Never Give Up Jessica Hannon, 2022-02-23 What if you lost your truth? What if your truth and your story were taken from you? What if you were told what to believe in your story, your truth? *Never Give Up* shadows a teenage girl through her high school journey. For some, the high school years are happy, formative times to look back on fondly. Not so for Jess. It begins innocently enough—girl meets boy—but what follows, she couldn't have seen coming. The next four years will be the toughest, most painful time of Jess's life as she tries to make her way out of an abusive relationship. Let down by the adults in her high school and even by the police, Jess feels like she's got nowhere to turn. I mean not every day is rainbows and butterflies. The inability to escape the abuse leads to mental health complications and forces Jess make choices that will forever change the course of her relationships with her family and the people she cares about, but there is one thing she never does—Jess Never Gives Up. Sure, I have Anxiety and Depression, but that doesn't define who I am. *Never Give Up* is an outstretched hand to those feeling alone and without hope. It shows that there are better days ahead if they *Never Give Up*. It pulls back the curtain on bullying and can shine a light on what can sometimes go on behind the scenes in schools. *Never Give Up*. You are Enough. You are not alone. You are Loved. Never lose your voice. It's okay to make mistakes.

God Never Gives Up on You Max Lucado, 2023-09-12 2024 ECPA Christian Living Book of the Year Winner Ever wonder if you've stumbled one too many times for God to use someone like you? Could you benefit from an encounter with God's unending, unbending, unswerving love and devotion? If your answer is yes, it's time for you to see how God's grace transformed Jacob's life. And if you feel undeserving of God's grace, this book will serve as a refresher course on God's perfect plan to use imperfect people to do great things. *God Never Gives Up on You* is for the strugglers among us and the fumbler within us. For those of us who are part saint, part scoundrel; we mean well, but we don't always do well. We have breakthroughs and breakdowns, often in the same hour. We need no reminder of our failures. But where can we find examples of God's steadfast grace? No one is more suited to help assure you of God's grace than Jacob. He was less a prodigy and more a prodigal. Strong on savvy. Weak on conscience. Jacob took advantage of his famished brother and pulled the wool over the eyes of his dying father, yet God never turned his back on Jacob. And he won't turn his back on you. If you are ready to start counting on God's grace and believe he never gives up on you, this book is for you.

Only Believe and Never Give Up John L. Winright, 2024-10-28 As the saying goes, Life is like a vapor, here today and gone tomorrow. It can be an amazing journey of ups and downs and can also be very challenging at times. Oftentimes, over the years, folks have told me that I should consider writing a book about my life. I pushed the thought aside for a long time, and finally, after turning eighty years old and with much prompting and encouragement, I decided maybe it was time to try my hand at writing my biography. This book is about my life, being born to an ordinary couple in a farming community in Northwest Ohio in 1944, and the changes that began to happen as I became an adult. I have experienced just about everything life has to offer, including love, heartbreak, success, and failure. But through the love of Christ, I survived it all. We serve an amazing God, one who looks beyond our mistakes and failures, past our selfishness and ignorance, and sees our heart. Once a person accepts Him into their life and starts trusting Him in everything, He will always be there to pick them

up, dust them off, and offer them a life full of joy and wonder. And the only thing He asks in return is that we love Him. And through the love of Jesus Christ, His Son, we can know that we have so much more to look forward to one day in eternity with Him. As you read this book, my prayer is that it will touch your heart and influence you in a very positive way and that it becomes just a stepping stone to better things ahead. The key is to only believe, and never give up. In His service, John L. Winright

As Jace's agent, Shaylene Kwak is all business, and isn't about to let her favorite client blow this opportunity. Since their college years, Shay has been immune to Jace's charm and rock-hard body. But long hours in close company have a way of wearing down even the best defenses, and when their platonic teasing turns into serious flirting, Jace and Shay are no longer able to resist what's been right in front of them the entire time. Shay knows Jace's love-'em-and-leave-'em history with women. She's not about to be just another notch in his belt. And it's true, Jace has never wanted more than a one-night stand—until now. This book is dedicated to you Ryan. You are the son of my body I will cherish you now and always. I can't wait to see the wonderful man you will become actually I can wait take your time growing up because I'm cherishing every moment.

