*The Lord's Return* Jesse Forest Silver,1914

**Daniel's Fourth Kingdom** Melvin L. Hawkins LLC,2021-10-28 Although there is broad consensus among Bible prophecy scholars that the times of the gentiles will continue until the return of Jesus Christ, the century-old, traditional interpretation holds that Daniel's fourth, gentile kingdom (the Roman Empire) ceased to exist in AD 476 in the West at Rome and, therefore, must be "revived" politically in the beginning of the seven-year tribulation period. That prevailing viewpoint is obscuring a clear understanding of the continuing existence of the fourth kingdom as well as its fulfillment in history of important prophecies related to the end times. Peters forewarned about this potential interpretation problem in *The Theocratic Kingdom* (1884). *Daniel's Fourth Kingdom*: (1) establishes that the divided Roman Empire still exists today and explains why that fact matters regarding the season of Christ's return; (2) respectfully questions the traditional interpretation; (3) exhorts the church to love not the temporal kingdoms of this world but, instead, to embrace her gospel-inspired, Holy Spirit-empowered, love-driven, apolitical, evangelical mission to share the gospel with all nations while expecting the possibly imminent pretribulation rapture; and (4) invites all readers, believers and skeptics alike, to consider the relevance of the Bible concerning world history, current events, and the future.

*A History of Messianic Speculation in Israel* Abba Hillel Silver,1927 A prominent American religious leader and renowned Hebrew scholar traces seventeen centuries of Messianic dreams and pretenders among the Jewish people. A new preface to the Beacon edition brings up to date his views since the original publication of the book, and includes his comments on the creation of the state of Israel, seen by many as the fulfillment of the Messianic dream.-Publisher.

*Fae's Return: A Fae Fantasy Romance* M. Lynn,Melissa A. Craven,2022-06-30 From USA Today Bestselling Author M. Lynn and Award Winning Author Melissa A. Craven comes an epic fae fantasy romance perfect for fans of Krista Street, Robin D. Mahle and Elle Madison, and Elise Kova. A dangerous voyage. The last hope for a kingdom on the edge of destruction. Tia O'Shea is finally going home. It's all she's wanted since her arrival in the strange land, and yet, leaving

Lenya feels like abandoning her heart and the one who holds it. But all of Lenya is in danger. The fire plains encroach upon their lands, destroying villages and the fae within them. Soon, there won't be anything left of the place she's come to love. Not without the crystals that provide the only magic the Lenyans have. The same crystals that are in short supply. The same crystals that lie in abundance across the four kingdoms on the other side of the fire plains. To reach them, they have to find a way home. And that means traversing the violent maelstrom beyond the Vale of Storms—a voyage no sailor has ever survived and few have attempted. If they stay, they will die. If they leave, they will also likely die, but they have to try. Tia's family awaits her return, but Keir doesn't want to let her go. And the fae of Lenya hope their leaders can conquer the storm and reach the foreign shores in time. Because that's all they have left. Hope. *Fae's Return* is the ninth book in the *Queens of the Fae* series. Prepare to lose yourself in this beautifully wicked epic fantasy world with masterful world building, dark and twisty secrets, lies, powerful magic—and devastatingly handsome fae princes.

*The Secret Princess* Melanie Cellier, 2020-05-22 Princess Giselle is leading her first royal delegation, but everything goes wrong. With her rank and authority stripped away, she's left with only a gaggle of geese. In this reimagining of the classic fairy tale, *The Goose Girl*, the wronged princess must win a deadly game of identities with the fate of kingdoms at stake.

*Holocaust and Return to Zion* Shubert Spero, 2000 The author analyzes the idea of history from both a Jewish and a philosophical perspective, with emphasis on its special significance for Judaism.

*The Experience of Eternity* Jean Dubuis, 2008-01-28 Densely written with 37 illustrations and diagrams, Dubuis presents classical esotericism, alchemy, qabala, and natural magic in a form that allows each person to undertake the road of interior initiation without need of a guru, master, or teacher. Extensive and detailed discussion of the creation of the universe, our place in it, and reason for being are all presented in clear and concise language. Methods given utilize the most nominal tools easily available locally or via the Internet. Among some the the topics addressed are man's inner structures, how to harmonize them, the role of visualization, dream symbols and their use, astrological timing for specific experiences, and how to anchor our inner work into our daily life. -- P. [4] od cover.

**It's the End of the World as We Know It** Richard Bradbury, 2006-06-01 The opening years of this decade have been typified by terrorist atrocities such as 9/11; wars in places like Afghanistan and Iraq; starvation and disease in Africa; natural disasters such as the Tsunami and the earthquakes in Turkey and Pakistan. For the Christian, none of these should be a surprise. They are the 'signs of the times', Jesus himself described events such as these as 'the beginning of birth pangs' which point to His Second Coming. This book has been written as a guide to the end time prophecies in the Bible in order that the reader may understand events such as the Rapture, the Millennium, the judgement of the nations and Israel and decipher mysterious personalities such as the beast, the antichrist and the false prophet as the return of Christ draws near. **A Gift of Misfortune** P Hopkins,2003-08-09 An every day guy and family. The same as everyone else. The same routines and problems, life was normal you might say. But things where about to change. Jason was being called back to a place his family had no idea about. A place of strange beings, some nice some hostile. A place that Jason had left a long time ago in the hope to forget what had gone on before. But the past cannot always be forgotten. Eithen, Jason's son was to be a messenger, and a messenger he was, bringing news to Jason that he did not want to hear. It was time for him to spill the beans and tell of his true past in a different place. Jason had little time; he traveled back through a portal to his home taking his family with him on a mission that would bring changes in more ways than one. Enemies that had grown strong and clever, Jason had to retrieve a gift that brought misfortune. A gift that if used incorrectly could only destroy, not only the possessor but also any that stood in their way.

