

I Dont Want You Like A Best Friend

Henrik Ibsen

Don't Want You Like a Best Friend Emma R. Alban, 2024-01-09 A swoon-worthy debut queer Victorian romance in which two debutantes distract themselves from having to seek husbands by setting up their widowed parents, and instead find their perfect match in each other—the lesbian Bridgerton/Parent Trap you never knew you needed! Gwen has a brilliant beyond brilliant idea. It's 1857, and anxious debutante Beth has just one season to snag a wealthy husband, or she and her mother will be out on the street. But playing the blushing ingenue makes Beth's skin crawl and she'd rather be anywhere but here. Gwen, on the other hand, is on her fourth season and counting, with absolutely no intention of finding a husband, possibly ever. She figures she has plenty of security as the only daughter of a rakish earl, from whom she's gotten all her flair, fun, and less-than-proper party games. "Let's get them together," she says. It doesn't take long for Gwen to hatch her latest scheme: rather than surrender Beth to courtship, they should set up Gwen's father and Beth's newly widowed mother. Let them get married instead. "It'll be easy" she says. There's just...one, teeny, tiny problem. Their parents kind of seem to hate each other. But no worries. Beth and Gwen are more than up to the challenge of a little twenty-year-old heartbreak. How hard can parent-trapping widowed ex-lovers be? Of course, just as their plan begins to unfold, a handsome, wealthy viscount starts calling on Beth, offering up the perfect, secure marriage. Beth's not mature enough for this... Now Gwen must face the prospect of sharing Beth with someone else, forever. And Beth must reckon with the fact that she's caught feelings, hard, and they're definitely not for her potential fiancé. That's the trouble with matchmaking: sometimes you accidentally fall in love with your best friend in the process.

The billionaire's fiancée Marie Levers, Business. I hate that stupid word with a passion. I hate everything about it. Every time I see that awful word I turn the other way. How it made my family not to be a real family. How it made my brother busy

Bianca Harrison has had a wild twenty four years. Her brother, Blake, was always there for her. He would scare away boys who would come to take her on dates. He'd make sure she did her school homework. He did everything she expected from her father. Her nanny, Janet, from when she was a kid was always there for her. She was her shoulder to cry on. She'd make sure her room was clean and she had a good meal. She did everything Bianca expected from her mother. Bianca's boyfriend of four years just broke up with her. Bianca was heart broken. She went to her parents, who were home for once, and regretted it instantly. Her father said he had something in mind, but Bianca had no clue it would be this extreme. ~Temporarily~ Shania Soler, 2012-08-08 Does anyone ever really die? Or Is it just that some lives are different than others? After years and years, or rather centuries and centuries, of mourning over her brother's death, Lia finally thought that she was over it. She's proven wrong when she continuously visits his grave. The reason for this is because Lia still feels a responsibility. Ever since that day ages ago, Lia has told herself that it's her fault that he's dead. Her every day visits to her brother's grave are soon put on hold though when a new guy shows up in Denver, Colorado. He goes by the name Tristan. As soon as Lia hears the name, something goes off in her head telling her she's heard it before. Only thing is, she can't remember where or when. Aside from his name, as soon as their first meeting is over, it's clear that he's taken an interest in her. But since the day Tristan showed up nothing good has come to Lia. Murders start happening, Emotions that don't make sense to Lia come up, an old friend comes back, a promise is remembered, and memories start to rouse from a long forgotten slumber. Lia's everyday normal life is no longer around, nor will it ever be again. She must stay hidden as best she can and try to stay away from Tristan. The only faulty in that plan is that Tristan may very well be the only thing bringing back those lost emotions along with some valuable memories.

Seventeen-year-old Aussie Che Taylor loves his younger sister, Rosa. But he's also certain that she's a psychopath—clinically, threateningly, dangerously. Recently Rosa has been making trouble, hurting things. Che is the only one who knows; he's the only one his sister trusts. Rosa is smart, talented, pretty, and very good at hiding what she is and the manipulation she's capable of. Their parents, whose business takes the family from place to place, brush off the warning signs as Rosa's "acting out." Now that they have moved again—from Bangkok to New York City—their new hometown provides far too many opportunities for Rosa to play her increasingly complex and disturbing games. Che's always been Rosa's rock, protecting her from the world. Now, the world might need protection from her.
