

Is 23 Minutes In Hell A True Story

Steven H. Propp

Human, Archhuman, Satanic LCFNS,2023-02-24 What do I care about the rest? - The rest is only humanity. - One must be superior to humanity by strength, by heights of spirit, - by contempt... - Friedrich Nietzsche It is not the belief in the non-existence of gods that is in question, but the complete absence of this belief. This complete denial of the certainty of what is expected, the conviction of what is not seen must come from the Devil himself. If nature is fallen because sin came into the world, then the instinctive, natural rejection of faith in favour of reason must derive from original sin. It was Eve who first, enlightened by the Serpent, chose knowledge over blind faith. Yahweh God went into a holy rage when He learned that man had chosen Satan's truth over mindless belief in his dogmas. It is Satan who represents knowledge instead of faith; Satan lacks faith in god. Satan is the negation of god, he is the Anti-God. Satanism is the negation of religion, it is anti-religion.

Godless Satanism Doctrine LCFNS,2024-09-09 The satanic book Godless Satanism Doctrine contains a system of views, claims and assumptions of the godless theology of the Ecclesia Luciferi system. Hostile to reality and the true picture of the world, the theistic theology of the Abrahamic religions sees the true nature of the world as subject to the power of Satan. Possessing all divine and Satanic attributes, the eternal Universe really exists. Everything that exists was created in and by him. All the laws that govern reality belong to it. The Universe is a brute and indifferent reality/entity. Yahweh God or any other god is a speculation created in the minds of beings created by the Universe. The real existing, non-speculative universe has all the characteristics of the true God-Satan. The Universe, from the perspective of the godless theology of Ecclesia Luciferi, could be described as a self-organizing Godless/Satanic and eternal entity from which all kinds of patterns emerge, which we call the laws of godless nature. Every animal including the human animal responds to these laws instinctively and intuitively, that is, it has the innate and inherited ability to respond correctly to their demands which is necessary for animal survival. This process is subconscious and cannot be controlled. Attempting to defy the eternal and ungodly laws of a satanic entity must end in sickness and death. The laws given by an imaginary theistic god are completely contrary to the natural laws emerging from the godless being of the universe. Godless Satanism Doctrine

Jesus: His Story in Stone Mike Mason, 2017-09-12 *Jesus: His Story in Stone* is a reflection on still-existing stone objects that Jesus would have known, seen, or even touched. Each of the seventy short chapters is accompanied by a photograph taken on location in Israel. Arranged chronologically, the one-page meditations compose a portrait of Christ as seen through the significant stones in His life, from the cave where He was born to the rock of Calvary. While packed with historical and archaeological detail, the book’s main thrust is devotional, leading the reader both spiritually and physically closer to Jesus.

Jesus Is the Way, Truth, Life Michael Pietrzyk, 2020-08-19 If you cannot comfortably say with confidence that Jesus died for your sins and opens the door of salvation for you or that you deny Jesus, then this book is for you. So many Christians take Jesus for granted, and so many people do not understand His torment and the suffering He endured for us. We began a spiritual journey when we enter this world. We have a natural body and a world full of responsibilities to challenge us on our journey. We are influenced by many outside sources and personal interactions with our family members and friends. Ultimately, we make the most important decision of our life. Do we believe in God and accept Jesus as our Savior, or do we reject God and accept atheism? When you analyze the facts of the life of Jesus, his loving teachings, his horrible suffering, death and miraculous resurrection, you come to understand He did it for you. Jesus is the Way, the Truth, and the Life. His teaching brings light into your life. Jesus is the gateway to eternal happiness when we leave this world. Atheism with its evil influence wants to drag you down and have you reject God. Atheists are in total denial about God, Jesus, supernatural experiences, something from nothing, and the wisdom in the formation of this universe and mankind. Atheists want you to believe you will simply rot in the ground and accept life with no future hope. If you are an atheist, don't laugh at this thought and concern. As a Christian, I care for you and your soul. That is certainly more than what the atheistic thinking has in mind for you. Atheism, under the influence of Satan, offers you nothing but the door way to eternal conscious separation from God. This book is a direct challenge to the thoughts and beliefs of the atheist. I wrote this book with the hope it just might stir the mind of a non-believer. Then believing the Holy Spirit will do the rest.

