Quotes to Live By Emma Careford, 2015-03-17 Women are strong, powerful, loving, caring, gentle, ruthless. We possess every strength and weakness you can think of. We are mothers, daughters, lovers, wives, sisters. We possess wisdom and wit. And you can see our wit, our wisdom, our capacity for life nowhere better than in these great quotations. 365 of them, split into months and days to live your life by. Inspirational quotes, motivational quotations, mother and daughter quotes, relationships, divorce, men, children; the power of women is served up in these life changing quotations. Racism, freedom, relationships, sex, family, mother daughter relationships and much, much more is covered in the pages of this gem. The first half of this inspirational book deals with family, with relationships, with mothers and their feelings. Agatha Christie on being a mother: "A mother's love for her child is like nothing else in the world. It knows no law, no pity. It dares all things and crushes down remorselessly all that stands in its path. " Jodi Picoult about her mother: "My mother... she is beautiful, softened at the edges and tempered with a spine of steel. I want to grow old and be like her." JK Rowling on the love of a mother: "Love as powerful as your mother's for you leaves its own mark ... to have been loved so deeply ... will give us some protection forever." How about Florida Scott -Maxwell: "No matter how old a mother is, she watches her middle-aged children for signs of improvement." Or Phyllis Diller: We spend the first twelve months of our children's lives teaching them to walk and talk and the next twelve telling them to sit down and shut up. The next 6 months gives you quotes from some of the greatest women that have ever lived. The great poet and advocate of women, Maya Angelou; the wonderful Germaine Greer, Susan B Anthony, Eleanor Roosevelt, Harriet Beecher Stowe, Helen Keller and Rosa Parks. There's a mini biography to go with each one just in case you know nothing about them. Hang your head in shame! My thanks to Wikipedia for the mini biographies. Love quotes from Helen Keller: "The best and most beautiful things in the world cannot be seen or even touched - they must be felt with the heart." Inspirational quotes from Harriet Beecher Stowe; "The longest day must have its close - the gloomiest night will wear on to a morning." Funny quotes from Eleanor Roosevelt: "I once had a rose named after me and I was very flattered. But I was not pleased to read the description in the catalogue: no good in a bed, but fine up against a wall." Quotes about life from Maya Angelou; "I've learned that making a 'living' is not the same thing as 'making a life'" and from Rosa Parks: ". Each person must live their life as a model for others." And on sex and love from Germaine

Greer: "I have always been principally interested in men for sex. I've always thought any sane woman would be a lover of women because loving men is such a mess. I have always wished I'd fall in love with a woman. Damn." These only scratch the surface of the wisdom of women.³⁶⁵ great quotes to live your life by. Writers, artists, business women; women from all creeds, centuries and societies have their say. Oh, there is the occasional quote from a man but don't let that put you off. We do need them sometimes, after all!

Biography of Jodi Picoult (Best-selling Author and Writer of Sing You Home and Lone Wolf) Laura Malfere, 2012-02-29
ABOUT THE BOOK Jodi Picoult's career began with the DC Comics Wonder Woman series, and she has since become one of the world's best known authors. Her first novel, *Nineteen Minutes*, shot to the number one position on the New York Times Bestsellers List when it was published in 2007, paving the way for the impressive body of work that has followed. Picoult was born in Nesconset, Long Island, to two non-practising Jewish parents. Even at a very young age, Picoult demonstrated her love for writing and wrote a story titled *The Lobster Which Misunderstood*. Aged thirteen years old, she moves from Nesconset to New Hampshire and continued to demonstrate her love for writing throughout her high school years. EXCERPT FROM THE BOOK Picoult requested that straps be added to Wonder Woman's bustier, but her suggestion was politely turned down. Picoult then took a different angle to strengthening the character; she chose to endow her with a little more intelligence, and created stories that allowed Wonder Woman to rescue the guys, rather than being helped by them. When she left DC Comics, Picoult felt as though Wonder Woman was . . . headed in the right direction." Picoult's literary successes in novels appeared to dwindle for around a decade after she gave birth, but this was only due to her change in approach to the characters she wanted to represent. Picoult described herself as taking a more maternalistic and empathetic approach to those she wanted to write about, and it was from this point that she began researching her books intricately. Picoult's first heartbreaking novel, *Nineteen Minutes*, tells the story of a child who goes on a nineteen minute rampage with a hand gun, killing his classmates. It was a brave and poignant attempt at capturing the hearts of America, as it reflected events that are rarely, but still too often, broadcast across news channels... Buy a copy to keep reading!

Mystic Peter James Ford,2023-10-19 “Mysticism in Newburyport” is a seven-book series revealing ancient secrets from masters of all cultures along with modern-day breakthroughs by scientists and quantum physicists of our times. These tales began flowing after Peter’s powerful spiritual awakening in Newburyport, Massachusetts. Newburyport is a quaint little, historic seaport on the coast of Massachusetts heading toward New Hampshire. Peter had been sober in the 12-step recovery program for many years and had recovered from his alcoholism. Peter’s love of Nature had brought him to the Newburyport area. This area is rich with Nature’s treasures, Native American Heritage, and many tales from the tall cargo ships of olden days. High Street was lined with homes of these Sea Captains. Peter’s awakening had given him new eyes and new highly evolved senses. Peter was to have powerful past-life experiences with his Mystery Woman guide named Layne. Layne was a mystic who would tell people things about themselves that there was no way she could know. She would look you in the eyes and tell you your deepest secrets. She also knew about the Earth’s electromagnetic grids and helped Peter understand what he was experiencing in Newburyport. Peter’s new heightened senses could feel the electromagnet flow of energy and the convergence right below Market Square in Newburyport. Market Square was one of the crossroads for these powerful electromagnet energies that give life to our planet. Peter was to share the secrets that were revealed to him in his writings.
