TV in the USA Vincent LoBrutto,2018-01-04 This three-volume set is a valuable resource for researching the history of American television. An encyclopedic range of information documents how television forever changed the face of media and continues to be a powerful influence on society. What are the reasons behind enduring popularity of television genres such as police crime dramas, soap operas, sitcoms, and reality TV? What impact has television had on the culture and morality of American life? Does television largely emulate and reflect real life and society, or vice versa? How does television's influence differ from that of other media such as newspapers and magazines, radio, movies, and the Internet? These are just a few of the questions explored in the three-volume encyclopedia *TV in the USA: A History of Icons, Idols, and Ideas*. This expansive set covers television from 1950 to the present day, addressing shows of all genres, well-known programs and short-lived series alike, broadcast on the traditional and cable networks. All three volumes lead off with a keynote essay regarding the technical and historical features of the decade(s) covered. Each entry on a specific show investigates the narrative, themes, and history of the program; provides comprehensive information about when the show started and ended, and why; and identifies the star players, directors, producers, and other key members of the crew of each television production. The set also features essays that explore how a particular program or type of show has influenced or reflected American society, and it includes numerous sidebars packed with interesting data, related information, and additional insights into the subject matter.

George Burns and Gracie Allen Cynthia Clements,Sandra Weber,1996-08-23 In the minds of today's audiences, George Burns was a solo act. But in the history of show business, he will long be remembered for his work with Gracie Allen. Few performers have enjoyed so much popular and critical acclaim. Together they enjoyed phenomenal success in vaudeville, radio, television, and film. Although they were celebrities, the two performers enjoyed a life remarkably free of scandal. After the death of Allen in 1964, Burns made commercials, a music video, and an exercise video. He wrote books and won numerous awards, and his nightclub and convention appearances did not stop until shortly before his death. Through a thoughtful biography and detailed entries, this book serves as a comprehensive reference to the careers of Burns and Allen together and individually. The biography summarizes their rise as vaudeville performers, their work in a range of media, and

Burns' continued achievements after Allen's death. Sections of the book cover their work on the stage, on radio, on television, and in films. Each section provides detailed entries for their performances, including cast and credit information, plot synopses, and review excerpts. Appendices list their awards, personal appearances, and archives; and an extensive annotated bibliography cites and discusses sources of additional information.

The Encyclopedia of Television, Cable, and Video R.M. Reed, M.K. Reed, 2012-12-06 This is a major reference work about the overlapping fields of television, cable and video. The Sitcom Jeremy G. Butler, 2019-10-09 In this new Routledge Television Guidebook, Jeremy G. Butler studies our love-hate relationship with the durable sitcom, analyzing the genre's position as a major media artefact within American culture and providing a historical overview of its evolution in the USA. Everyone loves the sitcom genre; and yet, paradoxically, everyone hates the sitcom, too. This book examines themes of gender, race, ethnicity, and the family that are always at the core of humor in our culture, tracking how those discourses are embedded in the sitcom's relatively rigid storytelling structures. Butler pays particular attention to the sitcom's position in today's post-network media landscape and sample

analyses of *Sex and the City*, *Black-ish*, *The Simpsons*, and *The Andy Griffith Show* illuminate how the sitcom is infused with foundational American values. At once contemporary and reflective, *The Sitcom* is a must-read for students and scholars of television, comedy, and broader media studies, and a great classroom text.

The New Biographical Dictionary of Film David Thomson, 2010-10-26 For almost thirty years, David Thomson's *Biographical Dictionary of Film* has been not merely "the finest reference book ever written about movies" (Graham Fuller, Interview), not merely the "desert island book" of art critic David Sylvester, not merely "a great, crazy masterpiece" (Geoff Dyer, *The Guardian*), but also "fiendishly seductive" (Greil Marcus, *Rolling Stone*). This new edition updates the older entries and adds 30 new ones: Darren Aronofsky, Emmanuelle Beart, Jerry Bruckheimer, Larry Clark, Jennifer Connelly, Chris Cooper, Sofia Coppola, Alfonso Cuarón, Richard Curtis, Sir Richard Eyre, Sir Michael Gambon, Christopher Guest, Alejandro González Inarritu, Spike Jonze, Wong Kar-Wai, Laura Linney, Tobey Maguire, Michael Moore, Samantha Morton, Mike Myers, Christopher Nolan, Dennis Price, Adam Sandler, Kevin Smith, Kiefer Sutherland, Charlize Theron, Larry Wachowski and Andy Wachowski, Lew Wasserman, Naomi Watts, and Ray Winstone. In all, the book includes more than 1300 entries, some of them just a pungent paragraph, some of them several thousand words long. In addition to the new "musts," Thomson has added key figures from film history—lively anatomies of Graham Greene, Eddie Cantor, Pauline Kael, Abbott and Costello, Noël Coward, Hoagy Carmichael, Dorothy Gish, Rin Tin Tin, and more. Here is a great, rare book, one that encompasses the chaos of art, entertainment, money, vulgarity, and nonsense that we call the movies. Personal, opinionated, funny, daring, provocative, and passionate, it is the one book that every filmmaker and film buff must own. *Time Out* named it one of the ten best books of the 1990s. Gavin Lambert recognized it as "a work of imagination in its own right." Now better than ever—a masterwork by the man playwright David Hare called "the most stimulating and thoughtful film critic now writing."

