I do not know who you are but I am sure you are on this page right now because you are someone who wants more. You are someone who do not settle for average. Excellence then is not an act but a habit - Aristotle What is the #1 delineating factor between the poor and rich, the successful and unsuccessful, the happy and unhappy people? Self-discipline. Think about it. When you're not disciplined about your work/job, you'll stack up work and eventually you'll be stressed out and burnt out. When you're not disciplined about your finance, you'll stack up unnecessary expenses and debt and eventually be financially stressed and burnt out. You get the idea. However, what's the deal with a 365 Days Self Discipline Quotes book? Do you agree that mindset is 80% and the strategies and mechanics are only 20% when it comes to achieving success? You know what I mean. People are always chasing the 20%, the fanciful stuffs, and thinking that ONE big idea is going to get them disciplined. It is however, all the daily reminders, influence and environment that gets people disciplined and committed every single day. I do not know what you are trying to achieve. Maybe it is your desired body, having that six packs you've always wanted. Maybe it is a breakthrough in your business, adding one more zero behind the annual income this year. It doesn't matter. What I know about you, though, is that you are someone who wants more. And that is pretty damn awesome. You want more money, more health, more happiness, more sex, more pleasure, more knowledge and more freedom... and there is absolutely nothing wrong with that. Life is about growing and expanding ourselves. We are either growing a little each day or dying a little each day.
