The Landowners of the Argentine Pampas Roy Hora, 2001-01-04 This is a social and political history of the Argentine landowners, for many decades Latin America's most affluent propertied class. Roy Hora develops a historically based view of how socio-economic and political change affected the landowners and was in turn affected by them between the 1860s and 1940s. He questions the excessively static picture of the landowners of the pampas, which unquestioningly accepts the image of power, lineage, and permanence given by both panegyrists and critics of the estancieros. Dr Hora challenges the view of a powerful, reactionary landed class, dominating the country's history from colonial times to the rise of Peronism in the 1940s. But he also challenges revisionist interpretations which seek to de-emphasize the central role played by the landowning class in the evolution of modern Argentina.

La vida política. Argentina (1930-1960) Luciano de Privitellio, 2015-07-30 Un análisis de la vida política Argentina durante el siglo XX. Un recorrido por un periodo agitado en Argentina. El profesor Luciano de Privitellio explica cómo el fraude electoral ejecutado a gran escala en la segunda mitad de los años treinta provocó una crisis política que se entrama con la aparición del peronismo. La colección América Latina en la Historia Contemporánea es uno de los proyectos editoriales más importantes de las últimas décadas y una aportación original y novedosa a la historiografía sobre América Latina en la que han participado más de 400 historiadores de diversos países. Presenta una visión plural y accesible de la historia contemporánea de las naciones latinoamericanas -incluyendo aquellas otras, europeas o americanas, que más han

aportado a su materialización- y revela las claves políticas, sociales, económicas y culturales que han determinado su trayectoria y el lugar en el mundo que hoy ocupan. Distinciones: Premio de la revista La Aventura de la Historia a la mejor iniciativa editorial

Jurisprudencia y política Joaquín Víctor González, 1914

La trama del juarismo Marina Farinetti, 2020-11-01 A partir de una perspectiva provincial, situada en Santiago del Estero, esta obra aborda la historia política de la democracia argentina iniciada en 1983, una historia marcada por la persistencia del juarismo y su derrumbe en 2004, tradición varias veces conceptualizada como una versión provincial del peronismo que se construyó en torno al liderazgo de Carlos Arturo Juárez y de su esposa Mercedes Marina Aragonés. En esta investigación de Marina Farinetti, el encuadre weberiano que centra la atención en el sistema de dominación provincial condicionado por la situación nacional -en términos políticos, jurídicos y presupuestarios- acuerda particularidades y límites al ejercicio del poder patrimonial. Este libro busca articular el concepto de patrimonialismo con los avatares presentes y pasados de la sociedad argentina en general y de la provincia de Santiago del Estero en particular.

Procesos amplios, miradas locales: una historia de Córdoba entre 1880 y 1955 María José Ortiz Bergia, Franco Reyna, María Belén Portelli, Nicolás Moretti, 2015-07-09 Este libro procura ser una síntesis compleja, y a la vez accesible, de la historia de la provincia de Córdoba (Argentina) entre finales del siglo XIX y la primera mitad del XX. A través del análisis de diferentes núcleos problemáticos -como las transformaciones sociales de la modernización, la emergencia de la cuestión social y la sociedad de masas, la consolidación de un mercado capitalista, el desarrollo del modelo agroexportador y los procesos de industrialización, la construcción democrática y la estructuración del Estado intervencionista, entre otros- se propone una mirada acotada y localizada sobre el espacio cordobés, sin perder de vista contextos más amplios.

