Clinical Oncology and Error Reduction Professor Antonella Surbone, Professor Michael Rowe, 2015-02-06 Clinical Oncology and Error Reduction fills a gap - the lack of a single volume on medical error in the vast field of cancer care - that has existed since a 1999 Institute of Medicine's report introduced the term 'medical error' as a topic for doctors and patients alike. The volume, edited by Antonella Surbone, M.D., a clinical oncologist and Michael Rowe, Ph.D., a medical sociologist, includes chapters written by experts on the topic including physicians, nurses, patients, and advocates, and covers a wide range of topics essential to an understanding of the unique character, challenges, and needed responses to the risk, incidence, and aftermath of medical error in the diagnosis, treatment, and aftermath of treatment for cancer. Clinical Oncology and Error Reduction will serve as the standard for framing the discussion of error in the field for oncologists, epidemiologists, nurses, healthcare administrators, researchers, and scholars. An indispensable handbook for all clinical oncologists, their staff, nurses, and oncology residents and fellows, this book: Contains practical information for immediate clinical application Covers topics such as patient safety, error prevention, quality improvement, errors disclosure and apology, and the impact of errors on patients and doctors Each chapter contains special take home points that highlight issues of particular clinical relevance and application Prepared by an expert, multidisciplinary, international team of physicians, nurses, researchers, hospital administrators, bioethicists, patients and patient advocates Dr. Surbone shared with ASCO Connection her insights about patient safety and medical errors and offered a glimpse into the history that led to this new book: <https://connection.asco.org/magazine/features/opening-dialogue-about-medical-errors>

The 40 Hadith of Imam Al-Nawawi Yahya ibn Sharaf Al-Nawawi, 2018-12-20

An-Nawawi's Forty Hadith Nawawī, 2001

Islamic Law and Muslim Same-Sex Unions Junaid Jahangir, Hussein Abdullatif, 2016-10-03 This book is written with the objective of reasonably addressing the need of Muslim gays and lesbians for a life which involves intimacy, affection and companionship within the confines of a legal contract. Contemporary conservative Muslim leaders unreasonably promote false marriages with straight spouses, failing which they prescribe the "solution" of permanent celibacy as a "test." This book delves into an extensive scholarship on the same sources that conservative Muslim leaders draw on—the Qur'an, Hadith and

jurisprudence. It is argued that the primary sources of Muslim knowledge addressed sexual acts between the same gender in the context of inhospitality, exploitation, coercion and disease, but not true same-sex unions; past Muslim scholarship is silent on the issue of sexual orientation and Muslim same-sex unions. The arguments of contemporary conservative Muslim leaders are deconstructed and the case for Muslim same-sex unions is made based on jurisprudential principles and thorough arguments from within the Muslim tradition.

Rassool examines the concepts of the Fitrah, the Nafs (Self), the Aql (Intellect), the Rūḥ (Soul) the Qalb (Heart), and the concept of Islāmic healing and spiritual interventions. Outlining the challenges and solutions of the development of Islāmic psychology and potential future trends, and including features to aid learning, this is the ideal introductory book for students in Psychology, Islāmic Psychology, and Islāmic Studies, as well as professionals including counsellors and therapists, and anyone interested in psychology from an Islāmic perspective.

Muhammad and Islam Bharat Singh, 2021-04-05 What was so special about Muhammad that caused people to follow him, obey him, and trust him when he declared he was a prophet? Bharat Singh, a retired professor, covers the prophet's extraordinary achievements in this academic work. He examines how in a short period, from the time Muhammad became a prophet to his death, he successfully converted most Arabs and many others to Islam. At the same time, he also established an Arab kingdom and developed a religious doctrine based on Allah's messages and his examples, followed by about two billion Muslims today. In simple language, the author answers questions such as: • What are the doctrines, beliefs, and rituals of Islam? • What is the meaning behind the traditions and practices of Muslims? • How does the Quran shape behavior in daily life, social customs, gender issues, marriage, divorce, legal and illegal sexual relationships, and more? • Why Muslims put faith in the divinely inspired judicial system of sharia instead of laws formed by humans. Knowing the immense curiosity in the west of the violent acts carried by some Muslim groups claiming their actions as jihad sanctioned under Islam, Dr. Singh reviews jihad's doctrine and history. He also devotes a chapter to the jihadi agenda of around last hundred years and prominent terrorist organizations like Muslim Brotherhood, Hamas, Al-Qaida, ISIS, Taliban, and Hezbollah.

40 Hadith of An-Nawawi Prophet Muhammad,2019-03 Imam al-Nawawi's 40 Hadith have come to be known as the most comprehensive, and holistic, compilation/collection of hadith of the Prophet Muhammad (saw) that convey the essence of Islam.Imam al-Nawawi's collection of 40 Hadiths is one of the most important collections of hadiths we have today. He actually compiled a total of 42 hadiths for this collection, not 40. Allah (swt) granted him blessing and success in his work so that he could make great contributions to Islam before passing away at a relatively young age.The Imam was a scholar in many different disciplines of Islamic studies. The vastness of his works in these different areas is so great that if an individual decides to study fiqh, hadith, spirituality, or Quran; one would need to pass through Imam al- Nawawi. Along with the 40 Hadiths, he authored Riyad al-Saliheen, Al-Adhkar, and commentary of Sahih Muslim and Sahih Bukhari.

