**A Deadly Covenant** Michael Stanley, 2022-09-01 I found *A Deadly Covenant* completely intriguing and engrossing, and the Bushman scenes fascinating. Vividly painted scenery, and I can feel the oppressive heat. Talk about Sunshine Noir! – Kwei Quartey, author of the Emma Djan and Darko Dawson mysteries The unmatched beauty, spirit, and mystery of Africa never fails to come to life in Michael Stanley's award-winning Botswana-based Detective 'Kubu' series. *A Deadly Covenant* is an irresistible page-turner and a powerful contribution to the Kubu saga. – Jeffrey Siger, author of the Andreas Kaldis series This is the eighth book in the Detective Kubu series and the second with him as a young man. While building a pipeline near the Okavango Delta, a contractor unearths the skeleton of a long-dead Bushman. Kubu and Scottish pathologist, Ian MacGregor, are sent to investigate, and MacGregor discovers eight more skeletons. Then an elder of the nearby village is murdered at his home. The local police believe it was a robbery, but Kubu thinks otherwise. So does a strange woman who claims it was an angry river spirit. The situation gets more confusing when the strange woman is found dead, apparently killed by a crocodile. Assistant Superintendent Mabaku joins them as accusations of corruption are leveled and international outrage builds over the massacre of the Bushman families. But how do the recent murders link to the dead Bushmen, if at all? As Kubu and his colleagues investigate, they uncover a deadly covenant and begin to fear that their own lives may be in danger. The young Kubu's second big case mixes local mythology and tradition with smart police work to make for a satisfyingly immersive mystery that begs resolution until the last, unpredictable moment.

**Devil's Peak** Deon Meyer, 2024-09-24 A South African detective races to catch a vigilante killer preying on dangerous criminals in this gripping thriller. One of the sharpest and most perceptive thriller writers around. — The Times (UK) A young woman makes a terrible confession to a priest. An honorable man takes his own revenge for an unspeakable tragedy. An aging inspector tries to get himself sober while taking on the most difficult case of his career. From this beginning, Deon Meyer weaves a story of astonishing complexity and suspense, as Inspector Benny Griessel faces off against a dangerous vigilante who has everything on his side, including public sympathy. A gruesome abuse case has hit the newsstands, and one man has taken it upon himself to stand up for the children of Cape Town. When the accused is found stabbed through the heart by spear, it's only the beginning of a string of bloody murders—and of a dangerous dilemma for detective Griessel. The detective is always just one step behind as someone slays the city's killers. But the paths of Griessel and the avenger collide when a young prostitute lures them both into a dangerous plan—and the two find themselves with a heart-stopping problem that no system of justice could ever make right. Complex, finely wrought characters, keen psychological insight and a compelling plot lift this crime novel. . . . This book is easily Meyer's finest effort to date. — Publishers Weekly (starred review)

**The Dark Flood** Deon Meyer, 2022-05-03 Disappearances ensnare two South African detectives in a web of corruption in this stunning thriller by the Barry Award-winning author of *The Last Hunt*. Assigned to investigate the disappearance of a young university student and brilliant computer programmer detectives Benny Griessel and Vaughn Cupido hit dead ends. But the trail—including the death of a fellow police officer—leads to a series of gun heists and the alarming absence of certain weapons from the police registry, the ramifications of which could be devastating. As Griessel and Cupido intensify their search, real estate agent Sandra Steenberg confronts her own crisis: state corruption has caused the real estate market to crash, exacerbating the dire financial straits facing her family. She puts aside her misgivings to work for a notorious billionaire and playboy, only to have him disappear on her. Now Griessel is forced to juggle between the man's bitter wife, protective lawyer, and Steenberg, the last person to see him alive. With propulsive and intricate plotting, sharp prose, and an ending that takes one's breath away just when the dust seems to have settled, *The Dark Flood* spotlights the state capture and corruption that has overtaken the country, lending political weight to a powerful story. **The Woman in the Blue Cloak** Deon Meyer, 2020-04-21 Internationally acclaimed writer Deon Meyer returns to his beloved Benny Griessel series with a case that combines the disappearance of an Old Masters painting with a grisly murder. Early on a May morning in the depth of South Africa's winter, a woman's naked body, washed in bleach, is discovered on a stone wall beside the N2 highway at the top of Sir Lowry's Pass, some thirty-five miles from Cape Town. The local investigation stalls, so the case is referred to Captain Benny Griessel and his colorful partner Vaughn Cupido of the Hawks—the Directorate for Priority Crime Investigations. The woman proves to be Alicia Lewis, an expert in old Dutch Masters paintings specializing in the recovery of valuable lost art. Discovering the two men she had contacted before coming to South Africa reveals what she was seeking—a rare painting by Carel Fabritius, Rembrandt's finest student, not seen since it disappeared from Delft in 1654. But how Lewis died, why, and at whose hand shocks even the two veteran detectives. The Woman in the Blue Cloak is a compact jewel of a thriller, filled with Deon Meyer's earthy dialogue, clever plotting, and the memorable characters that have peopled all of Deon Meyer's award-winning novels.