Dead Soul Syndrome Jay Altieri, 2010-08-01 Most Evangelical Christians only know and thoroughly believe the traditional doctrine of eternal torment in Hell for the lost and eternal bliss in Heaven for the saved. As a result, they neglect scores of Bible verses with that provide an alternative teaching. This book veers from some long-held assumptions while reinforcing others, as it humbly attempts to discover the truth of what the Bible teaches about the hereafter. Written for the serious layman, scripturally founded clergy, and open-minded scholar, Dead Soul Syndrome provides wisdom and thought-provoking insight for those interested in thinking anew about heaven and hell.

After This Claire Bidwell Smith, 2015-04-28 In *After This*, acclaimed author, and therapist Claire Bidwell Smith confronts the question she encounters every day in private practice—what happens after we die? In an exploration of the afterlife that is part personal, part prescriptive—Smith invites us on her journey into the unknown. She wonders: How do we grieve our loved ones without proof that they live on? Will we ever see them again? Can they see us now, even though they are gone? Chronicling our steps along the path that bridges this world and the next, Smith undergoes past-life regressions and sessions with mediums and psychics and immerses herself in the ceremonies of organized religion and the rigor of scientific experiments to try and find the answers. Drawing on both her personal losses, recounted in her memoir *The Rules of Inheritance*, as well as her background working in hospice as a bereavement counselor, Smith attempts to show how exploring the afterlife can have a positive impact on the grief process.

Sweet Memories? Linda M. McGraw, 2009-08 While working a part-time job, Linda McGraw has done this writing in hope of giving comfort and peace to those about to face death. It is also for those with a question about whether or not angels and the Trinity truly exists. She has wanted to share some of her stories with others of what she has been shown in her life. By writing this book in journal form she wanted you to follow along in her life and experience what happened and when they occurred. Were they intended for a learning experience to prepare her for a future vision? They say God only gives you what he knows you can handle. Is she still being prepared for something more?

The Fight for Sola Scriptura Matthew Cserhati, 2025-01-17 Today the exclusive authority of the Bible is under heavy attack. This principle is known as sola scriptura. The charismatic movement pays lip service to it, it is ignored by liberalism, and it is attacked by the Roman Catholic church. But even the evangelical world cannot adequately defend the biblical teaching of sola scriptura since even the church has been compromised with competing authorities. In this book the reader will understand what sola scriptura is (and what it is not) and how to articulate it, defend it based on the Bible, and apply it to his life. An overview of the historical development of scriptural authority is provided. Several different philosophies will be examined in this book and will be compared with one another on how they relate to Scripture. These include the charismatic movement, liberal theology, Roman Catholicism, Eastern Orthodoxy, dispensationalism, Open Theism, theistic evolution, and certain strains of evangelicalism. We shall see that the reason extra-biblical authorities are given currency is because the

authority of the Scriptures themselves are cast into doubt.

23 Minutes In Hell Bill Wiese, 2010-09-24 New York Times Best Seller and Over 1 million copies sold! Over 1,000 5-Star reviews Wiese's visit to the devil's lair lasted just twenty-three minutes, but he returned with vivid details etched in his memory, capturing the attention of national media, including the Christian Broadcasting Network, Daystar Television Network, Trinity Broadcasting Network, the Miracle Channel, Sid Roth's It's Supernatural!, Sean Hannity's America, Charisma News, and many others. Bill Wiese experienced something so horrifying it continues to captivate the world. He saw the searing flames of hell, felt total isolation, smelled the putrid and rotting stench, heard deafening screams of agony, and experienced terrorizing demons. Finally the strong hand of God lifted him out of the pit. Now Wiese shares his insights on commonly asked questions such as: Is hell a literal burning place? Where is hell? Do you have a body in hell? Are there degrees of punishment in hell? Are there children in hell? Can demons torment people in hell? Can good people go to hell?

