Be Who You Are Jimmy Brandmeier, 2018-07-03 A musician's song for his children is an impassioned call to stay true to yourself—and the basis for this inspiring guide to living authentically. Award-winning composer and musician Jimmy Brandmeier always knew that happiness meant never letting go of your dreams. As his children made their way out of the

nest and into the world, he wanted to make sure they had the same sense of self-direction. So he did what he does; he wrote a song. But his message was bigger than a ballad could hold. Jimmy dug deeper into everything he wanted to impart to his kids, and his song became this uniquely intimate, humorous, and spiritual book. In *Be Who You Are*, Brandmeier offers his children a map to the inner and outer roads of life. He teaches them that the only possible failure is failing to be who you are. No matter how successful your life may look on the outside, your authenticity is what gives your life purpose and meaning. Little did Jimmy know that the message he was so passionate about giving his children is one we all need to hear: *Be Who You Are*—always, no matter what, no matter where.

The Mystery of Christ the Bible Decoded by Neville Goddard Neville Goddard,ALIO Publishing Group,2023-12-16 12 lectures. 12 wisdoms. 12 revelations. Welcome to the great unveiling of the Mystery of Christ, courtesy of one of the 20th century's greatest New Thought teachers, Neville Goddard. It's all about you, because it's all about God, and you are God asleep. Neville is well known as one of the most influential teachers of the Law of Assumption (where one assumes the thing desired in order to bring it about in reality), a predecessor to the Law of Attraction. What's not-so well known, is his status as a metaphysical teacher of biblical principles & scripture. Goddard frequently hosted community gatherings where he shared his knowledge of The Holy Bible, The Word, God, and Jesus Christ. Sometimes controversial, and always impactful, Neville pulled no punches in his candid messages with the intention to inspire every woman and man to seek their own self-liberation, and find Christ from within. Everyone has the same power. Because one has millions does not make him any more a creator than you are. With this collection of teachings, rarely has so much wisdom been rendered this raw and accessible. As one of our greatest modern teachers concerning matters of God, self, and spirituality, Neville reigns as a shining pioneer of manifestation, LOA, and law of assumption. His words have been preserved here, for the deep benefit of all who will receive them. Neville Goddard lectures in this volume: Good Friday The Crucifixion The Bread & the Wine The Mystery Called Christ Who is the Real Messiah? The Only Christianity ...and 7 more Order your copy of The Mystery of Christ today, and verify in your own mind the true identity of the Christ, His relationship to you, and the great destiny in store for all of us!

This is my name forever. By this name I shall be remembered throughout all generations, and besides me there is no other Lord. Jesus is the Lord, your I AMness; your consciousness of being. Joshua is the Hebraic form of our word Jesus and means Jehovah is savior. There is no other Lord than I am. Our God is a God of salvation. To God, the Lord, belongs escape from death. God is buried in humanity to make man a living being. And he will rise in the individual as his own wonderful human imagination.