Say Goodnight, Cassie Ryne E. Hancock, 2012-07 In 2011, the LSU Tigers were one of the best teams in all of college football, capturing the program's 11th SEC championship and earning a spot in the BCS title game against the Alabama Crimson Tide, capturing the hearts of people in and around Baton Rouge and New Orleans. However, a cast of characters, as well as a memorable friendship tied around the 2011 LSU season, are all part of *Say Goodnight Cassie*. The magical and unsung story of LSU's Perfect Regular Season. Written by LSU fan and college football writer, Ryne E. Hancock, the story of the 2011 LSU season is told through the eyes of the fans and the media members who covered the team, as well as focuses on themes of friendships and faith wrapped around a season like no other.

Life Goes On Kim Haymans, 2014-01-24 All loss is difficult, but death by suicide is a traumatic loss that brings with it more than just grief. Suicide leaves the surviving family members and friends with unfounded feelings of guilt and shame, questions that can never be answered, and regrets that make accepting the death almost impossible. When my husband took his own life in 2009, my life spiraled out of control for a time. I struggled to understand what had happened, why it

happened, and, most of all, why I didn't see it coming. I blamed myself and for a time wanted to give up and die. Living and dealing with the events surrounding his death were just too difficult and painful. I questioned everybody and everything in my life including God. In time, with the help of family members, friends, counselors, pastors, and prayer, I found my way out of the depths of my despair. I gradually began to put my life back together again slowly but surely, one piece at the time. My life is drastically different now from what I imagined it would be when I first married. I've had to accept changes that were forced on me, but I've tried to make the best of those changes and use them in a positive way. I began writing a blog two years after my husband's death as a means of therapy for myself. I never dreamed it would turn into something that would help others as well. After keeping my blog going for two years, I decided to pursue turning it into a book. *Life Goes On: Picking Up the Pieces After a Loved One's Suicide* is the result of my personal experience and is told straight from the heart with total honesty.

From Small Screen to Vinyl Bob Leszczak, 2015-06-25 From its infancy, television networks and studios explore other avenues to increase their revenues. Conveniently enough, several film studios and production companies—MGM, MTM, Columbia/Screen Gems, Talent Associates, Warner Brothers—had their own record label divisions. The obvious benefit was cross promotion: a television series could be plugged on the record and the record could be promoted on the TV show. Though few and far between, several television performers went on to become major recording stars. Ricky Nelson started as a child actor on *The Adventures of Ozzie and Harriet* before dominating rock and pop charts. Johnny Crawford of *The Rifleman*, Walter Brennan of *The Real McCoys*, and even Bruce Willis of *Moonlighting* all scored Top Ten hit singles. But these were just the standouts from the hundreds of TV actors who recorded songs, and the stories behind their records are simply fascinating. In *From Small Screen to Vinyl: A Guide to TV Stars Who Made Records 1950-2000*, author Bob Leszczak offers a look at hundreds of stars who performed double duty: as a television performer as well as a recording artist. He looks not only at the show and the performer but the behind-the-scenes dramas that unfolded as each attempted to tackle the two different mediums. Through his interviews with many of these multitaskers, the author has uncovered new, and mostly never before known facts about those who sought to conquer the world of vinyl. As Leszczak stresses, most eagerly embraced the opportunity to record, while others saw it as a necessary evil—the result of contractual obligations or industry pressures. Entries are listed alphabetically from Nick Adams (of *The Rebel*) to Efrem Zimbalist, Jr. (of *77 Sunset Strip*). Also included are over 80 photos of these rare releases taken from the author's private collection. For a new look at your old favorites, *From Small Screen to Vinyl*, will let you see that just because one is a TV star does not mean that he or she does not have the ability to expand beyond their acting prowess. Baby boomers, fans of classic hits radio, and devotees of classic TV programs will find *From Small Screen to Vinyl* a treasure trove of TV and record trivia—and no TV or music library can be considered complete without it.

The Platinum Age of Television David Bianculli, 2017-09-05 Television today is better than ever. From *The Sopranos* to *Breaking Bad*, *Sex and the City* to *Girls*, and *Modern Family* to *Louie*, never has so much quality programming dominated our screens. Exploring how we got here, acclaimed TV critic David Bianculli traces the evolution of the classic TV genres, among them the sitcom, the crime show, the miniseries, the soap opera, the Western, the animated series, the medical drama, and the variety show. In each genre he selects five key examples of the form to illustrate its continuities and its dramatic departures. Drawing on exclusive and in-depth interviews with many of the most famed auteurs in television history, Bianculli shows how the medium has evolved into the premier form of visual narrative art. Includes interviews with: MEL BROOKS, MATT GROENING, DAVID CHASE, KEVIN SPACEY, AMY SCHUMER, VINCE GILLIGAN, AARON SORKIN, MATTHEW WEINER, JUDD APATOW, LOUIS C.K., DAVID MILCH, DAVID E. KELLEY, JAMES L. BROOKS, LARRY DAVID, KEN BURNS, LARRY WILMORE, AND MANY, MANY MORE

Storytellers to the Nation Tom Stempel, 1996-05-01 Jam-packed with hundreds of anecdotes and quotes from in-depth interviews with over forty television writers, this is the first comprehensive history of writing for American television. These writers tell, often in wonderfully funny tales, of their experiences working with, and often fighting with, the networks, the censors, the sponsors, the producers, and the stars in trying to create shows.
