Tokyo Geek's Guide Gianni Simone,2017-07-11 Tokyo is ground zero for Japan's famous geek or otaku culture--a phenomenon that has now swept across the globe. This is the most comprehensive Japan travel guide ever produced which features Tokyo's geeky underworld. It provides a comprehensive run-down of each major Tokyo district where geeks congregate, shop, play and hang out--from hi-tech Akihabara and trendy Harajuku to newer and lesser-known haunts like chic Shimo-Kita and working-class Ikebukuro. Dozens of iconic shops, restaurants, cafes and clubs in each area are described in loving detail with precise directions to get to each location. Maps, URLs, opening hours and over 400 fascinating color photographs bring you around Tokyo on an unforgettable trip to the centers of Japanese manga, anime and geek culture. Interviews with local otaku experts and people on the street let you see the world from their perspective and provide insights into Tokyo and Japanese culture, which will only continue to spread around the globe. Japanese pop culture, in its myriad forms, is more widespread today than ever before--with J-Pop artists playing through speakers everywhere, Japanese manga filling every bookstore; anime cartoons on TV; and toys and video games, like Pokemon Go, played by tens of millions of people. Swarms of visitors come to Tokyo each year on a personal quest to soak in all the otaku-related sights and enjoy Japanese manga, anime, gaming and idol culture at its very source. This is the go-to resource for those planning a trip, or simply dreaming of visiting one day!

The Power of Culture Priscilla Roberts,2016-01-14 China and the United States, two massive economic and military powers, cannot avoid engaging with each other. Enjoying what is often termed “the most important bilateral relationship in

the world”, the two sometimes cooperate, but often compete, as their interests come into conflict. Both countries are separated not just by the Pacific Ocean, but also by their very different histories, experiences, societies, customs, and outlooks. Non-governmental, unofficial relationships and exchanges are often as important as formal dealings in determining the climate of Sino-American relations. For several decades in the mid-twentieth century, Chinese and Americans were virtually isolated from each other, trapped in icy hostility. Chinese scholars are now making up for lost time. This assortment of essays, most by mainland Chinese academics and students, focuses upon the role of culture – very broadly defined – in Sino-American affairs. Taking a holistic approach, in this collection over thirty authors focus on such topics as the influence of ideology, the impact of geopolitics, the use of rhetoric, soft power, educational encounters and exchanges, immigration, gender, race, identity, literature, television, movies, music, and the press. Cultural factors are, as the authors demonstrate, enormously significant in affecting how Chinese and Americans think about and approach each other, both as individuals and at the state level.

Manga's Cultural Crossroads Jaqueline Berndt, Bettina Kümmerling-Meibauer, 2014-03-14 Focusing on the art and literary form of manga, this volume examines the intercultural exchanges that have shaped manga during the twentieth century and how manga’s culturalization is related to its globalization. Through contributions from leading scholars in the fields of comics and Japanese culture, it describes manga culture in two ways: as a fundamentally hybrid culture comprised of both subcultures and transcultures, and as an aesthetic culture which has eluded modernist notions of art, originality, and authorship. The latter is demonstrated in a special focus on the best-selling manga franchise, NARUTO.

Comic Book Collections for Libraries Bryan D. Fagan, Jody Condit Fagan, 2011-01-14 This book will help librarians extend literary graphic novel collections to attract a large, untapped group of comic book readers with a sure-to-be-popular comic book collection. Do comic books belong in libraries? Absolutely—as *Comic Book Collections for Libraries* makes very clear. This illustrated guide defines the role of comic books in the modern library, provides a thorough grounding in the subject for beginners, and suggests new ideas for those already familiar with these perennial reader favorites. The book begins by introducing the structure of the comic book, industry players, and genres. The bulk of the guide, however, is comprised of actionable advice on such things as creating and maintaining the collection, cataloging for effective access, and promoting the collection, including how to feature comics with other library materials, such as movies and games. Drawing on the authors' experience, the volume answers numerous other questions as well. How can you tell which titles are age-appropriate for your library? Which titles are popular? How do you include characters that will appeal to diverse reader groups? Complete with checklists and a rich array of examples, this easy-to-use work can make every librarian a superhero.

