Tha Wreck'n Crew Low Life,2015-01-09 Im guilty of everything they say I do Dear ma. These are things you didnt know: Im sorry; I let the streets take your baby from you. Ma, I know I do dirt But it aint because I am dirty But since I was a little oneI never felt worthy I know I got skillsBut Id rather smoke and chill And I wish I could tell you how I really feel About what I wantedBut turned out to be I went from being your little angelTo acting like a complete stranger I use to come home every night Now when I leave aint no telling when I am coming back At the age of twelve, I joined a gang And since then my life

aint been the same I been shot at, so I bought a pistol and shot back I got robbed once, and since then I robbed three I never have, but rode in stolen cars Been in a high speed chase, wreaked it and got away When I was sixteen, I got locked up four times I aint been seventeen six months and I am already on number two I know this is not the life you planned for me Ma, but life is full of choicesI just chose the wrong oneI guess See to me time is precious, and since I dont know how much longer I got I plan to live my life to the fullestBefore it is too late YesI do wonder 24/7 how you feel about me deeply to have ambition And slowly see it slipping away, wanting to help, but not knowing wat to say What I turn out to be Ma, you did your job And I am sorry, I let the streets take your baby from you. Destiny's Mastery: The Christian Larson Collection [Mastery of Fate/ The Great Within/ How The Mind Works]

Christian D Larson,2024-04-09 Destiny's Mastery: The Christian Larson Collection is an empowering trilogy that unveils the boundless potential within each individual. This collection brings together three of Christian D. Larson's most profound works—Mastery of Fate, The Great Within, and How The Mind Works—guiding readers on a journey of self-discovery, personal mastery, and mental transformation. ***** An interesting collection with valuable insights, but some concepts felt repetitive across the three books. While the messages are inspiring, I was hoping for more modern examples to connect with today's world. Still, a good read for those new to self-development literature. ***** Christian Larson's work is truly eye-opening. His ideas on the subconscious mind and personal mastery are both practical and thought-provoking. This collection is a great introduction to understanding how our thoughts shape our lives. A must-read for self-improvement enthusiasts! ***** A powerful compilation of wisdom that encourages readers to take charge of their destiny. Larson's teachings on mental discipline and inner strength are timeless. While some sections are a bit dense, the overall impact is deeply motivating and inspiring. ***** This book has completely transformed the way I view my own potential. Larson's insights into the mind's power and subconscious energy are groundbreaking. I found myself highlighting passages on almost every page. Highly recommended for anyone on a journey of self-discovery! ***** A masterpiece in personal development literature! Larson's words resonate deeply, providing both philosophical depth and practical strategies for mastering life. If you are looking to elevate your mindset and take control of your fate, this collection is a must-have!