Finding Jesus among Muslims Jordan Denari Duffner,2017-12-18 Why should Christians engage in interfaith dialogue with Muslims? Does Islam have anything to offer Christians? What is Islamophobia, and what should we do about it? These are just some of the questions addressed in Finding Jesus among Muslims, an urgent new book from author Jordan Denari Duffner. Drawing from church teaching, the stories of saints and martyrs, and her extensive personal experiences living among Muslims in both the United States and the Middle East, Duffner explains why all Christians are called to participate in a “dialogue of life” with Muslims. Her intelligent and fresh approach makes Duffner a welcome voice on some of the most important social and religious questions of our day.

Spiritual Integration in Islāmic Psychotherapy G. Hussein Rassool,2024-12-26 Spiritual Integration in Islāmic

Psychotherapy offers readers a profound exploration of the therapist's inner world and its impact on therapeutic practice. Through introspective reflections and practical insights, readers embark on a transformative journey into the world of an Islāmic psychotherapist, going beyond technical skills and theoretical knowledge by emphasising the character, intention, and spiritual connection of the therapist with God (Allāh). The book introduces the unique role of the Islāmic psychotherapist, discussing their responsibilities, skills, and qualifications. It emphasises the importance of ethical conduct, continuous learning, and self-reflection, recognising the profound influence of the therapist's character, intentions, and spiritual connection on the healing process. It also explores integrating Islāmic principles into therapeutic practice and provides guidance on tailoring interventions to align with the religious and cultural backgrounds of Muslim clients. Real-life case studies, practical techniques and strategies and concrete suggestions for incorporating Qur'ānic verses, supplications, and spiritual practices into therapy are featured throughout. Spiritual Integration in Islāmic Psychotherapy serves as an invaluable resource for Islāmic psychotherapists, empowering them to deepen their understanding of how their religion/spirituality intersect with their clinical work to ultimately better serve their clients.

Treating Addiction from an Islāmic Psychology Perspective G. Hussein Rassool,2024-11-27 This book provides an understanding of behavioural and substance disorders from an Islāmic psychology perspective. Despite the religious prohibitions against the use of most substances, addiction is a significant psychosocial and spiritual problem both in Muslim majority countries and among Muslim minorities. However, many Muslim with substance use disorder have been left to suffer in silence because addictive behaviours are considered taboo. Not only do feelings of guilt, shame, and a fear of being stigmatised and excluded from community prevent many from seeking therapeutic and spiritual interventions, there are also limited culturally sensitive service provisions offering help for Muslims with addictive behaviours. This book will synthesise the body of knowledge of the psychology of addiction from an Islāmic perspectives to foster awareness and understanding of

addictive behaviours to break that stigma. It will also provide knowledge required to respond effectively to Muslim clients that psychotherapists and counsellors might encounter in their clinical practice, presenting a step-by-step application of Rassool's Islāmic Psychotherapy Practice model in working with clients with addictive behaviours. This book will be a valuable read for Islāmic psychologists, psychotherapists, and counsellors, addiction researchers and specialists, and students in these fields.

Evil Eye, Jinn Possession, and Mental Health Issues G. Hussein Rassool, 2018-09-03 Evil Eye, Jinn Possession, and Mental Health Issues raises awareness of the cultural considerations, religion and spirituality involved in the assessment of Muslim patients with mental health problems. The belief that Jinn spirits can cause mental illness in humans through affliction or possession is widely accepted among Muslims, meaning this belief is a crucial, but frequently overlooked, aspect of mental health problems with Muslim patients in psychiatric care. This book explores the nature of such beliefs, their relationship to mental health and the reasons for their importance in clinical practice. The book argues that it is vital to consider mental disorders as a multifactorial affair, in which spiritual, social, psychological and physical factors may all play a role. It suggests differential diagnostic skills may have an important part to play in offering help to those who believe their problems are caused by possession, and provides accessible literature on clinical issues and practice, interventions, management and evidence-based practice to help health workers achieve a better understanding of Muslim beliefs about possession and how to work with patients that hold such beliefs. Evil Eye, Jinn Possession, and Mental Health Issues is an essential manual for mental health professionals, social workers and psychologists. It should also be of interest to academics and students in the healthcare sciences.

Islam and Anarchism Mohamed Abdou, 2022-06-20 'One of the fiercest books I've ever read' - Jasbir K. Puar Discourse around Muslims and Islam all too often lapses into a false dichotomy of Orientalist and fundamentalist tropes. A popular reimagining of Islam is urgently needed. Yet it is a perhaps unexpected political philosophical tradition that has the most to offer in this pursuit: anarchism. *Islam and Anarchism* is a highly original and interdisciplinary work, which simultaneously disrupts two commonly held beliefs - that Islam is necessarily authoritarian and capitalist; and that anarchism is necessarily anti-religious and anti-spiritual. Deeply rooted in key Islamic concepts and textual sources, and drawing on radical Indigenous, Islamic anarchistic and social movement discourses, Abdou proposes 'Anarcha-Islam'. Constructing a decolonial, non-authoritarian and non-capitalist Islamic anarchism, *Islam and Anarchism* philosophically and theologically challenges the classist, sexist, racist, ageist, queerphobic and ableist inequalities in both post- and neo-colonial societies like Egypt, and settler-colonial societies such as Canada and the USA.
