*Follow Me Home* William Hoffman, 1999-03-01 William Hoffman is a master storyteller, and *Follow Me Home* reveals him at his inimitable best. In these eleven brilliantly observed, superbly crafted stories, he explores one of the most secret places of the human heart—the corner where we keep hidden the small and precious supply of whatever it is that lets us persist, and sometimes even triumph, in the face of life's inescapable diminishments and losses. In Hoffman's characters, the content of this inner reservoir varies greatly. For the hill farmer in "Abide with Me," it is a form of direct grace granted to him in a near-death vision. For the disabled veteran in "Night Sport," it is a bitter concoction of disillusionment and raw truth carried home from a distant war. For the quietly retired minister in "Sweet Armageddon," unexpectedly given a glimpse of the life he long ago forsook, it is a prayerful wish for annihilation. On a less apocalyptic scale, in the haunting "Points," a once-great horseman finds sustenance in a remembered world of elegance and courage—a world that, like his skills, is rapidly fading. In "Dancer," a bereft and lonely woman retreats into the music of her youth, birds becoming quarter notes that fill the sky. In "Expiation," a self-made executive after many years comes to terms with his own childhood, even though it means ending the lie on which his marriage is built. And in "Coals," a maid and cook calls on her own reserves of spirit to bring her employer a renewal of life. Set in the small towns, cities, hills, and seascapes of Virginia—territory Hoffman knows as well as any writer ever has—the stories of *Follow Me Home* reveal to us men and women we know and care about, for in their struggles, win or lose, we recognize ourselves.

**The Storm That Carries Me Home** Anthony Wood, 2023-06-05 He made an oath. He switched sides to keep it. Lummy Tullos took an oath to fight for home and family under the flag of the Confederacy. He gave his heart, mind, and nearly his body to protect his friends and defeat the blue invader. That oath lost its meaning at the surrender of Vicksburg. After ending the murderous reign of the outlaw Rebel Home Guard responsible for his wife's death, Lummy wants just one thing—to put

the twentieth star for Mississippi back on the flag of his ancestors. Though happy to be with his family on the Tullos farm in Choctaw County, Lummy finds little peace as the War Between the States rages on. He joins with new friends loyal to the Union to help end the killing and destruction at home but realizes that it's not enough. Lummy's convinced his loyalty and dedication will now best serve ending the war by switching sides. Taking the new oath, he must leave to do the one thing he never wanted. He simply has no other choice—he'll fight to do whatever it takes to end the war. He just didn't know it would bring the war to his own hometown. And it won't be a gray uniform he'll be wearing. No, this time it'll be blue.

**Death's Collector: Sorcerers Dark and Light** Bill McCurry, 2020-04-28 A banished demigod abducting children. An underpowered sorcerer forced to fight. An impossible battle for a virtuous cause. Bib has retreated home, wracked with grief. After dooming his own daughter, he's unwillingly dragged into a conflict with the demonic son of the God of War. And though he saves his town from the petulant deity, his tragic miscalculation allows the sadistic fiend to make off with a hoard of kids. Enraged and determined to right his mistakes, Bib must once again negotiate with the gods for enough power to overcome his sinister foe. And if that doesn't work, then he'll just have to summon the dead... Will Bib defeat the snarky Goliath and save the children from a horrific fate? *Death's Collector: Sorcerers Dark and Light* is the third book in the hopelessly irreverent *Death-Cursed Wizard* fantasy series. If you like warped insults, inventive magic, and complex characters, then you'll love Bill McCurry's bloodstained quest. Buy *Death's Collector: Sorcerers Dark and Light* to defeat a despicable demigod today!

*All The Houses I've Ever Lived In* Kieran Yates, 2023-04-27 'I tore through the pages. A book I'll read over and over again' CANDICE CARTY-WILLIAMS, author of *Queenie* \_\_\_\_\_ We've all had our share of dodgy landlords, mould and awkward house shares. But journalist Kieran Yates has had more than most: by the age of twenty-five she'd lived in twenty different houses across the country, from council estates in London to car showrooms in rural Wales. In prose that sparkles with humour and warmth, Yates charts the heartbreaks and joys of a life spent navigating the chaos of the housing system. Drawing on interviews with marginalised tenants across the country and the stories behind our interiors, she explores the unexpected ways we can fight back - finding beauty in the wreckage of a broken system, friendships in cramped housing conditions, and home even in the most fragile circumstances. *All the Houses I've Ever Lived In* is at once a rallying cry for change, a gorgeous coming-of-age story and a love letter to home in all its forms.

\_\_\_\_\_ 'Illuminating, thoughtfully written, damning' OBSERVER 'I read this in two sittings . . . so incisive it's hard to put down' PANDORA SYKES 'A beautiful exposition of home and what it means. Stunning' BOLU BABALOLA, author of *Honey & Spice* 'So relatable . . . injects a glorious dose of love and joy and hope' BIG ISSUE 'Yates manages the unthinkable: she makes the housing crisis funny' i

*The G-string Murders* Elaine Hatfield; Richard L. Rapson, 2009-09-26 Elaine Hatfield, Professor of Psychology at the

University of Hawaii, has written 12 books—two of which won the American Psychological Association's National Media Award. Richard L. Rapson, Professor of History at the University of Hawaii, has also written a dozen books, most of which have focused on the psychology of American life, past and present. He has been a T.V. moderator, Dean of New College, and named by the Danforth Foundation as one of the nation's best teachers. Together the authors have published a sextet of serious novels and detective stories.

