The Crow Bridget Baiss,2024-06-04 Long-anticipated remake of The Crow to hit theaters Fall, 2024 from director Rupert Sanders starring Bill Skarsgård You won't find a more comprehensive, step-by-step account... a cult classic that continues to fascinate... A fitting and emotional tribute to the movie, and its late star, Brandon Lee.—Sean O'Connell, author of Release the Snyder Cut This behind-the-scenes retrospective proves a haunting read, as Baiss skillfully escorts the reader through tragedy, despair, hope, and modern Hollywood resurrection.”—John Kenneth Muir, author of Horror Films FAQ, creator of Enter the House Between In the thirty years since its release, The Crow has become the ultimate cult movie, with a dedicated worldwide following, three sequels, and a persistent fascination owing to the tragedy that came to define its legacy, in which star Brandon Lee was killed in a strange on-set accident during the last days of filming. The Vajrabhairava Tantra Aleksandra Wenta, 2025-09-02 This book is a study and translation of the Vajrabhairava Tantra (henceforth, VBhT), a Buddhist tantric text in seven chapters that focuses on the means of attainment (sādhana) centered upon the wrathful tantric deity Vajrabhairava. The VBhT, composed in India in the eighth century and written in Sanskrit, is

attributed to Lalitavajra (a.k.a. Līlāvajra), a Buddhist master (ācārya) at Nālandā Monastery, who is said to have retrieved it from the land of Oḍḍiyāna. It is a work of great importance to the development of tantric Buddhism in India as well as to the understanding of Tibetan Buddhist history more generally. Like most tantras, it is a ritual text, dedicated in all of its seven chapters to the description of rites, such as the drawing of the sacred diagram (maṇḍala), the ceremonies performed within it, as well as the performance of various rituals, such as magical rituals (karmas), fire offerings (homa), recitation of sacred spells (mantras), and so on. The VBhT deals with what might have been the earliest form of Vajrabhairava, the Solitary Hero (ekavīra), in the charnel ground surrounded by various mortuary objects, weapons, and eight zombies. All of these gruesome symbols clearly reflect the transgressive character of the tantra, associated with the tantric cult of the cremation ground and antinomian practices involving contact with impure places and substances as a means of attaining power. In the subsequent centuries, the pantheon of the Vajrabhairava maṇḍala grew, giving rise to the Seventeen-and the Thirteen-Deity maṇḍalas. The latter was directly influenced by the pantheon of the Guhyasamāja Tantra, and could be seen as its direct evolution (Tanaka 2018, 323). Indeed, Thirteen-Deity Vajrabhairava gained widespread popularity also outside India-in Tibet, Mongolia, and China--

A Farm Boy in Oz: The Complete Series Aron Lewes, 2022-07-18 WARNING: Be advised, this version of Wizard of Oz contains very strong language. First and foremost, Dylan Gale is the caregiver of his dying mother. When he's not taking care of her, he single-handedly tends to the family farm. Well... not quite single-handedly. He gets a lot of help from his loyal terrier and good boy, Simon. One fateful night, a storm sweeps through Kansas and whisks him away to the land of Oz. There, he meets a "good" witch named Glennis, who sends him on an "important mission" to save the people of Oz. (He's actually murdering her sister, but he doesn't need to know that). Along the way, he meets a foul-mouthed lady scarecrow, a cowardly knight (wearing way too much armor), and an excessively polite robot named Ten. A Farm Boy in Oz is a genderbent fantasy retelling that isn't meant to be taken too seriously. Please note: This was originally released as a 2-part series. A Farm Boy in Oz: The Complete Collection contains both parts of the story.

*Crow's Blood* Aiden Wolf, 2021-03-30 When ex-Special Forces specialist turned bounty hunter Devon Sanders gets a call from his old Army buddy, FBI Agent Bryan James, to help track down three fugitives for the murder of a federal agent on the Cherokee Indian Reservation, his whole world falls into shambles. As the investigation unfolds, a high-stakes conspiracy is unveiled, as Sanders, James, and partner, Agent Jade Magara, soon find themselves on the opposite side of the law being hunted by local, state, and federal law enforcement, as well as secret government assassins! Confronted by a shocking truth from Devon's past, he is forced to make a life-and-death decision, utilize every alternate resource available, and rely on his special ops training from the military to expose the corruption of a malicious foe deeply rooted within the shadows of the government and to accept the fate bestowed upon them, in order to protect the innocent and preserve justice.

Legend of Sword in Nine Heavens Yi ZhuXianCao,2020-05-12 A black fire lifted the mysterious veil of the Great Liang Mountain. An enormous, badly damaged sword that had cut through the ages of the Fiendgod continent. The young man who had lost his memory woke up in a daze. In that world where he could not see the light, he left countless breathtaking legends. Some people said that he was a demon, but he was only a swordsman, a lonely swordsman. □

