Civilizing the Museum Elaine Heumann Gurian, 2006-05-17 Written over a thirty-five year career, the essays in *Civilizing the Museum* introduce students to the powerful, sometimes contested, and often unrealized notion that museums should welcome all because they house the collective memory of all. Drawing on her experience working in and with museums in the US and throughout the world, Author Elaine Heumann Gurian explores the possibilities for making museums more central and relevant to society. The twenty-two essays are organized around five main themes: museum definitions civic responsibility and social service architectural spaces exhibitions spirituality and rationality. And these themes address the elements that would make museums more inclusive such as: exhibition technique space configurations the personality of the director the role of social service power sharing types of museums the need for emotion humour and spirituality. Without abandoning the traditional museum processes, Gurian shows how museums can honour tradition whilst embracing the new.

Enriched by her experience in groundbreaking museums, Gurian has provided a book that provokes thought, dialogue and action for students and professionals in the field to realize the inclusive potential of museums.

The Routledge Handbook of Museum and Heritage Education Margaret McColl,Pete Brown,Michelle Delaney,Karl Borromäus Murr,Henrik Zipsane,2025-06-24 The Routledge Handbook of Museum and Heritage Education is a practical reference guide that shows how museums, galleries and heritage sites can offer opportunities for successful visitor engagement. Defining museums as all cultural sites that interpret collections and spaces for public education, understanding, and enjoyment, this volume argues that museum education has a central role in the development of policies, practices, and research for engagement. Including contributions from experts across the globe, the volume shows how these sites can continue to offer unique opportunities for social, physical, emotional, and academic engagement that are much needed to inform and empower museum visitors internationally. It also demonstrates how museums, galleries, and heritage sites can be utilised for the betterment and sustainability of our world and the societies we live in. Combining rich theory with innovative practice, this book provides a comprehensive analysis of museum and heritage education today. The Routledge Handbook of Museum and Heritage Education will be of interest to academics, students, and professionals who are based in the fields of museum education, heritage, adult and community education, cultural studies, social studies, psychology, and tourism.

The Little Bookroom Guide to New York City with Children Angela Hederman,Michael Berman,2014-05-20 The Little Bookroom Guide to New York City with Children focuses on what parents with good taste want to know: how to see New York City in a child-centered way... without passing up any of the city's sophisticated food, sights, or shops just because the kids are along. Organized around EAT, PLAY, SHOP, and STAY, the authors take you to well-known museums and attractions, but also take you out of tourist-thronged Midtown and into corners of the city that New Yorkers themselves love to take their children. They share strategies for must-sees that can easily overwhelm (the dazzling but daunting Metropolitan Museum of Art, Chinatown, Chelsea Market) and share the offbeat and little known places their own kids love (a matzoh factory, a classic film showing, a chance to dance with ballerinas). Chicken tenders? Fuggedaboutit! The authors take you to the hip food truck scene, to world-class restaurants that welcome children (one has a \$5 noodle bowl for kids that's under the radar), to word-of-mouth neighborhood favorites that only the locals frequent, and offer an array of delectable options in every part of town, at every price. Shopping in NYC is like nowhere else: you can find cool kids clothes and toys that make unforgettable souvenirs of an unforgettable trip.

From the Mixed-up Files of Mrs. Basil E. Frankweiler E.L. Konigsburg,2007-09-25 Having run away with her younger brother to live in the Metropolitan Museum of Art, twelve-year-old Claudia strives to keep things in order in their new home and to become a changed person and a heroine to herself.