**An Arrow's Flight** Mark Merlis, 1999-09-24 In this tour-de-force, the author of the award-winning American Studies tells the story of the Trojan War and Pyrrhus, the son of the fallen Achilles, now working as a go-go boy and hustler in the big city.

**Making It on Broadway** David Wienir, Jodie Langel, Jason Alexander, 2004-04-01 Countering the misperceptions about Broadway performers leading glamorous lives, the words of more than 150 Broadway stars provide unprecedented insight into their struggle for stardom. With an introduction by Jason Alexander and candid interviews with today's most celebrated Broadway stars, this book offers stories to entertain and astonish theater lovers, as well as serve as a sobering reality check for those considering careers on the stage. This book shares firsthand accounts of professional actors' difficult yet fulfilling journeys to Broadway: moving to New York, finding survival jobs, auditioning, landing roles, avoiding pitfalls, forging a family life, and much more.

**Women Aren't from Venus, Men Are Pigs!** Sylvia Carvajal, 2005-07-26 Women Aren't from Venus, Men Are Pigs! rejects the notion that men and women are from different planets. It offers a more realistic view of the relationships between men and women. It is semi-autobiographical, and it is written as a conversation between the author and the reader, like girlfriends having a talk over coffee or lunch. It is filled with humorous jokes and stories. Some of the stories are difficult, if not painful, to read. All of the stories are true. The women who shared their stories showed remarkable strength and courage. The reader will find it easy to identify with and empathize with the women who shared their stories. The stories will easily evoke a response from the reader, who will want to scream, Men are pigs!

**A Not So Model Home** David James, 2012 In order to get the listing for Ian Forbes, the head of an international hair care empire, luxury realtor Amanda Thorn must appear on a bizarre reality dating show he's filming and discovers that there is a killer among the catty cast of characters when two of his prospective lovers turn up dead.

**Goodbye Again** Craig Conrad, 2020-10-14 After a brief retirement of about a year, Dutch Verlander is asked to return to work to train people on the old letter-sorting machines that have made a comeback of their own. He reluctantly agrees, only because he is asked by one of the few managers he respects, who has put his neck on the line promoting this project. His return is without fanfare as he expected. He didn't expect the appearance of a Gray Lady and two attractive sisters who not only help him uncover a maze of greed and corruption in the business of dying but also find the identity of a murderer and witness the pain of families who have to say goodbye again to their loved ones.

Deliveryman of the Heaven Wu NianMojian,2020-05-12 Wei Qing had a very special job. Sending courtes to all the deities of the six realms, and even snatching red packets from WeChat! From then on, Wei Qing's life became very enchanting. Di, you have a courier from the God of Fortune, please pay attention to check.

**LOSER** PF. FARRADAY, Written by the 2017/2018 award winning author PF. Farraday, 'LOSER' is a heart-breaking story about a lonely young man who struggled to fit in to society. All he ever wanted was to get a respectable 9-5 job, find a loving wife, and buy a small house where they could live. That was it. Nothing more. But he soon realized that the world is tough and cruel as he kept getting the door shut in his face, told he was worthless, and couldn't make ends meet. It sent him on a path of self destruction and hatred until one day he met a surprising fate. Through the highs and lows in this book I hope the reader will begin to understand that getting rejected by people and being let down by society only makes some people stronger and harder, more determined to succeed. And just like the character found out in this book, persistence and self belief are the only way to achieving real happiness.

**Clapperland** Terry Aulich,2020-03-01 Can an evangelical pastor and former football star, Tommy Rayfingier make it to the top of Australian politics? Hiring Paddy Kennedy's Hobart based public relations company proves to be an inspired choice for Pastor Rayfingier and his mega church, Coming Now. Paddy Kennedy and his trouble prone team of ex-SAS drone operator Helen Troy and mysterious British aristocrat, Robert Malahide are technology savvy and expert at spending Coming Now's wealth. But would you let them and their mates like cop Dinny Dinham anywhere near a church or politics? This is a story that combines love, tragedy and comedy in beautiful Tasmania. Religion, money and power can be dangerous bedfellows as Paddy Kennedy and his team use all the latest technologies such as drones and social media like Facebook to manipulate Australia's next election. But the relationship between Pastor Rayfingier and Kennedy's PR team becomes frayed as each spies on the other and the outcome is murder. Then, it is market day in Hobart. No one is expecting the Salamanca Incident. Clapperland's racy style poses one of the biggest questions facing western democracies. Who really runs our lives? Terry Aulich has been there to see it all. A former Federal Senator and State Minister in Tasmania, he has recently worked with some of the most security sensitive organisations such as INTERPOL, the United Nations Counter-Terrorism Executive Directorate and the Biometrics Institute. Terry Aulich's first novel, The River's End captured the politics around the saving of the wild Franklin River in Tasmania. He frequently appears on radio and other media, is the presenter of Tassie Pine, a political satire on Facebook and YouTube and is a regular speaker at international conferences on new technologies and privacy.