*Power in the Blood* Greg Matthews,2016-05-03 Siblings separated on an orphan train reunite years later to seek revenge in the lawless West in this “great novelist’s masterwork” (Stephen King). In 1869, the Dugan siblings board an orphan train in upstate New York. Adopted by different families at separate stops along the train’s westward journey, Clay, Zoe, and Drew vow to find one another as soon as they can, but tragic circumstances conspire against them. Clay avenges the brutal murder of his foster parents and becomes one of the most feared bounty hunters in the West. Raped by her new father, Zoe gives birth to a daughter whose vivid blue birthmark portends the gift of second sight. And Drew, abandoned in the desert by a religious fanatic, is rescued by renegade Apache brothers and falls in with a crowd of murderers, prostitutes, and bank robbers. When fate finally reunites the siblings, Zoe enlists Clay and Drew in a plot against a ruthless Colorado gold magnate bent on stealing her fortune. Decades spent practicing the art of survival have taught the Dugans that the odds are always stacked against them—but if they stopped to consider the odds, they would have been dead long ago. Hailed by the Chicago Tribune as a “great page-turning, stay-up-late-into-the-night-saga” and ideal for fans of Larry McMurtry and Cormac McCarthy, *Power in the Blood* takes readers on an epic journey into the dark heart of the American frontier.

The Ascension Series, Books 1-3: Sacrificed in Shadow, Oaths of Blood, and Ruled by Steel SM Reine, This urban fantasy boxed set contains the first three novels in The Ascension Series and totals 300,000 words. When it comes to problems involving evil, Elise Kavanagh is the expert in saving the day. Not only is she a legendary demon hunter known as the Godslayer, she’s also the most powerful demon to ever walk the Earth—a once-human creature that other demons now look up to as a deity. Rylie Gresham is Alpha of the last werewolf pack. They’re hiding from recent government laws regulating preternaturals and trying to avoid conflict. But someone’s trying to get into Eden. The garden holds secrets too dangerous for anyone to possess, including Elise’s former partner James Faulkner: a half-witch, half-angel bent on becoming God. He

doesn't care what it takes to get into Eden, and the werewolf pack gets trapped at the center of the conflict. Elise will do anything to keep James—or anyone else—from reaching Eden, even if it means journeying deep into Hell and seizing control of the City of Dis. Trapped between shadow and light, Elise walks a fine line trying to save the world yet again...even if it means losing her friends among the werewolves, the man she once loved, and her soul itself. ABOUT SACRIFICED IN SHADOW Lincoln Marshall is a small-town deputy with a very big problem. Six members of his church have been found dead, killed by a rogue werewolf. He'll have to make a deal with the Devil to save victims that have gone missing—maybe literally. Elise Kavanagh, preternatural investigator and exorcist, is the expert when it comes to violent deaths at the jaws of evil. She's also among the most powerful demons that Hell has spawned. Elise jumps at Lincoln's case, and it's not just because of his down-home charm. Someone's laid a trap for her in Northgate, and she wants to find out who. She'll have to team up with Rylie Gresham, Alpha of the last surviving werewolf pack, to figure out who's trying to blame the murders on werewolves. Only together can they stop the killings—and uncover the secrets buried in Northgate. ABOUT OATHS OF BLOOD Werewolves are immune to every illness and can heal any wound. It should be impossible for one to become possessed by a demon. But that's exactly what Seth Wilder is facing: a werewolf gone insane from possession. He has no choice but to deliver her to the only exorcist in America, Elise Kavanagh, who also happens to be a powerful demon known as the Godslayer. Elise is in hiding when Seth and Rylie Gresham, Alpha werewolf, arrive seeking her help. She agrees, but everything has its price. What they learn about the possessed werewolf changes everything—Hell and Earth, the pack, and the future of the entire world... ABOUT RULED BY STEEL Elise Kavanagh failed to prevent the Breaking, and now Hell is spilling onto Earth. She's delved deep into the City of Dis in an attempt to stop the infernal armies—but even the legendary Godslayer is unprepared to face Dis's fiercest demons, not to mention the responsibility of liberating the humans they've enslaved. On Earth, rogue angel Nash Adamson is wing-deep in damage control after the Breaking, and his fellow angels don't want to get involved. War is approaching the werewolf sanctuary. If Heaven won't help them, he'll have to turn to Hell for salvation. Everything hinges on who can control the City of Dis. Elise and her allies have no choice but to rule by steel... Blood Into Ink Miriam Cooke, 2018-10-08 The experiences of women in twentieth-century wars in South Asia and the Middle East challenge the concept of the separation of front and homefront and of family and society common to most modern western wars. Women there have not only entered into what was once considered male-only territory in men's roles wearing men's clothing, but more important, they have entered explicitly as women playing a variety of roles in the conflicts surrounding them. Their self-conscious, self-confident presence has changed the nature of that territory. This anthology reflects the realization that through their writing, women have created a new mythology of the war-peace paradox—one that

is grounded in the reality of their own lives. The works collected here illustrate the many ways in which women have become active participants in social conflict and military battles, speaking of war not only as an extraordinary but also as an ordinary experience of coping with violence and conflict on a daily basis. Women's involvement with the rituals of violence does not begin or end with traditional war; their daily struggles for survival stretch seamlessly into the more public arena of political war. In this anthology, Drs. Cooke and Rustomji-Kerns offer a collection of journal entries, interviews, fiction, and poetry by twentieth-century Middle Eastern and South Asian women writing about war and political conflicts. Some of the works were written in English, but the majority were translated specifically for this anthology and are published here for the first time in English. *Blood Into Ink* is an important and much-needed addition to the rapidly growing literature on war and peace. The anthology will greatly enlarge our understanding of the role of women in one of the most central of human concerns.
