Jithin Sunny

Mind Your Own Business Sen. Feargal Quinn, 2013-02-04 Best-selling author, businessman and Senator Feargal Quinn firmly believes every business has the potential to survive and even thrive during a recession. In *Mind Your Own Business*, he uses real-life examples from the first two series of RTÉ television's hit programme, Feargal Quinn's Retail Therapy, as well as valuable experiences gained in his fifty-year career in business, to explain exactly how to do it. From the importance of setting the right tone in your business, to placing innovation at the heart of everything you do, responding to your customers' needs and planning for succession in a family-run business, he challenges many of the bad habits that can build up in businesses over the years. Throughout the book, he also provides a range of simple, easy-to-implement steps that owners and managers can take to chart their way out of trouble and achieve success even in challenging times.

Why It's OK to Mind Your Own Business Justin Tosi, Brandon Warmke, 2023-11-30 Every year, millions of students in the United States and around the world graduate from high school and college. Commencement speakers—often distilling the hopes of parents and four years of messaging from educators—tell graduates that they must do something grand, ambitious, or far-reaching. Change the world. Disrupt the status quo. Every problem in the world is your problem, awaiting your solutions. This book is an antidote to that advice. It provides a clear-eyed assessment of three types of people who tend to believe and promote a commencement speaker's view of the world: the moralizer, who imposes unnecessary social costs by inappropriately enforcing morality; the busybody, who thinks the stranger and close friend merit equal shares of our benevolent attention; and the pure hearted, who equates acting with good intentions with just outcomes. The book also provides a bold defense of living an ordinary life by putting down roots, creating a good home, and living in solitude. A quiet, peaceful life can be generous and noble. It's OK to mind your own business.

Pharmacy Business Management Steven B. Kayne, 2005 Although pharmacy students and pharmacists receive considerable training and guidance on pharmacy practice, relatively little published information is available on business management specifically relevant to pharmacy. This new text provides a comprehensive introduction to the fundamentals of business management, and will help guide both potential and practising pharmacists, pharmacy owners, branch managers and students through the many pitfalls of running a successful pharmacy. A series of case studies serves to illustrate how material may be applied in practice.

Stand-ups to Start-ups : A book to help you mind your own Business! Jithin Sunny, 2022-10-04 About the Book If you enjoy working only from 9-5, this book isn't the right one for you! This is for people who are willing to work beyond the 9-5 schedule to pursue their passion for entrepreneurship. What's the point in keeping an idea just as an idea? Go ahead and execute it! I value a failed start-up much more than just a start-up idea that will forever remain an idea. Stand-ups to Start-ups is a beginner's guide to launch a start-up from scratch. The book gives you a sound understanding of selecting an idea, preparing a business plan, selecting your team, executing your ideas, debugging the issues that you might encounter, all the way to selling your start-up! About the Author Jithin Sunny is a mentor, motivator, entrepreneur, researcher, hacker/problem solver and a passionate teacher. Academically, he has a background in Electrical Engineering and Business Management, a proud alumni of Manipal University. As a vibrant personality looking for opportunities for self-growth, he began his career as a Web Design and Developer at the age of 14 and took over the position of Zonal Manager at an MNC in Bangalore. Immediately after his Secondary Education, while studying at Manipal University, he also actively took up various positions at reputed companies. Jithin Sunny's entrepreneurial knowledge, skills and personal enthusiasm have helped him find impressive solutions for real-life problems enabling him to win 23+ National and International Hackathons. His belief in himself has immensely helped him unleash his true potential as an entrepreneur right from the age of 14 years. He has never considered failures as failures, instead as paths of improvement. Jithin Sunny's life is a true inspiration to anybody who is looking for motivation to bring their dreams into reality and pursue their passion. A great idea that can definitely become a great reality is the quote that perfectly fits.

Wars of Succession Roger Fritz, 1997 There are an estimated three million family-run businesses in the United States. Statistically, nothing divides family like money. WARS OF SUCCESSION uses a mix of well-known and little-known cases to show how smart founders and managers make sure the right people take over the corporate reins.

Mind Your Own Business Emmanuel Arko-Dadzie,2019-06-04 The most straight forward, powerful, relevant shortest read of your life. Mind Your Own Business. The title of this book may seem abrupt to some, but it is necessary for shaping the mindset to create success. There is so many negative energy flowing around, through social media, friendship, the work environment, and many more communities. We seem to participate in concluding our own facts on who is responsible. The 'wrong' individual gets into power and we panic, claiming they will negatively influence our future. We blame our parents, friends, teachers, the weather, and other forces for our failures and inability to achieve. This book dives deep into the mindset which discourages us and provides the core frame of mind we must have to become self-sufficient and confident. Remember, your only enemy is the enemy within. As you study this short read and apply it in your day to day life, your decisions will be tailored to create constant opportunities and lead you to success.

My Homeboy Book One AQUARIAN RENEGAL, 2023-11-10 MY HOMEBOY is the first part of a sequel-storyline from the Quad-book series HEXED HOMEBOY, which tells a seemingly tragic love story from a first-person's point of view. It shares the story of the pursuance and reincarnation of a happily ever after between best friends, that may or may not end so: Happily Ever After. Larshay Shameera Dotac (Shay) is a Twenty-year-old thriving LMT Career/Businesswoman, who seems to have everything going for herself, including her virginity. That's right, Shay is STILL a Virgin who is saving herself for Mr. Right, or should I say her Best Friend, Orlando. Growing up in a conservative home, she becomes intrigued by the thrilling life he lives. Falling into a mild obsession with the sexy and unpredictable thug that he developed into. Orlando is a Twenty-year-old Millionaire Entrepreneur and a very dreamy Gang Member. He was dealt an unfavorable hand in life, to begin with. Growing up unfortunate, he had to take care of himself by any means necessary. Trapped In survival mode since childhood, he gains money rapidly. The fast life engulfs him, so he starts indulging irresponsibility with millions in his left hand, and Shay in his right. Meeting in the second grade, Shay and Orlando become close friends instantly and solidify a bond so strong it stays with them into their adulthood. Shay, who has a professional good-girl type of persona, and Orlando with the ability to network in high places, work together to make them the power duo of their town. What happens when Shay starts to develop stronger feelings for her bestie that is a more romantic feeling? Feelings that she is unsure if O' feels for her as well, would her obsession with him render her helpless to stay away from the side of him that she should for her safety? Or will she find herself entangled in a web of gang violence engulfed by the tantalizingly dangerous job that is Orlando? Will their power duo become too powerful to have in the eyes of the Law or Gang? She may have to find out the hard way that in the end, there is NO way you can EVER: mix business with pleasure.