A Journey with Christ Lydia Chola-Waiyaki, 2012-07-27 Lydia was seated on her bed reading her Bible on an ordinary August morning, oblivious of what she was about to hear and what would become her life from that day forward. Her son and nephew rushed into her bedroom. Her son was shouting, Mum, there were two angels at the gate at night! Her son was six years old at the time. He held her face and said, I know the names of the two angels. They are called Angel Gabriel and Angel Michael. The two boys went on to say that Angel Michael was at the right side of the gate and was holding his sword facing upwards, while Angel Gabriel was on the left side of the gate and had his sword pointing downwards. She was amazed! How did they know the names of these two mighty archangels? Instantly, she realized that her son had had a supernatural encounter, together with his five-year-old cousin! This was the beginning of a series of incredible journeys with Jesus Christ. This book records their breathtaking trips to heaven and hell, their conversations with God the Father, their encounters with angels, relatives they met in heaven, and even the twenty-four elders who worship before the Throne of God all day and all night. These accounts will reveal to you how God is using children to bring home the simple truth that the Bible is the Word of God, heaven is real, and the only way to get there is through Jesus Christ, His Son.

The Master and His Church J. L. Knotts, 2010-07 Having been in two different major religions and in an occult, I have learned many things. As I was studying, the truth started to come through. I found that I was in the wrong in what I believed and how I lived my life. In the process of accepting the truth, I found peace, joy, and happiness as I was lead by the Holy Spirit in my study of the Holy Bible. I felt the need to share the truth with as many people as possible, so they too could find the peace, joy and happiness that comes with the knowledge of the truth. The scripture tells us that narrow is the path Mat 8:14 and Luke 13:24 into the Kingdom of Heaven. Since the human heart is deceitfully wicked Jer 17:9 we are gullible to all the different ideas and religions that are available to man kind. I'm also pleased to tell you, that my sister has now found our Lord. This has happened since the conception of this book. There is only one truth, and that is the intent of this book to help

you find this truth. God Bless

52 Pickup Steve Schofield, 2012-11-07 In Matthew 10:32 Jesus states, Therefore everyone who confesses Me before men, I will also confess him before My Father who is in heaven. (NASB). 52 pickup: These are the words I give to you to share with everyone contains my testimony, how the book came about and a collection of 52 God inspired poems. The 52 poems are based on everyday events in my life since accepting Christ as my savior in August 2007. The poems cover such topics as Anger, Temptation, and Bitterness to name a few. The target audience for 52 Pickup is anyone looking for devotionals to use in a small group, as ministry and sermon ideas, or just be inspired by Gods words. Every story is inspired by God; I was just the person who typed the words. I would read or see some key words, and then all of a sudden I would be writing a story. After the story was done, I would read it and know that God had inspired it. There has been little altering or proofreading. I've included with each poem, scripture to reference, and a Story Behind the Poem. These are brief snippets I captured at the time trying to explain the situation that inspired the writing. Some are more in-depth than others, but meant to communicate what was happening at the time. The book also showed me God has a sense of humor. I always wanted to own an old truck, when he revealed the details including name of the book, I laughed! I got my 52 pickup truck, it was not what I expected. It is my hope the poems in 52 pickup will inspire you as much as they have me! Scripture quotations taken from the NASB The Lockman Foundation (<http://www.lockman.org>)

The Gift of God Is Eternal Life Steven H. Propp, 2016-12-28 According to Christian doctrine, what happens to those who have died? While traditionally it has been said that one group of people spends eternity in heavenly happiness while another group experiences conscious, unending torment in hell, there are other Christians who believe in alternatives that hell is simply a separation from God, that the lost are simply annihilated and not subject to torment, or that actually, in the end, all will be reconciled to God and live in heavenly glory. *The Gift of God Is Eternal Life* explores a five-century journey that traces the development and dispersal of the doctrines of universalism and conditional immortality in a compelling narrative collection of short stories. Beginning from when these doctrines were merely whispered about or published anonymously to the days when traveling evangelists preached them in the new and growing American republic, these engaging vignettes show how this once intense debate between Christians has evolved into modern times where such ideas can be freely discussed even in mainstream television and evangelism. Do infants who die prior to an age of accountability receive salvation, and are those who have never heard the Christian message simply doomed? What about loved ones who die without having embraced the Christian gospel or those who believe in less-traditional Christian dogmas and institutions? *The Gift of God Is Eternal Life* can help both believers and nonbelievers understand the implications of these theological perspectives not just in an afterlife, but in their own lives here and now.
