Hensler,2021-07-05 Essay from the year 2020 in the subject English Language and Literature Studies - Literature, grade: 1.0, University of Freiburg (Englisches Seminar), language: English, abstract: In 2012, Jackie Kay published her third collection of short stories *Reality, Reality*, which was immediately considered ranking amongst the best of the genre. This essay seeks to explore the meaning of the colours of age in the short story *These are not my Clothes*. Margaret is an elderly woman living in a retirement home where inhabitants are treated awfully – both physically and mentally. However, through the story's witty and unreliable first-person narrator and the use of colour, the collection questions the societal concept of the elderly and the concomitant fear of age and growing old.
