Anthony S. Fauci

George Washington Gómez Américo Paredes,1990-06-30 In the 1930s, Américo Paredes, the renowned folklorist, wrote a novel set to the background of the struggles of Texas Mexicans to preserve their property, culture and identity in the face of Anglo-American migration to and growing dominance over the Rio Grande Valley. Episodes of guerilla warfare, land grabs, racism, jingoism, and abuses by the Texas Rangers make this an adventure novel as well as one of reflection on the making of modern day Texas. George Washington GÑmez is a true precursor of the modern Chicano novel.

Vegas Brews Michael Ian Borer,2019 Equally reviled and revered as Sin City, Las Vegas is both exceptional and emblematic of contemporary American cultural practices and tastes. Michael Ian Borer takes us inside the burgeoning Las Vegas craft beer scene to witness how locals use craft beer to create and foster not just a local culture but a locals' culture. Through compelling detailed ethnographic accounts and interviews, Vegas Brews provides an unprecedented look into the ways that brewers, distributors, bartenders, and drinkers fight against the perceived and preconceived norm about what happens in Vegas and lay claim to a part of their city that is too often overshadowed by the bright lights of tourist sites. In doing so, Borer shows how our interactions with the things we care about - and the ways that we care about how they're made, treated, and consumed - can lead to new senses of belonging and connections with and to others and the places where we live. In a world where people and things move around at an extraordinary rate, the folks Borer spent time talking (and drinking) with remind us to slow down and learn how to taste the good life, or at least a semblance of it, even in a city where style is often valued over substance.

Craft Beer Dan Peel,2022

The Comic Book Story of Beer Jonathan Hennessey,Mike Smith,Aaron McConnell,2015-09-22 A New York Times Best Seller A full-color, lushly illustrated graphic novel that recounts the many-layered past and present of beer through dynamic

pairings of pictures and meticulously researched insight into the history of the world's favorite brew. *The History of Beer Comes to Life!* We drink it. We love it. But how much do we really know about beer? Starting from around 7000 BC, beer has emerged as a major element driving humankind's development, a role it has continued to play through today's craft brewing explosion. With *The Comic Book Story of Beer*, the first-ever nonfiction graphic novel focused on this most favored beverage, you can follow along from the very beginning, as authors Jonathan Hennessey and Mike Smith team up with illustrator Aaron McConnell to present the key figures, events, and, yes, beers that shaped and frequently made history. No boring, old historical text here, McConnell's versatile art style—moving from period-accurate renderings to cartoony diagrams to historical caricatures and back—finds an equal and effective partner in the pithy, informative text of Hennessey and Smith presented in captions and word balloons on each page. The end result is a filling mixture of words and pictures sure to please the beer aficionado and comics geek alike.

Beer Is for Everyone! Em Sauter, 2017-10-10 It's a great time for America's beer drinkers. Craft beer is more popular than ever, and more breweries are cropping up every day. But you can't tell a pilsner from a bock? An IPA from a witte? Confused by whiskey-like barrel aged beers and crisp, fruity saisons? Are you thirsty, but not sure where to start? Start Here. This book will take you through the main elements that make beer what it is, from malt to hops to water, and introduce you to fantastic brews around the country that highlight the diverse styles and ingredients of the beer world. From where to find it to what glass to put it in, you'll learn everything you need to know (and then some!). Time to get drinking, and remember-- Beer is for Everyone!
