The Armstrongs Derek James Stewart,2017-07-11 The Armstrongs were the number one “Riding” family on the Anglo/Scots Border during the 16th century. They were the most destructive of the Border reivers... and can arguably be called Britain’s worst ever family. The book follows two narratives... The first delves into the history of the Armstrongs; origins, where they lived, their society and how they survived across a violent frontier... The second narrative is a gazetteer of family biographies – A who’s who of raiders and marauders based on court cases and criminal trials. Tales of ransom, murder, arson, blackmail and theft are explored, drawing out the family’s story during this unique period.

The Walker’s Guide to the Castles of Britain Julia Goodfellow-Smith,2025-03-13 Castles often sit in spectacular landscapes that also offer exceptional walking opportunities, and some of the best views of castles are from a distance, where they can be seen in the context of the landscape. The Walker's Guide to the Castles of Britain will inspire both keen walkers to visit castles and castle visitors to explore the surrounding area, by describing 60 of the best and most popular castles in Great Britain and an accompanying delightful short walk from each. Each chapter describes the castle itself, its history and architectural features, and how those relate to the landscape that surrounds it, followed by an easy-to-navigate description of the walk itself. This absorbing text is accompanied by brilliant photography of the castle and the sights you will see on your walk, and a useful map to guide you on your way. From the well-known and popular castles such as St Michael's Mount, Tintagel Castle, Corfe Castle and Edinburgh Castle, to the lesser-known gems like Kidwelly Castle, Castle Stalker and Framlingham Castle, The Walker's Guide to the Castles of Britain will show you how to better enjoy the castles you already know and love and discover some new ones to add to your favourites list.

Crusader Castles and Modern Histories Ronnie Ellenblum,2007-01-04 For the last 150 years the historiography of the Crusades has been dominated by nationalist and colonialist discourses in Europe and the Levant. These modern histories have interpreted the Crusades in terms of dichotomous camps, Frankish and Muslim. In this revisionist study, Ronnie Ellenblum presents an interpretation of Crusader historiography that instead defines military and architectural relations between the Franks, local Christians, Muslims and Turks in terms of continuous dialogue and mutual influence. Through close analysis of siege tactics, defensive strategies and the structure and distribution of Crusader castles, Ellenblum relates

patterns of crusader settlement to their environment and demonstrates the influence of opposing cultures on tactics and fortifications. He argues that fortifications were often built according to economic and geographic considerations rather than for strategic reasons or to protect illusory 'frontiers', and that Crusader castles are the most evident expression of a cultural dialogue between east and west.

Making Agreements in Medieval Catalonia Adam J. Kosto,2001-05-03 This study examines the role of written agreements

in eleventh- and twelfth-century Catalonia, and how they determined the social and political order. By tracing the fate of these agreements - or *convenientiae* - from their first appearance to the late twelfth century, it is possible to demonstrate the remarkable stability of the fluid structures which they engendered in what is generally thought of as 'feudal society'. The process of documentary change reveals the true nature and pace of the 'transformation of the year 1000'. Analysis of the *convenientia* as an instrument of power and its interaction with oral practices contributes to a deeper understanding of the role of the written word in medieval societies. Finally, a broad historiographical context establishes the significance of this study of Catalonia for a more general appreciation of the medieval Mediterranean world.

Even More Journeys of a Lifetime Len Coates, 2017-08-14 When I wrote my first book *Journeys of a Lifetime* in 2004, it reflected how dreams of mine of visiting unknown places in the UK, countries across the North Sea in Europe, and seemingly far-off continents of America, Africa, Asia, and Australia became a reality. That was mainly due to the advent of air travel, package holidays, and the massive growth of international travel in the second half of the twentieth century. Nine years on from that book, in my second book, our traveling had continued, and in that time, having seen the arrival of four grandchildren, naturally they have joined in some of the journeys. At that time, our fourth grandchild just made the book with her name and date and place of birth. Naturally, there was a need for another book so that she, as well as her brother and cousins, will all be able to read as they get older about their grandparents travels, and in particular, some of which included them. Although places visited in the three years since the last book include some return trips to old favorites, this book reflects only the new places visited. In particular, India, the Middle East, the Far East, Eastern Europe, and nearer home the beautiful Northeast England, it reflects the visits of the grandchildren, featured more this time. As we now have two grandchildren living in the Costa del Sol, as well as the Aussie part of the family, Spain, and Australia are now regular destinations. Although the UK is much smaller in area than those two countries, it is packed with wonderful places to visit, so trips at home are still often very much included in our travels. Added to that, cruising has taken off in the last decade a bit like package deals to Europe did in the 1960s and has provided a very enjoyable new dimension to the journeys made. Cruises are featured several times in this book. *More Journeys of a Lifetime* and now *Even More Journeys of a Lifetime* reflect the further growth in long-haul travel and the massive increase in cruising. Hope you enjoy my further travels around this small world of ours, going on from those early dreams of mine and continuing to do so!