Otaku 101 HowExpert, Jessica Roar, 2018-02-07 If you're like many people just getting into anime and manga, you may be wondering how to fit the Japanese Otaku culture into your life. This book is specially designed to help you get into the

Otaku Culture in an informative manner. Written by an industry worker and enthusiast, this book is professionally made to give you accurate information about Japanese culture. *Otaku 101: An Introductory Guide to the Otaku Pop Culture, Anime, Manga, and More!* will answer many of the questions that you may have about this unique fandom and what it entails: ● What are the different genres of manga and anime? ● Why does anime only take place in high school? ● How can I prevent a con and not be scammed on collectibles? ● How can I save money anime merchandise? ● What do I need to know before my first Cosplay convention? Everything you ever needed to know to get started as an Otaku is right in this quick and easy-to-read book! Each chapter is dedicated to covering a hot subject that even some of the most knowledgeable fans may not fully know. This book also makes the perfect gift if you're trying to explain Otakudom to a friend or family member! About the Expert Jessica became interested in Otaku culture as a child and even studied Japanese culture during her schooling. As an adult, she works as a professional journalist in both the anime and video game industries. Thanks to this, she has learned a lot about the culture surrounding Japanese media, as well as researched the social aspects of the communities she works with. In her personal time, she help push the communities she loves, and she help others find themselves by experiencing new forms of media. In her spare time, she also likes to partake in the community and enjoys studying different cultures. HowExpert publishes quick 'how to' guides on all topics from A to Z by everyday experts.

Giant-Size X-Men Len Wein, 2021-07-14 Collects *Giant-Size X-Men: Tribute to Wein & Cockrum (2020) #1*, *Giant-Size X-Men (1975) #1*. One comic book changed the face of Marvel Comics forever in 1975! Writer Len Wein and artist Dave Cockrum revamped the X-Men with an international cast including Storm, Nightcrawler, Colossus and Wolverine! This legendary story took fans by storm and set the stage for the X-Men to become the most popular heroes in the Marvel Universe! Now, 36 of Marvel's top artists come together to re-create this epic story, each drawing one pulse-pounding page in tribute to a true Marvel masterpiece! This all-new, all-different tribute is presented alongside Wein and Cockrum's inimitable original — together with behind-the-scenes artwork and more special features — and all on oversized pages that give new meaning to the title “Giant-Size X-Men”!

You Call That Service?, Vol. 2 (light novel) Kisetsu Morita, 2020-03-24 Nothing like a little sibling rivalry! Women want him! Men want to beat him! And Ryouta just wants two minutes to himself... But there's little chance of that happening while he's cursed to be irresistible to the opposite sex—especially when two of the girls fighting over him are Ouka, the ruler of the Sacred Blood Empire, and her little sister, Shiren! What ever happened to the Sacred Blooded being immune to the curse?!

...And why is Shiren such a terrible student? While she's busy trying to improve her grades, Ouka has no trouble swooping in and snatching Ryouta away! Is Shiren in danger of losing her minion to his childhood crush?!

A History of Modern Manga Insight Editions, 2023-04-04 The history of manga is inextricably linked to the social, economic, political, and cultural evolution of Japan. Charlemagne's Months and Their Bavarian Labors Carl I. Hammer, 1997 This essay focuses on two illustrations of the 'Labours of the Months', incorporated into a pair of early ninth century manuscripts containing astronomical and calendrical treatises. They are extremely significant as the first examples of this popular medieval topic. Hammer's work has two objectives: the first section examines the illustrations and their manuscripts from an art and intellectual history perspective, to place the pictures in the context of Carolingian cultural life, and also to determine whether the pictures are anything more than depictions of rural life. The second section aims to place the pictures in a more conventional historical context, suggesting why the manuscripts were produced in that period, who sponsored them, and their programmatic intent. This paper often goes beyond its primary subject to provide interesting insights into Carolingian politics.
