The Lyrics Paul McCartney, Paul Muldoon, 2023-11-07 #1 NEW YORK TIMES BESTSELLER A Washington Post Notable Book Excerpted in The New Yorker A work of unparalleled candor and splendorous beauty, *The Lyrics* celebrates the creative life and the musical genius of Paul McCartney through his most meaningful songs. Finally in paperback and featuring seven new song commentaries, the #1 New York Times bestseller celebrates the creative life and unparalleled musical genius of Paul McCartney. Spanning sixty-four years—from his early days in Liverpool, through the historic decade of The Beatles, to Wings and his solo career—Paul McCartney's *The Lyrics* revolutionized the way artists write about music. An unprecedented “triumph” (Times UK), this handsomely designed volume pairs the definitive texts of over 160 songs with first-person commentaries on McCartney's life, revealing the diverse circumstances in which songs were written; how they ultimately came to be; and the remarkable, yet often delightfully ordinary, people and places that inspired them. *The Lyrics* also includes: · A personal foreword by McCartney · An unprecedented range of songs, from beloved standards like “Band on the Run” to new additions “Day Tripper” and “Magical Mystery Tour” · Over 160 images from McCartney's own archives Edited

and introduced by Pulitzer Prize-winning poet Paul Muldoon, *The Lyrics* is the definitive literary and visual record of one of the greatest songwriters of all time.

Going Down Swinging Billie Livingston, 2010-05-14 A remarkable debut novel and bittersweet tale of the unflinching love and devotion between a mother and daughter. Razor sharp and darkly funny, *Going Down Swinging* chronicles two years in the life of the Hoffmans. Eileen Hoffman has just told Danny, her con-artist lover and father of her youngest daughter Grace, to get out—for good. Once a teacher, Eileen lived a middle-class life, but her taste in men coupled with a predilection for pills and booze has brought her down. Desperate to prevent her family from sinking deeper into poverty, Eileen reluctantly goes on welfare. Eventually she turns to the only friends she has left, hustlers and hookers, to learn how a woman makes fast money, no investment necessary. With Eileen on welfare and her older daughter Charlotte a teenaged runaway, child welfare authorities descend on the Hoffmans. As Eileen trails through several attempts at drying out, the well-intentioned Children's Protection Society finally intervenes to apprehend Grace. With the threat of prolonged separation now a stark reality, Eileen and Grace must rally to confront their demons with grit, determination and humour. Unblinkingly observed and brilliantly written, *Going Down Swinging* is about the powerful bond between mother and child. And with her skilful narrative interplay, Billie Livingston illustrates poignantly how the truth of our stories lies not so much in the black and white, as it does in the grey.

Fab Howard Sounes, 2010-10-26 He is one of the most famous, most wealthy people on the planet, and yet he remains little-known and understood as a personality. At long last, Paul McCartney is the subject of a major, deeply researched, psychologically acute biography. It tells a story that will illuminate and surprise. The publication finds McCartney - who turns 70 in 2012 - revitalized as a performer (touring with a set of mostly Beatles songs) and a man buffeted by profound changes in recent years: the death of his first wife, Linda; the death of George Harrison; a second marriage, to Heather Mills, and its spectacular failure, the fall-out from which is still crashing around him.

concentrated practice on the more usual leaps to and from each new note and instant recognition of random notes. Quickly emulating the outstanding success of the descant tutors, these books are very popular even with those who normally use tutors other than the Enjoy the Recorder series.