Cobra Deon Meyer, 2014-10-07 A riveting thriller from the acclaimed “King of South African crime” and the author of Blood Safari: “Deon Meyer is one of the unsung masters” (Michael Connelly). Deon Meyer is a world-class writer whose page-turning thrillers probe the social and racial complexities of his native country. In Cobra, a famous English mathematician is kidnapped and his two bodyguards are killed at a guesthouse in the beautiful wine country outside Cape Town. It’s clearly a professional hit, and the spent shell cases offer a chilling clue: each is engraved with the head of a spitting cobra. Meanwhile, in the city, a skilled thief is using his talents to put his sister through college. But he picks the wrong pocket, grabbing the wallet of a young American woman delivering something very valuable and dangerous to South Africa. The thief not only becomes the target of the deadly hit man known as the Cobra, but unwittingly holds the key to stopping a deadly international threat. It’s up to Captain Benny Griessel and his elite investigation team to find the pickpocket and track down the Cobra as the novel hurtles toward a brilliant, heart-stopping finale on the suburban commuter trains. “Mr. Meyer, the leading thriller writer in his native country, traffics in crime-novel situations familiar the world over: drunken cops, charming robbers, dangerous murderers, sudden violence—and sometimes, issues of race.” —The Wall Street Journal

**The Last Hunt** Deon Meyer, 2020-04-07 A cold case reaches from Cape Town's shadowy past to bucolic Bordeaux, France, in this thriller by the Barry Award-winning author of *Thirteen Hours*. When a cold case dossier lands on Captain Benny Griessel's desk, he and his partner Vaughn Cupido, fellow member of the Hawks elite police unit in South Africa, reluctantly set to work reviewing the evidence. Did ex-cop Johnson Johnson simply disappear on the world's most luxurious train line—or was he murdered? Two fellow travelers might have the answers Griessel and Cupido need, but they too seem to have disappeared, and the few clues that exist suggest a cover-up. Meanwhile, Daniel Darret has settled into a new, quiet life in Bordeaux, far from his revolutionary past in South Africa. But now a man from that past has reappeared. And he wants to commission Daniel's unique skills one more time. As the two storylines come crashing together, Griessel and Cupido are left uncertain of the truth—and of their own future. A top-notch addition to the acclaimed Benny Griessel series, *The Last Hunt* makes a brave and powerful statement about the pervasive corruption that has stolen so much from Deon Meyer's native country. "Superb...this may be the breakthrough book this author deserves."—Publishers Weekly (starred review)

**Icarus** Deon Meyer, 2015-10-06 This series featuring South African detective Benny Griessel "is one of the high points of contemporary crime fiction" and "Icarus is his best yet" (The Guardian). When a plastic-wrapped corpse is found amidst the sand dunes north of Cape Town, it doesn't take long for the police to identify the body as Ernst Richter—the tech whiz behind MyAlibi, an Internet service that provides unfaithful partners with sophisticated cover stories to hide their affairs. The murder quickly becomes the subject of fierce media speculation, with questions swirling about potential motives and perpetrators. Maybe it was one of MyAlibi's countless jilted spouses, or perhaps an aggrieved client. With a spotlight shining on the investigation, detective Benny Griessel's boss wants him on the case—and he won't take no for an answer. Before the week is out, a connection to a storied family winery comes to light and adds another layer of tension. But Griessel will have to make sure his suspicions are beyond the shadow of a doubt—or it might be his head on the chopping block. "Meyer . . . has long been hailed as South Africa's greatest crime writer. *Icarus* places him firmly in the top international league." —The Times (London) "Meyer has perfected structure and pace, reveals and red herrings, chapter beats, plot and subplot but he enriches the story with fascinating detail." —The Sunday Times "A meticulously crafted portrait of modern-day South Africa, *Icarus* is a spellbinding tour de force." —New York Journal of Books

**The Woman in the Blue Cloak** Deon Meyer, 2019-05-07 A death in South Africa may be tied to a centuries-old painting: "Is it O.K. to call a murder mystery 'lovely'? That's the word that comes to mind."—Marilyn Stasio, The New York Times Book Review Early on a May morning in the depth of South Africa's winter, a woman's naked body, washed in bleach, is discovered on a stone wall beside a highway some thirty-five miles from Cape Town. The local investigation stalls, so the case is referred to Captains Benny Griessel and Vaughn Cupido of the Hawks—the Directorate for Priority Crime Investigations. The woman is an American named Alicia Lewis, an expert in old Dutch Masters paintings specializing in the recovery of valuable lost art.

But how Lewis died, why, and at whose hand shocks even the two veteran detectives, in this compact jewel of a thriller from a multiple award-winning author. "Just the thing for a one-sitting read."—Kirkus Reviews "Deon Meyer's Benny Griessel series is one of the high points of contemporary crime fiction."—Guardian "A serious writer who richly deserves the international reputation he has built."—The Washington Post

**Cobra** Deon Meyer, 2015-02-03 A new heart-stopping thriller from internationally acclaimed crime writer Deon Meyer. Why would a mathematics professor from Cambridge University, renting a holiday home outside Cape Town, require a false identity and 3 bodyguards? And where is he, now that they are dead? The only clue to the bodyguards' murder is the snake engraved on the shell casings of the bullets that killed them. Investigating the massacre, Benny Griessel and his team find themselves being drawn into an international conspiracy with shocking implications. It seems it is not just the terrorists and criminals of Britain and South Africa who may fear the professor's work, but the politicians too. As the body count begins to spiral viciously, Benny must put his new-found love life aside and focus on finding the one person who could give him a break in the case: a teenage pickpocket on the run in the city. But Benny is not the only person hunting for Tyrone Kleinbooi... Relentlessly suspenseful, topical, hard-hitting and richly rewarding, *Cobra* is a superb novel from an author who is acclaimed around the world as a brilliant voice in crime fiction.

**Crime Fiction and the Law** Maria Aristodemou, Fiona Macmillan, Patricia Tuitt, 2016-12-08 This book opens up a range of important perspectives on law and violence by considering the ways in which their relationship is formulated in literature, television and film. Employing critical legal theory to address the relationship between crime fiction, law and justice, it considers a range of topics, including: the relationship between crime fiction, legal reasoning and critique; questions surrounding the relationship between law and justice; gender issues; the legal, political and social impacts of fictional representations of crime and justice; post-colonial perspectives on crime fiction; as well as the impact of law itself on the crime fiction's development.
