named Bridgid KirkConnell, Gillian at last has she what needs to reclaim her home, her family, and her father's reputation. Michelle's medical clinic has been vandalized, and the investigation uncovers a deadly ring of criminals bent on preserving their secrecy at any cost. They call themselves the Sowing Club: four white-collar professionals whose sophisticated crimes have amassed millions of dollars in a Cayman Islands bank account. The group is bound by a pact to leave the cash untouched until they accumulate a certain amount, but their leader, John, is distracted by and nearly bankrupt from his wife's grave illness. Knowing what must be done, John turns to his three friends to mercy-kill his wife, but the line between mercy and murder quickly vanishes.... As the relentless and cold-blooded Sowing Club sets out to silence Michelle, the one person who has information that could destroy them, Theo confronts the lies, greed, and evil that bind the lethal foursome—and risks more than he ever has before. The first explosion brings her face-to-face with a handsome Charleston police detective. The second sends her into the arms of her best friend's brother—a Boston cop who's a little too reckless and way too charming for comfort. But Dylan Buchanan won't let emotion prevent him from doing his job: Someone is trying to kill Kate, and Dylan is the only one standing between her and the monster who wants her dead.

But it comes with a condition: They must run the resort for one year and show a profit—only then will they own it. Peyton welcomes the challenge, yet has no idea how many people want to sabotage her success—including her vindictive cousins and the powerful land developers who have an eye on the coveted beachfront property. But when the threats against Peyton escalate into

dangerous territory, she enlists the help of her childhood friend, FBI agent Finn MacBain. Finn saved her life once before. Peyton has no choice but to trust him to do it again.

Murder List Julie Garwood, 2004-08-31 There are few authors who can weave nail-biting thrills, edge-of-your-seat drama, and romantic suspense as masterfully as Julie Garwood. Now she ratchets up the tension with *Murder List*, in which evil is on the hunt- and proves to be methodically organized and chillingly successful. When Chicago detective Alec Buchanan is offered a prime position with the FBI, it is the perfect opportunity to leave the Windy City and follow in his brothers' footsteps to the top echelons of law enforcement. But first he must complete one last assignment (and one that he is not too happy about): acting as a glorified bodyguard to hotel heiress Regan Hamilton Madison. The gorgeous exec has become entangled in some potentially deadly business. Someone has e-mailed her a graphic crime-scene photo-and the victim is no stranger. Regan suspects that the trouble started when she agreed to help a journalist friend expose a shady self-help guru who preys on lonely, vulnerable women. In fact, the smooth-as-an-oil-slick Dr. Lawrence Shields may be responsible for the death of one of his devotees, which was ruled a suicide. Hoping to find some damning evidence, Regan attends a Shields seminar. At the gathering, the doctor persuades his guests to partake in an innocent little "cleansing" exercise. He asks them to make a list of the people who have hurt or deceived them over the years, posing the question: Would your world be a better place if these people ceased to exist? Treating the exercise as a game, Regan plays along. After ten minutes, Shields instructs the participants to bring their sheets of paper to the fireplace and throw them into the flames. But Regan misses this part of the program when she exits the room to take a call-and barely escapes a menacing individual in the parking lot. The experience is all but forgotten-until the first person on Regan's list turns up dead. Shock turns to horror when other bodies from the list start to surface, as a harrowing tango of desire and death is set into motion. Now brutal murders seem to stalk her every move-and a growing attraction to Alec may compromise her safety, while stirring up tender emotions she thought she could no longer feel. Yet as the danger intensifies and a serial killer circles ever closer, Regan must discover who has turned her private revenge fantasies into grisly reality.

Grace Under Fire Julie Garwood, 2022-07-19 Michael Buchanan will need every bit of his extensive skill set when he appoints himself as bodyguard to a woman determined not to need one in this thrilling new novel from #1 New York Times bestselling author Julie Garwood. After Isabel endures an interrogation by police, she is free to go, thanks to the Buchanans dispatching former Navy SEAL and now lawyer Michael Buchanan to assist her. Isabel knows she should be grateful for

Michael's help, but since she's harbored an extreme dislike for him for years, gratitude is difficult to muster. Michael has appointed himself her de facto guardian, and she's stuck with him despite their constant bickering and sizzling attraction. For the Roses Julie Garwood, 1996-02-01 No one ever knew what kind of strays, from animals to weary travelers, Mary Rose Clayborne would bring home next. Sometimes her four brothers? runaway slave Adam, ax-pickpocket Douglas, gunslinger Cole, and con man Travis—wondered whether her boarding school education did a lick of good now that their beautiful, impulsive little sister was back in Blue Belle, Montana. Of course, everyone in town knew better than to mess with the Claybornes. The brothers, four of the toughest hombres in the West, had once been a mismatched gang of street urchins. But they had found an abandoned baby girl in a New York City alley, named her Mary Rose, headed West, and raised her to be a lady. Through the years the Claybornes had become a family, held together by loyalty and love if not by blood—when they suddenly faced the crisis that could tear them apart. That crisis came to town with Lord Harrison Stanford MacDonald. In his fine clothes, he looked every inch a dude. Mary Rose figured that if she didn't interfere, this handsome Englishman would get himself killed, so she took him home to the Clayborne ranch to ask her brothers to turn him into a cowboy. She didn't suspect MacDonald was a chameleon, not the greenhorn he appeared to be. He'd prove fast with a gun, quick with his fists, and capable of commanding the Claybornes's respect—if not their trust. He'd also soon be desperately in love with Mary Rose. She returned his affection blissfully and wholeheartedly...until MacDonald revealed a secret that challenged everything she believed about her love, herself, and her life. Now Mary Rose's search for identity and meaning would begin, sending her to England, to the family she lost long ago. Her soul hungered for the freedom of the American West, but she was being

drawn away from all she cared about by the need to know her past...and by her uncertain but still potent love for MacDonald. Torn between conflicting loyalties, Mary Rose wasn't sure who she really was, or where she belonged...questions that could only be answered if she listened to the truth within her heart.
