

Robert S McGee Author

David Komolafe

Father Hunger Robert S. McGee, 2023-09-22 Father Hunger describes the emptiness that many of us experience because we still crave the comfort and security that our fathers did not provide. Your relationship with your father not only affects your emotional style, your relationships with your children and spouse, and your ability to handle life in general, but it deeply affects the way you think about God. If you're looking for a feel-good book about father and child relationships, this isn't it... If you and your father have had a little spat and are still holding a grudge against each other, find another resource to help you! This book is for (1) people who, as children, didn't receive the quality and quantity of love they wanted and deserved from their fathers and (2) others who are currently related to such people. Although I have had a wonderful loving father, I have always experienced a certain father hunger because he was away so much during my childhood. I now know what I missed. This book offers so much understanding and hope for all who suffer the various emotional pangs of father hunger. -Gigi Graham Past National Advisor for Women's Affairs, Rapha Robert McGee has zeroed in on a topic that has practical relevance for all of us. He has produced a book that is practical, interesting, creative, and sprinkled with good case histories. I found it to be helpful. I predict you will too. -Gary R. Collins, PhD I can't think of a more timely book than Father Hunger. I am surrounded by people-me included-who have grown up with a hole in their heart from an emotionally or physically absent father. Don't look for quick-fix solutions or pious pronouncements in this book. But if you really want to see the hunger pangs subside, this book is for you. -John Trent Author, Speaker, President of Strong Families

The Secret of Significance Robert McGee, 2002-09-28 How much time have you wasted trying to gain the approval of others? Have you given up on experiencing God's complete acceptance of you? Based on the best-selling *The Search for Significance*, *The Secret of Significance* will take you on a self evaluation to see if you are in fact running your life on the performance treadmill and how you can experience the solution to the fear of rejection by finding complete acceptance in Christ. This accessible book offers true stories, biblical references, and advice from best-selling author and counselor Robert McGee on how you can experience the secret to lasting significance.

The Search for Peace Robert S. McGee, Donald W. Sapaugh, 1996 Bestselling author Robert McGee draws upon his years of counseling and Bible study to provide encouragement and insight to those who desire freedom from the torment of unforgiveness. This book seeks to help you understand what forgiveness is and what it is not. It explores the cost of not

forgiving and challenges readers to look deeply into their own hearts and seek God's help in going through the forgiveness process.

Recovering from Religious Abuse Jack Watts, 2012-02-14 Offering more than promises, this 11-step plan rescues those who have been victimized by religious abuse and gently guides them into healing and recovery.--Page 4 of cover.

How to Rise Above Abuse June Hunt, 2010-09-01 With nearly 150,000 books sold, Christian counselor June Hunt has fast become a favorite for readers seeking biblical counsel for their problems. In *How to Rise Above Abuse*, June offers compassionate, practical guidance for the tough issues of verbal and emotional abuse, spouse abuse, childhood sexual abuse, rape recovery, victimization, and spiritual abuse. Readers will learn the definitions, characteristics, and causes that, once understood, empower them to take steps toward lasting solutions. They'll find out how to... identify and deal with unresolved anger, grief, or pain rely on Christ for strength when they have none forgive their offender and help other victims regain confidence, hope, and peace for the future place complete trust in God at all times Only the Lord Jesus Christ can heal broken hearts. This book for counselors and counselees will show how those who are hurting can yield to His care.

Hey Mom, #Yougotthis #He'Sgotthis Judy Jane, 2017-05-09 The authors book began thirty-eight years ago before blogging was even known as a form of communication. As her role changed from newspaper columnist to a full-time stay-at-home mom, she continued journaling her parenting experiences well into her childrens young adult lives. Starting out on a mechanical Corona typewriter and moving into the computer age, the author writes with humor and refreshing candor about the joys and challenges of parenting four children and how she and they survived! Her writings reflect how she sees God at work in her life through his Word and through real-life situations that bring her to a place of daily dependence on God, the great I Am.

The Search for Reality Robert McGee, 2015-08-02 As followers of Christ, we have been promised the abundant life but, if we are being honest with ourselves, this is little more than an empty promise. We talk about it, but it's not our experience-not routinely, anyway. Our lives are not much different than our non-Christian friends. Statistically, there is no difference. This isn't what God planned for us, and it certainly isn't His will for our lives. *The Search for Reality* will help you understand the reasons why this happens, beginning with the strongholds in your life that keep you from experiencing God's abundance. You will come to understand what has limited you in the past and what is needed to make your future more purposeful and fruitful. Your life will fundamentally change, as you begin to exhibit the Christ-like qualities of love, joy, peace, patience, kindness, goodness, faithfulness, gentleness, and self-control. If this is what you want but have rarely experienced, *The Search for Reality* is definitely for you. Dr. Robert S. McGee is the author of *The Search for Significance*, which has sold more than 3 million copies. A noted author and lecturer, Dr. McGee has been involved with Christian counseling most of his adult life. After his stint as a helicopter pilot in the Vietnam War, he has devoted his entire life to helping believers heal from their

emotional wounds. Jack Watts is the award-winning author of his autobiography, *Hi, My Name Is Jack*, several additional Christian books, and numerous novels. Jack, the father of five children and nine grandchildren, lives in Atlanta. He and Dr. McGee have worked together for years.