CLAIR: Don't tell them that before they buy it... JAMES: They'll work it out eventually! CLAIR: Well, we've managed to put together some bits and pieces that might be interesting - or at least funny/weird/silly. JAMES: Probably not. CLAIR: No... probably not. **Home Truths** Mark McGinn, 2021-08-04 Introducing New Zealand's Jonah Solomon, a cop In the broody, bloody, and brilliant tradition of Ian Rankin's Detective Inspector John Rebus Detective Sergeant Jonah Solomon is used to navigating the ruins of Christchurch, New Zealand, a city nowhere near recovery more than a year after a devastating earthquake. He's also used to navigating the prejudice that keeps plenty of doors closed to Māori officers like him. Most of his colleagues think Jonah's responsible for letting ex-cop-turned-con artist Rachel Trix escape justice with barely a slap on the wrist. He's got a resignation letter in his desk drawer, signed and ready, should anyone ask. With a credible new tip on Trix's exit plan, Jonah has one more chance to make things right—until an ambush turns the operation into a bloody nightmare. He is immediately shaken by aftershocks that reveal lies and corruption at every level of the police force. With fewer and fewer people he can trust, a complex web of secrets puts Jonah and his family at the mercy of ruthless criminals. Can he finally reveal the truths he's protected since childhood in order to save himself and the people he loves most?

**Aftermirth** Hillary Jordan, 2025-04-08 I stopped being funny the day my wife was electrocuted by her underwire bra. So begins Aftermirth, a dark comedy that explores the absurdity of death through the eyes of thirty-one-year-old comedian, writer, and actor, Michael Larssen. What is horribly funny to the rest of the world is devastating to Michael, who loves his wife deeply, especially her bright, rippling, abandoned laughter, which captivated him from the first time he ever heard it. In the aftermath of her death, he loses his sense of humor, and his career along with it. Then, after two years of mourning her, he sees an article in the paper about a factory worker named Julio Santiago who fell into a giant vat of dough and was kneaded to death. For reasons Michael doesn't understand, he decides to go to the man's wake. There he meets and bonds

with Julio's twenty-nine-year-old daughter Elena, a law student who is reeling from her father's unexpected and preposterous death. Three months later, she calls him out of the blue and suggests that the two of them drive to North Carolina to speak with another survivor like themselves Elena has found on the Internet. Their road trip is a darkly funny journey of healing that takes them deep into the heart of their grief and others', and then beyond it, to a place of peace and laughter.

**Dangerous Boobies** Caitlin Brodnick, 2017-09-12 After watching too many family members die of cancer, at age 28, public speaker and comedian Caitlin Brodnick was tested for the BRCA1 gene mutation and tested positive, indicating an 87% chance she'd likely be diagnosed with breast cancer in her lifetime. She had a preventative double mastectomy, thereby becoming an everywoman's Angelina Jolie. *Dangerous Boobies: Breaking Up with My Time-Bomb Breasts* goes in depth into her experience from testing to surgery and on to recovery. With a warm, funny, and approachable voice, Caitlin tells readers the full story, even sharing what it was like to go from a size 32G bra -- giant, for a woman who is barely over five feet tall! -- to a 32C. Engaging and open, she admits to having hated her breasts long before her surgery, and enjoying the process of designing her new breasts, from the shape of the breasts to the size and color of the nipples. While Caitlin's primary narrative explores the BRCA gene and breast cancer, her story is also one about body acceptance and what it takes to be confident with and in charge of one's body. Her speaking engagements and comedy routines have shown that the wider topic of breasts, breast size, and personal identity is resonating with younger readers.

All the Way Home Bookey Peek, 2012-10-09 You're crazy ... She'll take over and shove us out. I can just see this place in winter: no carpets, acres of wet newspaper underfoot, family huddled under blankets while the pig hogs the fire.' Richard and Bookey Peek hadn't planned on a warthog, any more than one would plan a tidal wave, a tornado or triplets, but on Stone Hills game sanctuary, natural disasters have a way of happening when you least expect them. Through Zimbabwe's darkest hours, Stone Hills has become a world in itself, a place where you might share your shower with an owl or your bed with a baby squirrel. Take a fresh look at the hospitality game with a couple whose crocodiles are named after unpopular guests. And follow the barefoot young David and his playmate, the warthog Poombi, as she relinquishes her place on the sofa to return to the wild - much to her indignation. Engaging and delightfully readable, this is a testament to one family's passion for Africa's wildlife and their conviction that nothing can change the essential nature of the land and its people. *All the Way Home* is the exhilarating and intensely moving story of a fiercely protected piece of Africa in the heart of the majestic Matobo Hills.