NEVER GIVE UP SIMRAN MOMI,2022-01-28 Never give up, these words itself tells us to try hard for things. We should work thoroughly and try to fill the pits of mistakes we have done before. We should become a lofty example for the people so your story can make them have strength to work harder. You should work to cross the hurdle so you can be proud of your decisions. However, never in the process you should hurt someone for your selfishness. Taking decisions that can give your life a whole change should be made with a careful attitude so you don't regret it.

The laws of Human nature Unity of Universal love ,2023-12-22 Introduction A life of Healing, a life of Health, A life worth living is a life of Wealth. I have practiced over 25 years as a chiropractor and I have learned that most people come to me to treat their pain. I'm sure that most doctors and therapists have the same experience, people want to receive a treatment that will cure their illness. As I treat my patients I'm also analyzing how their problem was created. I'm looking at various factors like diet, lack of exercise, injurious repetitive movements or anything else that could provoke the problem. I'm trying to get the patient to take responsibility for their problem and help me with their treatment. It appears that I'm treating their physical illness but over the years I have come to a new realization, that a person's emotional, mental and spiritual side can also affect their health. The reality of the situation is that we can't separate an illness into a physical, emotional, mental or spiritual ailment, because everything works together. I now understand that attitudes play an essential role in our health and wellbeing. Attitudes have characteristics that are physical, emotional, mental and spiritual. In psychology attitudes are labeled as behavioral (physical), affective (emotional) and cognitive (mental). In this book attitudes have a spiritual side as well, attitudes will have a positive spiritual value or a negative spiritual value. Attitudes that bring people together and unite them has an energy with a positive spiritual value and attitudes that are divisive and cause separation has a negative value. If we have attitudes with a negative spiritual energy then they will cause illness; physical illness, mental illness and emotional illness. We need to adopt attitudes with a positive spiritual energy if we want to stay healthy and grow spiritually. Spiritual

growth is there for all of us but we have to make the effort, no one can make us grow spiritually. Looking for someone to cure our ills is a short-term proposition, the long term cure is when we discover what is causing us harm and create a healthy lifestyle. The 7 Laws of Human Nature is a scientific philosophical study into the human consciousness, the 7 chakras and the human aura. We use theories to make sense about what we are observing in life, to explain ideas and interpret facts. The 1st chapter is the Theory of the Oneness of Universal Love, which will present 7 hypotheses. These hypotheses will present facts and suppositions of facts, which will be followed up by a theory. This is all happening on four energy levels; physical, emotional, mental and spiritual. Life on Earth has to have a reason, our lives aren't an accident and this book presents a logical theory on the how and why of life. This is a book on love and how love works in our lives. With Love and Devotion to All

This can bring

Indonesia to its heyday if the demographic bonus can be used properly. Human development and mastery of science and technology, sustainable economic development, equitable development, and strengthening national resilience and governance are the four pillars in welcoming that era. The first pillar, human development and mastery of science and technology, can be achieved by realizing quality education. Unfortunately, many factors cause the low quality of higher education in Indonesia. The skill gap or skill gap is one of the causes of the non-absorption of college graduates into work. As a result, many graduates are unemployed. It was recorded that in 2021 the number of unemployed in Indonesia was more than 8 million undergraduates, an increase of 26.3% compared to 2020. In addition to skill gaps, low communication and problem-solving abilities, lack of science and technology, digital literacy skills, and teamwork abilities are also recorded as obstacles. However, to start that development, college students must improve their thought. They have to know the problem's surroundings and solve it through research. And this book is a compilation of their study through research.

There Is Life After A Death Rev. Cindy Phillips, 2025-05-15 As the title states: "There is LIFE after A DEATH. Learning from and Leaning into Life's Losses (including weight loss)". I'm not just talking about life after death when one goes to heaven but about life after A death here on earth. I talk about all different kinds of deaths. This is not just a physical death. There are many other deaths or losses in our lives such as the death of a dream, health, marriage, empty nest, job, youth, finances, weight, divorce and unspeakable deaths just to highlight a few. I share with my readers the deaths I've experienced during my life time and how God has taken those experiences and used them for His glory. Each loss I experienced was a brick that formed a foundation for my biggest loss, the death of my husband of almost 45 years. In the chapters I include scriptures, stories to illustrate what we go through and practical applications. At the end of each chapter there will be a TAKEAWAY. This is an unusual book in that it is a conversation with my readers. It's real life, where the rubber meets the road.