La máquina de la corrupción Natalia Volosín, 2019-03-01 En un análisis del pasado y la actualidad, Natalia Volosin, la experta más importante sobre corrupción de la Argentina, descubre cuáles son los orígenes y las consecuencias de un mal que mantiene al país al margen de la ley, y aporta una salida institucional real y posible. ¿Por qué a los argentinos se nos considera corruptos? ¿La corrupción es una excusa de la derecha? ¿Es un mal de la izquierda? ¿Es un rasgo cultural que llevamos en la sangre o responde a fallas estructurales de nuestra democracia? ¿Las empresas son víctimas de los políticos o son parte del problema? ¿Por qué la justicia no lo resuelve? ¿Qué tiene que ver la corrupción con nuestra historia de autoritarismo y subdesarrollo? ¿Cómo afecta a los más vulnerables? En un revelador análisis del pasado y de la actualidad, Natalia Volosin, la experta más importante sobre el tema en la Argentina, demuestra que a la máquina de la corrupción no le importa el modelo económico ni el partido que gobierna. Para la autora estamos, como a fines de los 90, ante una gran oportunidad de atacar en serio un conflicto que no resiste más improvisación ni hipocresía. Para hacerlo, propone reformas institucionales profundas y una salida por arriba de la grieta que vincula la corrupción a los derechos humanos. Es hora de

preguntarnos, de verdad, si queremos seguir viviendo al margen de la ley.

The Socialist Party of Argentina, 1890-1930 Richard J. Walter, 2014-09-10 In the early part of the twentieth century, Argentina's Socialist Party became the largest and most effective socialist organization in Latin America. Richard J. Walter's interpretive study begins with the party's origins in the 1890s, traces its development through 1912, and then offers a comprehensive analysis of its activities and programs during the almost two decades of civilian, democratic government that ended with the military coup of 1930. His aim has been to provide a detailed case study of a Latin American political party within a specific historical context. The work gives particular attention to the nature of party leadership, internal party organization, attempts to win the support of the Argentine working class, party activities in national elections and the National Congress, and internal disputes and divisions. In discussing these topics, Walter draws heavily on government documents, including national and municipal censuses, ministerial reports, and the Argentine Congressional Record. He also makes extensive use of national and party newspapers and journals, political memoirs, and collections of essays by party leaders. Walter concludes that the party enjoyed relative electoral and legislative success because of efficient organization, capable leadership, and specific, well-reasoned programs. On the other hand, it failed to create a firm working-class base or to extend its influence much beyond Buenos Aires, mainly because of its inability to relate adequately to the needs of the proletariat and to the growth of nationalist sentiment. The analysis of these successes and failures also provides an important background for understanding the rise to power of Juan Perón and Peronism.

La fragua y el surco Rodolfo Leyes, 2025-05-06 El trabajo que el lector tiene en sus manos es el resultado de poco más de una década de investigación sobre la formación, transformación e integración de la clase obrera en la historia de la provincia de Entre Ríos. Es un análisis tanto de las condiciones objetivas de vida y de trabajo, como también de las ideologías orientadoras de la acción y las luchas desarrolladas por los trabajadores contra la patronal y el Estado. El período estudiado va desde el inicio y la expansión de la economía capitalista hasta la crisis que determina la expulsión de población provincial en forma permanente. En términos de la historia de la clase, desde su formación, a mediados del siglo XIX, hasta el surgimiento del peronismo. Políticamente, desde Urquiza a Perón. EDICIONES RYR | ARGENTINA Este libro contiene el desarrollo de los siguientes temas, entre otros: •Proletarización y surgimiento de la conciencia de clase en Entre Ríos (1854-1876) •Expansión económica y consolidación de la clase obrera entrerriana (1876-1916) •Origen del movimiento obrero y llegada del socialismo a Entre Ríos (1873-1916) •Auge y declive de las luchas gremiales durante el quinquenio rojo (1917-1922) •Transformaciones del capitalismo y el rol del Estado (1922-1943) •Reconstrucción sindical y acción colectiva en tiempos de crisis (1923-1943) •Participación política obrera y relaciones con el radicalismo (1914-1943) Con este libro conocerá la historia de la clase obrera en Entre Ríos desde sus orígenes hasta el surgimiento del peronismo. ¡Adquiera ya este libro para comprender las luchas sociales y políticas en el contexto del capitalismo regional argentino!

Anuario de la prensa chilena Biblioteca Nacional (Chile),1913 A catalog of books deposited in the library under law of 1872; and, from 1891-1898, books by Chilean authors, or relating to Chile, published in other countries.