Seeing Yourself Through God's Eyes June Hunt, 2015-08-01 Do you know who you are? Even more importantly, do you know Whose you are? Christians often look at their lives through natural eyes and see themselves as lonely, depressed, unacceptable to God, unable to be who they really want to be. But a Christian who looks at him or herself through God's eyes sees someone quite different. In this encouraging book, bestselling author June Hunt helps you change your focus as you look in the mirror of God's Word. The reflection she urges you to see includes you as: a child of God chosen by God reconciled to God created to do good works for Christ secure in the love of God These are just five of the wonderful aspects of you as seen through the eyes of God. In this life-changing 31-day devotional, you'll find riches in your own life you never knew you possessed.

Handbook on Counseling Youth John McDowell, Bob Hostetler, 1996-06-09 Thoroughly researched, this easy-to-use handbook is designed to help parents, teachers, pastors and youth workers guide today's young people through the minefields of adolescence. From simple challenges to major crises, this book will equip adults to help youth cope with situations involving emotional issues, abuse, addictions, family issues, disorders, sexual issues and much more.

On the Other Side of Bitter Dr. Annie B. Wilder, 2012-04-04 *On The Other Side of Bitter* is written to encourage the many hurting women who have and maybe yet sacrificing and giving of themselves without benefit of any type of personal satisfaction. It is for those who now find themselves feeling hopeless, helpless, empty, older and without purpose. There are thousands of women with similar feelings. Some got this way by remaining in abusive relationships, remaining too long in unfulfilling positions of employment and others as the result of being a no longer needed dutiful wife and mother – to name a few. While feeling alone and isolated – they are found in every race, socio-economic station in life, religion, age and ethnicity. They are the educated and non-educated alike. Some are yet in these situations – in the workplace, in fancy homes and great careers, some even in the pews or positions of leadership at church. Some have exited these situations – some by choice – others forced. The one common denominator between them all is a hurting heart. Some of these women find their way into support groups or private counseling sessions. But, for the many throughout our nation that will not make their way into any group or private sessions – I write this book. Naomi quite possibly was a woman as described here. She, too, had sacrificed and given of her self to the point of becoming bitter. Like many reading this book, she might have thought she had her true feelings concealed. That is until the proverbial straw that broke the camels' back happened. Her husband and sons died. She was left in a foreign land. A place where she might have gone out of duty to her husband – not desire. The liberties taken to portray what might have been the reasons for this woman, Naomi's bitterness result from looking deeper into the things she

spoke. Much can be detected if we would only listen to what a person says. But, maybe that is why so many with hurting hearts have become bitter.

Seeing Through Heaven's Eyes Leif Hetland, 2011-08-16 This beautifully written half-memoir, half-essay, explores the realities of Papa God's love for you, your identity as His beloved child and heirs, and the transformation of your vision of yourself, others, and world events that this revelation of your place in the divine family brings. Poignant personal reflections are woven artfully with metaphors, personal stories, and an eclectic smattering of quotes and movie references. You, too, are invited to reflect and discover your own divine encounter. You will learn how to see through Heaven's eyes—through the Father's eyes—and that look of love will transform everything, including: God. Yourself. Other people. Your family. Your enemies. The end times. *Seeing Through Heaven's Eyes* is powerfully presented and will bless and free you to experience a deeper relationship with Father God.

A Career Devotional Tom (Tj) Jones, 2002 *A Career Devotional* provides 100 inspirational and uplifting messages for a satisfying and successful worklife and includes a journaling section for each message, so the reader can write their thoughts for the day. It includes practical business inspiration as well as some spiritual messages. It touches the head, heart and soul of anyone, regardless of their current career or those changing careers. It gives you more ways to celebrate uplifting daily victories and convert challenges into prevailing lessons. This book is overflowing with more heartening and confirming messages than most people receive during an entire lifetime of working relationships. It invigorates and exercises the head, heart and soul to deal with the challenges of the workplace. It has over 100 messages of inspiration for a satisfying and successful worklife.

If You Only Knew O Sonny Acho, 2003-05-01 Although Christians are quite adept at masking their pain behind smiles and handshakes, we experience pain and suffering in proportions equal to the non-Christian world. Dr. O. Sonny Acho has written *If You Only Knew* to awaken church leaders and the church in general to the pain of those in the pews. He challenges preachers to go beyond preaching, and parishioners to be more involved in the day-to-day struggles of those within the body. By informing leaders, Dr. Acho believes they will better train their flock to get into each other's lives, relieve pain, and help each other live more like Christ.

The Journey of Following Jesus Ronald Squibb, Daniel McNaughton, 2022-09-01 *THE JOURNEY OF FOLLOWING JESUS* will help you develop the seven essential attributes of a disciple of Jesus Christ. By reading the Scripture passages, answering the questions, applying the attributes to your life, and sharing your journey with a spiritual coach, you will learn how to become a fully devoted follower of Jesus.

