## Highlights, Highlights for Children

While We Were Watching Downton Abbey Wendy Wax, 2013-04-02 From the bestselling author of *My Ex-Best Friend's Wedding* comes a novel about four friends who share a passion for a beloved British television show that will change all of their lives. When the concierge of The Alexander, a historic Atlanta apartment building, invites his fellow residents to join him for weekly screenings of *Downton Abbey*, four very different people find themselves connecting with the addictive drama, and—even more unexpectedly—with each other... Samantha Davis married young and for the wrong reason: the security of old Atlanta money—for herself and for her orphaned brother and sister. She never expected her marriage to be complicated by love and compromised by a shattering family betrayal. Claire Walker is now an empty nester and struggling author who left her home in the suburbs for the old world charm of The Alexander, and for a new and productive life. But she soon wonders if clinging to old dreams can be more destructive than having no dreams at all. And then there's Brooke MacKenzie, a woman in constant battle with her faithless ex-husband. She's just starting to realize that it's time to take a deep breath and come to terms with the fact that her life is not the fairy tale she thought it would be. For Samantha, Claire, Brooke—and Edward, who arranges the weekly gatherings—it will be a season of surprises as they forge a bond that will sustain them through some of life's hardest moments—all of it reflected in the unfolding drama, comedy, and convergent lives of *Downton Abbey*.

**The Break-Up Book Club** Wendy Wax, 2021-05-18 Named one of 2021's Best Beach Reads by *Bustle* • *Country Living* • *Cosmopolitan* • *Augusta Chronicle* • *E! Online* • *PureWow* • *SheReads* • and more! Breakups, like book clubs, come in many shapes and sizes and can take us on unexpected journeys as four women discover in this funny and heartwarming exploration of friendship from the USA Today bestselling author of *Ten Beach Road* and *My Ex-Best Friend's Wedding*. On paper, Jazmine, Judith, Erin and Sara have little in common – they're very different people leading very different lives. And yet at book club meetings in an historic carriage house turned bookstore, they bond over a shared love of reading (and more than a little wine) as well as the growing realization that their lives are not turning out like they expected. Former tennis star Jazmine is a top sports agent balancing a career and single motherhood. Judith is an empty nester questioning her marriage and the supporting role she chose. Erin's high school sweetheart and fiancé develops a bad case of cold feet, and Sara's husband takes a job out of town saddling Sara with a difficult mother-in-law who believes her son could have done better –

not exactly the roommate most women dream of. With the help of books, laughter, and the joy of ever evolving friendships, Jazmine, Judith, Erin and Sara find the courage to navigate new and surprising chapters of their lives as they seek their own versions of happily-ever-after.

**A Week at the Lake** Wendy Wax,2015-06-23 From the USA Today bestselling author of *The House on Mermaid Point* comes a powerful novel about secrets, loyalty, and the bonds of true friendship . . . Twenty years ago, Emma Michaels, Mackenzie Hayes, and Serena Stockton bonded over their New York City dreams. Then, each summer, they solidified their friendship by spending one week at the lake together, solving their problems over bottles of wine and gallons of ice cream. They kept the tradition for years, until jealousy, lies, and life's disappointments made them drift apart. It's been five years since Emma has seen her friends, an absence designed to keep them from discovering a long-ago betrayal. Now she's in desperate need of their support. The time has come to reveal her secrets—and hopefully rekindle their connection. But when a terrible accident keeps Emma from saying her piece, Serena and Mackenzie begin to learn about the past on their own. Now, to heal their friendship and their broken lives, the three women will have to return to the lake that once united them, and discover which relationships are worth holding on to . . .

Local students are thrilled by the possibility of unearthing more Colonial-era artefacts, but Melanie is concerned by the ghosts connected to the cistern that have suddenly invaded her life - and at least one of them is definitely not filled with holiday cheer... Besides that, a past adversary is convinced that there is Revolutionary War treasure buried somewhere on Melanie's property - untold riches rumoured to be brought over from France by the Marquis de Lafayette himself.
