Edmondo F. Lupieri

The Resurrection of Mary Magdalene Jane Schaberg, 2004-08-31 The controversy surrounding Dan Brown's novel *The Da Vinci Code* has intensified interest in Mary Magdalene and Jane Schaberg provides an authoritative source for a deeper understanding and re-assessment of this popular figure. Within a progressive feminist framework, *The Resurrection of Mary Magdalene* approaches Christian Testament sources through analysis of legend, archaeology, and gnostic/apocryphal traditions. This is the story of the suppression and distortion of a powerful woman leader - Schaberg presents Mary Magdalene as successor to Jesus in a challenging alternative to the Petrine primacy. >

The Gospels of Mary Marvin W. Meyer, 2004-04-06 An analysis of the role of Mary Magdalene in the origins of Christianity presents the Gospel of Mary and other religious writings, contending that the Church suppressed her story and that she was among Jesus's closest followers.

The Gospel of Mary Esther A. de Boer, 2004-05-01 The Gospel of Mary, the only known gospel that is named after a woman, has aroused new interest in the figure of Mary Magdalene and the beginnings of Christianity. What was her impact and her message? What became of her and her ideas? This book examines the Gospel of Mary to discover what it reveals about Mary Magdalene and to determine the origin of its portrayal. It proposes a new perspective on matter and nature in the Gospel of Mary, suggesting that it is not to be categorized as a gnostic writing. Furthermore, the study argues that Mary's teaching in the Gospel of Mary is more closely related to the writings of Philo, the letters of Paul and the Gospel of John than to the Nag Hammadi Codices. As such, the Gospel of Mary and its portrayal of Mary Magdalene cannot be seen as evidence of a specific gnostic esteem for Mary Magdalene, but rather demonstrates the esteem of believers belonging to a broader Christian context.

The Crucifixion of Mary Magdalene Richard J. Hooper, 2005 A careful study of Christian origins and detailed analysis of all the canonical, apocryphal and Gnostic Gospels in which Mary Magdalene appears. Considered the first apostle of Christianity by early Christians, the author explains why the patriarchs of the early church found it necessary, instead, to reinvent Mary as a wanton woman, rather than Jesus' most favored disciple.

Mary Magdalene Diana Wallis Taylor, 2012-06 Devastated by circumstances beyond her control, Mary Magdalene struggles to overcome the madness that enslaves her.

Mary Magdalene from the New Testament to the New Age and Beyond Edmondo F. Lupieri, 2019-10-14 An international team of twenty scholars under Edmondo F. Lupieri's direction produced *Mary Magdalene from the New Testament to the New Age and Beyond*. While the historical figure of the Magdalene may be lost forever, the construction of her literary images and their transformations and adaptations over the centuries are a lively testimony to human creativity and faith. Different pictures of Mary travelled through time and space, from history to legend and mythology, crossed religious boundaries, going beyond the various Christianities, to become a "sign of contradiction" for many. This book describes a special case of biblical reception history, that of the New Testament figure of a woman whose presence at the side of Jesus has been disturbing for some, but proves to be inspiring for others.

Mary Magdalen Susan Haskins, 2011-09-30 A dramatic, thought-provoking portrait of one of the most compelling figures in early Christianity which explores two thousand years of history, art, and literature to provide a close-up look at Mary Magdalen and her significance in religious and cultural thought.

The Life and Repentance of Mary Magdalene Lewis Wager, 1908

Mary Magdalene Ingrid Maisch, 1998 Ingrid Maisch in this study of Mary Magdalene leads her readers throughout the centuries, developing the images of Mary current in each era, showing that she is always a bellwether for the image of woman at a particular time.

Mary Magdalene, 1882

The Everything Mary Magdalene Book Meera Lester, 2006-02-07 With *The Everything Mary Magdalene Book*, you'll unravel the mystery of the Bible's most misunderstood woman. As an eyewitness to Jesus' resurrection and the turbulent birth of Christianity, Mary Magdalene played a crucial yet unexamined role in the Bible—until now. In this comprehensive investigative guide to the life of Mary Magdalene, you'll explore: Complete and concise analyses of Mary Magdalene in the New Testament Mary Magdalene's appearance in the Gnostic gospels The shaky basis for the interpretation of Mary Magdalene as a repentant prostitute The modern discoveries and representations of Mary Magdalene as a vital follower of Jesus' early movements Mary Magdalene's inspirational role in the world today From her misrepresentation as a fallen woman to her growing impact on modern Christianity, *The Everything Mary Magdalene Book* details the Bible's most enigmatic of Jesus' followers, putting some myths to rest and bringing the truth to light!

The Meaning of Mary Magdalene Cynthia Bourgeault, 2010-09-14 The author of *The Wisdom Jesus* takes readers on a journey to discover the real Mary Magdalene—and finds a powerful, ancient model for 21st-century spirituality. Mary Magdalene is one of the most influential symbols in the history of Christianity—yet, if you look in the Bible, you'll find only a handful of verses that speak of her. How did she become such a compelling saint in the face of such paltry evidence? In her effort to answer that question, Cynthia Bourgeault examines the Bible, church tradition, art, legend, and newly discovered

texts to see what's there. She then applies her own reasoning and intuition, informed by the wisdom of the ages-old Christian contemplative tradition. What emerges is a radical view of Mary Magdalene as Jesus's most important disciple, the one he considered to understand his teaching best. That teaching was characterized by a nondualistic approach to the world and by a deep understanding of the value of the feminine. Cynthia shows how an understanding of Mary Magdalene can revitalize contemporary Christianity, how Christians and others can, through her, find their way to Jesus's original teachings and apply them to their modern lives.