Lead Like Jesus Ken Blanchard, Phil Hodges, 2008-09-30 The more I read the Bible, the more evident it becomes that everything I have ever taught or written about effective leadership over the past 25 years, Jesus did to perfection. He is

simply the greatest leadership role model of all time. -Ken Blanchard With simple yet profound principles from the life of Jesus and dozens of stories and leadership examples from his life experiences, veteran author, speaker and leadership expert Ken Blanchard guides readers through the process of discovering how to lead like Jesus. He describes it as the process of aligning two internal domains-the heart and the head-and two external domains-the hands and the habits. These four dimensions of leadership form the outline for this very practical and transformational book.

Discover Shane Wilson, Daniel McNaughton, 2016-01-10 Discover will help you grow in the seven essential attributes of a follower of Christ. By reading the Scripture passages, answering the questions, deciding how you will take action, praying, and sharing your journey with a spiritual coach, you will learn how to take the next steps with Jesus.

The Psychology of Christ William Cavitt, 2012-11-20 This book does not condemn secular counseling. Secular theories are compatible with pastoral counseling and can be used to guide a treatment plan and to implement therapeutic interventions. The thrust of the book is that Christian pastoral counseling must be a tool available to the client because the propensity for success is greater than secular counseling. The book presents a paradigm with justification from Holy Scripture that will aid a client in solving life's problems and create a model for a life of wellbeing. It reintroduces a text that offers a well traveled and proven path of peace and joy in the Holy Spirit, a text that has been rejected by secular mental health professionals and society in general, but still survives. This text is the Bible. If the Holy Bible was used as a road map for society the problems in America would be fewer and less intense. Also once problems did occur the spiritual tools would be readily available along with the counselor to comfort the clients. The counselors, spiritual advisors, and clients would be assured the Author of the Universe would become the primary counselor with proven healing power. The book's first three chapters lay out an overview of general considerations for counseling using the holistic approach. It emphasizes the influence spirituality has on all aspects of wellbeing and encourages counselors and spiritual advisors to use scripture based interventions to help the client change their ineffective thoughts, feelings, and behaviors and to enhance their wellbeing in life. Succeeding chapters present a windshield tour of experiences illustrating how different incidences and periods can have a profound effect on the physical, psychological, cognitive, social, and moral aspects of life. These incidences and periods were designed by God to make a person who they are and they include hard times and easy times. Good times and bad times mold a person's character into who God desires. The incidences are presented by viewing some experiences in the life of a male named Andy. Readers are introduced to Andy's life as he experiences physical, psychological, cognitive, and social growth. It is important to note how Andy develops in these areas of wellbeing via a strong spiritual awakening that envelopes all aspects of his life. It is recommended that the reader study the first three chapters to obtain a working knowledge of the holistic counseling structure, which is used throughout this book. The messages of this book are equally important to counselors, spiritual advisors, clients, and people in general.

Godspeed and Guideposts for Your Journey Bob Mahr, 2018-06-26 This book can be a resource during a hinge point or at the intersection of two or more paths in your life. It can be words of guidance between where/who you are and where/who you will be. This book has taken a lifetime in creation. It began several years ago as a high school graduation gift of random thoughts and sayings for my oldest daughter, as she was preparing for a significant life change. Then over the course of two more daughter's graduations, it grew into a deeper and more holistic document. Through this progression, the Holy Spirit gained a greater foothold in my consciousness and guided my words. Inside are lessons learned, guideposts, that are outcomes of wisdom gained from my past thirty plus years of experience in business, athletics, family life, and the unifying glue of faith and Scripture. I have come to an understanding that thriving in life is kind of like sitting on a stool. A stool has a firm seat as a foundation, supported by legs. The pieces of the stool all work together and are required to make a stool complete as well as sturdy. Life is a sum total of many pieces all working together.

Unquestionably Free David Komolafe, 2009 Unquestionably Free presents pastor and missionary David Komolafe's insight into spiritual warfare using what he calls Kingdom-Strategic warfare. Readers will learn how to apply a series of strategically targeted prayers and meditations that empower believers to take the spiritual battle to the enemy's doorstep.

Love. Period. Rudy Rasmus, 2014-07-08 Who among us doesn't desperately need . . . Love. Period.

Robert S McGee Author Book Review: Unveiling the Magic of Language

In a digital era where connections and knowledge reign supreme, the enchanting power of language has become more apparent than ever. Its capability to stir emotions, provoke thought, and instigate transformation is really remarkable. This extraordinary book, aptly titled "**Robert S McGee Author**," written by a very acclaimed author, immerses readers in a captivating exploration of the significance of language and its profound affect our existence. Throughout this critique, we will delve in to the book is central themes, evaluate its unique writing style, and assess its overall influence on its readership.

Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Robert S Mcgee Author eBooks, including some popular titles.

FAQs About Robert S McGee Author Books

What is a Robert S McGee Author PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Robert S McGee Author PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Robert S McGee Author PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Robert S McGee Author PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Robert S McGee Author PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict

access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