Prophetic Reasons Why Jesus Cannot Return Before 2040 Gene Stone,2005-04 Stone discusses prophecy, Babylon, the Church and Israel, secret Rapture, and oil.

*When Jesus Said He Would Return* Lester McCracken,2007-08 McCracken projects an accurate and indisputable scenario of end-time events, and Jesus Christs return to rapture his people. Future events that lead to Jesus coming and to the end of the world are clarified in this book. (Christian)

*Where I Stand-Back to the Basics of the Word* Teresa M. Musser,2004-05 Written to break down denominational barriers, this book attempts to bring the body of believers that Christ calls The Church back to their first love, and back to one another in one mind, one accord and one faith.

The Sola Scriptura Challenge Brian E. Barnes,2022-12-01 Before it was written there were a wide variety of views about the end of time held across different Jewish movements. Historically there have been four main methods of interpretation in both Judaism and Christianity, of which we see all on display in the New Testament. The controversy around interpretation of prophecy existed in the days of Jesus, led some to reject Christ, was not resolved by the Protestant Reformers, and still divides our churches today. This book looks at how we got here and proposes a way we should all move forward together.

Using only the Scriptures, the sola scriptura approach challenges us to understand what the original audience of the letter from John would have understood. By identifying singularities and parallels within the book, built from years of research and verse-by-verse exegetical study, we will see how it is the fulfillment of the hopes and expectations of the Hebrew prophets and the early church.

**A Tutorial on the Kitáb-i-Íqán** Fazel Naghdy, 2012-02-06 A journey through the Book of Certitude The Kitáb-i-Íqán is one of the most important Writings of Bahá'u'lláh, the Founder of the Bahá'í Faith. Bahá'u'lláh revealed this book within the space of two days and two nights, in the last years of His stay in Baghdád (AH 1278-AD 1862). According to Shoghi Effendi, the Guardian of the Bahá'í Faith, The Kitáb-i-Íqán sets forth in outline the Grand Redemptive Scheme of God and it occupies a position unparalleled by any work in the entire range of the Bahá'í literature, except The Kitáb-i-Aqdas Bahá'u'lláh's Most Holy Book. This current book is a record of the journey that the author has taken through The Kitáb-i-Íqán over a period of 12 years. It is not an interpretation or a critical analysis of the content of the book. Neither does it provide any personal opinion. It primarily guides reader through a systematic study of the Íqán while providing some background information on topics raised by Bahá'u'lláh in each paragraph. It is called a tutorial as it attempts to simulate, as much as possible, the tutor-tutored relationship in a self-paced personal study. All the references in the tutorial are sourced either from authoritative Bahá'í materials or obtained from other reliable sources. The 290 paragraphs of The Kitáb-i-Íqán are apportioned for study to 58 chapters. The size and complexity of each chapter reflects the content and intricacy of the issues addressed in the paragraphs included therein. Each chapter starts with an introduction that highlights the key ideas. Then in a coherent manner, background information on the terminologies, references and mystical concepts inherent in each paragraph is provided. The tutorial covers the 266 topics embedded in The Kitáb-i-Íqán. This second edition of the book, which was originally released in 2012, contains many editing improvements, and some changes and additions to the content.

**The Mystery Princess** Melanie Cellier, 2021-05-09 Daria has spent her life caring for others. But danger follows her, as does Prince Percy. Daria thought she'd left balls and royalty behind, but she can't hide when kingdoms are at risk.

**Daniel Revisited** Mark Davidson, 2016-01-26 Daniel Revisited makes the case that the ancient book of Daniel reveals four specific events to occur in the Middle East in the end times prior to the Tribulation. This new look at old assumptions about prophecy and plain reading of Scripture combines a comprehensive study of relevant history with the fresh perspective of today's current events. Not only does it show that the Antichrist will be Muslim, it also identifies four events the author calls Signposts which will occur in a series leading right up to the Tribulation. The first event involving Iraq has already occurred. The second of the four events will be the invasion of the whole Middle East by Iran. The fourth event will witness the Antichrist's emergence.

**Kingdoms, Empires, and Domains** Mark A. Ragan, 2023 Kingdoms, Empires, and Domains explores the history of the

idea that there is more to the living world than plants and animals. Progressing chronologically through philosophical, religious, literary, and other pre-scientific traditions, leading molecular systematist Mark A. Ragan traces how transgressive creatures such as sponges, corals, algae, fungi, and diverse microscopic beings have been described, categorized, and understood throughout history. The book also explores how the concept of a third kingdom of life evolved within the fields of scientific botany and zoology, and continues to evolve up to the present day.
