The Reverse Swing Ashok Tandon,2023-10-11 Explore the art of reverse swing in cricket, where bowlers defy convention to outwit batsmen with their unpredictable deliveries. The book showcases New India's (Naya Bharat) march to glory leaving behind the unfortunate and painful memories of the foreign subjugation spanning several centuries. The Europeans were attracted to do trade with India in the 17th Century not because it was a land of snake charmers as perceived by many in the West, but because India was a fabulous gold mine full of enormous reserves of natural resources and a producer of rare commodities including spices, tea, silk, and precious stones ready to be plundered by the invaders and colonial powers to fill their coffers. The author has penned down the historical events and the transformations in the Indo-UK relations since independence not with a view to reopen the wounds of colonial rule but to enlighten the present generations, particularly the large Indian Diaspora, with what India had to undergo prior to independence in 1947 and how it has excelled in various sectors to become world's fifth largest economy and earned a pride of place in the comity of nations. The Indo-UK cooperation in economic, diplomatic, defence production and cultural fields is one of the hallmarks of the book, especially India and Britain concluding a 'fair and balanced' Free Trade agreement (FTA) based on equality, mutual wig and commonality of interests.

Malevolenci Sunshine Somerville,2017-12-03 Monsters are coming. Allies are turning. But Esme has evolved. Traveling

for work is brutal, especially when your job is hunting demons. Fortunately, Esme's magic is now limitless. Unfortunately, Owen has his own problems. While he rules from the road, paranormals within the Order grow restless. Jinn dabble in civilian politics. Fairies demand an impossible return to their home world. Rebel vampires claim the Capiti healers are slaves. Age-old tensions rise, and civil war is looming. One thing might unite the Order – telling them how close they truly are to losing the war and what that will mean for the alt-worlds. But should Owen break eighty generations of secrecy? If the paranormals rally, Esme's power will give them a shot at survival. And, if they find the malevolenci's weakness, they could defeat the demons once and for all. How much hope dare they have? With old friends, the queen mother, and unexpected allies joining the fight, Esme and Owen search for answers in ancient texts, dark caves, and blood memories... But some things are meant to stay buried. Uncovering the truth about malevolenci might win the war, but will it tear apart everything the Order believes?
