structured across five key areas: Identity and Self Esteem, Mindfulness, Anger Expression, Protective Behaviour and Gender Stereotypes. Each lesson plan is based on accessible, tried and tested strategies, and outlines learning objectives, equipment needed and step-by-step instructions for facilitating practical activities. The chapters are illustrated with engaging real-life examples, case studies, survivor stories and tips, while at the same time linking practice to the underpinning social theory. Gymtherapy is an invaluable guide for teachers, social workers, school leaders and anyone with an interest in providing for the welfare and wellbeing of the children they work with.

**The Social Psychology of Tolerance** Maykel Verkuyten,2022-11-29 This highly topical book is the first of its kind to provide a comprehensive theoretical and empirical discussion of the social psychology of tolerance, exploring the importance and drawbacks of a focus on tolerance and discussing how tolerance can be stimulated in a range of contexts. The importance of tolerance for a diverse, equal, and open society is increasingly recognized by social and behavioural scientists. When people are aware of salient differences and disagree about the value of various viewpoints and ways of life, the question of tolerance arises. Not only in relation to religious, cultural, ideological, and viewpoint differences but also concerning everyday things such as annoying habits of one's partner, the views and behaviour of one's children, disagreements at work, and neighbourhood hassles. Verkuyten uses concrete examples to discuss the various reasons for

why tolerance is vital for peaceful communities, especially in our increasingly diverse and polarized world. Providing a thorough examination of the social psychology of tolerance, this is a valuable text not only to social psychologists but to a range of students and scholars in the social and behavioural sciences more broadly.

52 Life-Changing Strategies to Successful Living Kenneth H.B. Adderley,2020-02-17 The idea for 52 Life-Changing Strategies to Successful Living was inspired by my personal experiences: My marriage of twenty-nine years, respective roles as a father and senior pastor, seminar/workshop teacher, conference speaker - and as a coach - empowering young people through the sport of baseball. All my familiarities of life, motivational teachings, and team-building notes were placed in this handy text. 52 Life-Changing Strategies to Successful Living is an easy-to-read, simply written book, yet is profound in its implications. It can be used as a personal weekly devotional, a guide for cell groups, or as a manual for team building and empowerment for employees. The book is a guide to living life's journey successfully. From facing struggles, issues, and problems in life, to overcoming unhealthy relationships and staying focused on our purpose, we are all equipped with the knowledge to solve life's problems and are uniquely created by God to fulfill our God-Given assignment. This journey encompasses taking life's experiences and turning them into stepping-stones of success.

Quotes for Signboards, Marquees, Church Signs, Inspiration, and Reflection Stan H. McCarley,2024-02-02 Character is doing what is right when no one else is looking. Keep your fears to yourself, but share your courage with others. Never put the key to your happiness in someone else's pocket. Quantity is what you count; quality is what you count on. Very few burdens are heavy if everyone lifts. These are just a few of the quotations that I have included in this book. It is a culmination of over four decades of gathering quotes and sayings, noticing church and marquee signs and bumper stickers and, most recently, researching on the Internet. In the preface for this book, I went through and listed quotes that meant a lot to me, but as I look back, I realize that they all mean something to me. I hope that you can use them for motivation, reflection, and inspiration.

*The Diva Principle* Michelle McKinney Hammond,2024-05-14 Deep inside the heart of every woman is a diva just waiting

to be released. It lies underneath all of the other things she has supposedly “learned” about herself—truth, fiction, deception, or just the superimposed bad feelings of others who’ve tried to smother the diva within. Although the word diva now evokes the image of a vain or undisciplined person, author Michelle McKinney Hammond takes diva back to its original meaning. It comes from the word prima donna or “first lady” and was used to describe the principal female singer in an opera or concert organization, who was the best of the best. The *DIVA Principle: Divine Inspiration for Victorious Attitude* shines a spotlight on fourteen women of the Bible who displayed diva-tude, including Deborah from the book of Judges, the Queen of Sheba, Wisdom, Ruth, Jacob's wives Rachel and Leah, Esther, Rahab, and more. In the process, Michelle encourages women to embrace their God-given qualities and assets with the understanding that they are fearfully and wonderfully made. With solid, practical advice, Michelle suggests ways for women to get their head, heart, life, and act together so that they will emerge happy and victorious as divas in the best sense of the word.