ELEVENTH TESTAMENT OF MARY MAGDALENE. MARY. MAGDALENE,2024

In Search of Mary Magdalene Diane Apostolos-Cappadona,American Bible Society,2002 Examines the multiple personae of Mary Magdalene illustrated throughout the canon of Western art.

Mary Magdalene Bruce Chilton,2005-11-01 After 2,000 years of flawed history, here at last is a magnificent new biography of Mary Magdalene that draws her out of the shadows of history and restores her to her rightful place of importance in Christianity. Throughout history, Mary Magdalene has been both revered and reviled, a woman who has taken on many forms—witch, whore, the incarnation of the eternal feminine, the devoted companion (and perhaps even the wife) of Jesus. In this brilliant new biography, Bruce Chilton, a renowned biblical scholar, offers the first complete and authoritative portrait of this fascinating woman. Through groundbreaking interpretations of ancient texts, Chilton shows that Mary played a central role in Jesus' ministry and was a seminal figure in the creation of Christianity. Chilton traces the evolving images of Mary Magdalene and the legends surrounding her. He explains why, despite her prominence, the Gospels actually say so little about her and why the Catholic Church for thousands of years has sought to marginalize her importance. In a probing look at the Church's attitudes toward women, he investigates Christian misogyny in the ancient world, including the suppression of women priests who patterned their activities on Mary's; explores the impact of Gnostic ambivalence toward women on its depictions of Mary; and shows that these traditions still influence modern portrayals of her. Chilton's descriptions of who Mary Magdalene was and what she did challenge the male-dominated history of Christianity familiar to most readers. Placing Mary within the traditions of Jewish female savants, Chilton presents a visionary figure who was fully immersed in the mystical teachings that shaped Jesus' own teachings and a woman who was a religious master in her own right.

Mary Magdalen Bl. Anne Catherine Emmerich,2005-08 The visions of Blessed Anne Catherine Emmerich are the world's greatest source of detail on the life of St. Mary Magdalen -- great sinner and penitent. Fully referenced to The Life of Jesus Christ (their source), these pages agree completely with Sacred Scripture, but also tell of Mary Magdalen's sinful life from age 9, her extravagant attire, her second repentance after falling back into sin, her exorcism by Our Lord, His defense of her against the self-righteous, her relationship with Martha and Lazarus, her external appearance, her role at Calvary and much

more.

Mary Magdalene Maurice Maeterlinck,1910

Mary Magdalene's Legacy Julie de Vere Hunt,2019-06-13 Mary Magdalene was written out of history after the crucifixion. Now her story is being told, a story of what happened to her and what important work she did in those lost years: a story of murder, betrayal, love, faith and courage that rewrites biblical history. An Arab peasant called Muhammad Ali accidentally discovered ancient texts buried in a sealed jar in the mountains in Upper Egypt in 1945. He excitedly smashed the jar expecting to find gold, only to discover inside 13 worthless papyrus books bound in leather. These became known as the Nag Hammadi library, a collection of early Christian and Gnostic texts, written in Greek and dating back to the 1st century AD. Dismissed as heresy by the Orthodox Church, in many of these gnostic texts, Mary Magdalene is portrayed as an enlightened spiritual leader privy to the secret teachings of Jesus. In The Gospel of the Saviour, Jesus calls Mary The Woman Who Knows the All. Set in 1st century Judea, Egypt and France, Mary Magdalene's Legacy follows her life after the crucifixion, carrying on the bloodline of Jesus and transmitting the original teachings of Jesus.

Mary Magdalene Esther A. de Boer,1997-10-01 Much has been written about Mary Magdalene over the years, mostly about who she was not. Who really was Mary Magdalene? The living woman behind the image is still too little known, and Esther de Boer here attempts to fill this gap. Examining not only the Gospel texts and texts from the church fathers, but also texts discovered in the Egyptian desert during the last century that were not contained in the church's tradition (not the least of which is the Gospel of Mary), de Boer presents a vivid, fascinating, and attractive picture of Mary of Magdala - disciple, apostle, and human being.--BOOK JACKET.Title Summary field provided by Blackwell North America, Inc. The Quest For Mary Magdalene Michael Haag,2016-03-17 Mary Magdalene is a larger figure than any text, larger than the Bible or the Church; she has taken on a life of her own. She has been portrayed as a penitent whore, a wealthy woman, Christ's wife, an adulteress, a symbol of the frailty of women and an object of veneration. And, to this day, she remains a potent and mysterious figure. In the manner of a quest, this book follows Mary Magdalene through the centuries, explores how she has been reinterpreted for every age, and examines what she herself reveals about woman and man and the divine. It seeks the real Mary Magdalene in the New Testament and in the Gnostic gospels where she is extolled as the chief disciple of Christ. It investigates how and why the Church recast her as a fallen woman, it traces her story through the Renaissance when she became a goddess of beauty and love, and it looks at Mary Magdalene as the feminist icon she has become today.
