*Illusions* Richard Bach, 1989-10-10 In the unforgettable sequel to the bestselling Jonathan Livingston Seagull, two barnstorming vagabonds meet in the fields of Midwest America and embark on an entertaining and sometimes startling mystical adventure that presents a new perspective on reality, miracles, and the way many of us could live—if we're up for the challenge. In the cloud-washed airspace between the cornfields of Illinois and blue infinity, a man puts his faith in the propeller of his biplane. For disillusioned writer and itinerant barnstormer Richard Bach, belief is as real as a full tank of gas and sparks firing in the cylinders . . . until he meets Donald Shimoda—former mechanic and self-described messiah who can make wrenches fly and Richard's imagination soar. . . . In *Illusions*, Richard Bach takes to the air to discover the ageless truths that give our souls wings: that people don't need airplanes to soar . . . that even the darkest clouds have meaning once we lift ourselves above them . . . and that messiahs can be found in the unlikeliest places—like hay fields, one-traffic-light midwestern towns, and most of all, deep within ourselves.

The Present. Jason Paul Jelichich,2016-12-27 When is the last time that you did nothing for 10mins? Not reading...not watching TV...not even thinking? For many this seems an impossible feat. Life is just too busy. We have become so consumed by our work, smartphones and gossip that we have lost touch with our natural selves. This disconnection is the root cause of much of the pain we suffer, a pain that arises from our resistance to what is. You likely have been thinking about 'doing something about this' for a while now, knowing that your current trajectory leaves little left in the tank for self-care. Like most of us, you have experienced that feeling of restlessness that keeps your mind whirring, even in moments of repose. The world just keeps on getting faster, and you find yourself struggling to keep pace, to stay on top of things, to stay centred. The Present is written for people just like you. It is a laypersons guide to mindfulness, offering insights and practices on how to be less tangled up in your thoughts about the past and/or future - and become more present. After all, when you are present you are happy, in fact, it's impossible to be happy and not to be present! You're bound to get at least one idea that resonates with you and sets you on a path towards more peace and contentment in your life. Perhaps the best news of all is that it can happen right here, right now.

**The Jasper Love Trilogy** Onyx Cantor,2020-03-02 This is the story of one man's triumph over Cult Religion. As a preacher's son, Jasper Love struggled to comply with the dogma and bigotry of the unpredictably changeable Doctrine of Good Enough dictated by Cult Religion. He and four sisters labored to comply with cult demands consistent with their mother's mantra: "People expect preacher's kids to be perfect." The Voice of Truth (bestowed on Jasper as a child in a genuine salvation encounter with Jesus Christ) conflicts with voices of deception from pulpits and pews, triggering crippling anxiety, depression, and suicidal ideation. Further compounding his confusion is a terrifying awareness of the cult's distortion of scripture concerning his innate identity. When a Connecticut preacher detects his private struggle, the Bible scholar promises: "If you marry a good Pentecostal girl, this thing will just fade away." Jasper foolishly accepts the challenge, believing that the pastor's counsel is based on Truth. A 32-year battle ensues, during which a Pentecostal preacher's daughter who, aware of his struggle and trained in Exploitation of Advantage, manipulates and controls the miserable husband who strives to suppress and conceal an innate identity which "simply won't leave me alone." Cultists despise his genuine relationship with God when the Holy Spirit weakens the tenacious grasp of the antiChrist's claim on his soul, rescuing him from abominable doctrines through Spiritual Enlightenment to Truth Absolute. Spiritual Warfare ensues, during which he is molested by authority figures, betrayed by cult dishonesty, falls into sin, is attacked by demons, and is delivered by the Holy Ghost through visions of spiritual combat between the demons of Cult Religion and the Angels of Truth. In the end, his foolish attempt to conform with the Doctrine of Good Enough predictably results in the destruction of everything he wasted a lifetime building: marriage, family, home, career, material wealth, and reputation. Yet, in losing all, he is delivered from the Darkness of cult idolatry, whereupon he is finally free to immerse himself in genuine Truth, Light, and Love, breaking the tyrannical chains of Cult Religion. Released by the Holy Spirit from cult bondage, he is at last unleashed to fulfill his destiny: To teach the Truth about Jasper Love (that boundless, unconditional love known only to those who

genuinely experience Spiritual Enlightenment) to a people deceived by the hateful harlots of idolatry who are nothing more than power-crazed, authoritarian, self-aggrandizing, despotic antiChrist heretics who worship only one god - CONTROL.

**Authentic Being** Dr. James R. McCartney, 2013-06 This is a book about the importance of choice in the lives of people. Two philosophies, Existentialism and New Thought Philosophy, speak in their own language of taking the hero's journey by accepting and expressing life authentically. This book looks at things that get in the way of choosing our true life; it is about the courageous adventure of being authentic. It is a book about you and me, it is about the evolution of human kind. This book begins by defining and comparing philosophical concepts of authenticity. It continues by looking at the expectations and rewards of achieving self-discovery through authenticity. This is followed by a brief history of New Thought Philosophy from the time of transcendentalism to the present day. Existentialism is presented in a variety of forms such as the theological as represented by Soren Kierkegaard, and the atheism of Friedrich Nietzsche, Jean-Paul Sartre and Albert Camus. We also look at the basic premises of existential psychotherapy through the eyes of Rollo May. The chapter which follows describes the work of Henri Bergson's argument with Darwin's mechanistic concept of random variations in the evolutionary process of living things. The writing concludes by describing the spiritual childhood of two brothers who exemplify freedom and naïve authenticity. Colorful meditations are included at the end of the book with the intention of facilitating introspection and self-acceptance.
