A Divine Revelation of Satan's Deceptions Mary K. Baxter, 2015-06-15 In 1976, Jesus took Mary K. Baxter on a spiritual journey for thirty nights to witness the torments of hell, charging her to reveal the terrible reality of God's judgment and to relate the urgent message of salvation through Jesus Christ. Mary wrote about her journey to hell in her best-selling book *A Divine Revelation of Hell*, which has sold more than 1.3 million copies. After those thirty nights, Jesus told Mary, "I will close up your mind, and you will not remember some of the things I have shown and told you. But I will reopen your mind and bring back your understanding in the latter days. Then I will open up your remembrance...." Recently, God has brought back to Mary's remembrance many of those experiences because these revelations are particularly for our day. *A Divine Revelation of Satan's Deceptions* contains new images of hell that Mary has not related in her other books, as well as crucial insights into the deceptions Satan uses to destroy people and the tactics he employs to defeat believers. God has given His people anointings, gifts, and resources to build His kingdom that Satan has stolen and is holding captive in hell. This book reveals how we can use various "keys to the kingdom" to restore these blessings and to destroy the powers of darkness. Our choice is between allowing Satan to deceive and rob us—or claiming our spiritual inheritance and conquering the enemy in the power of God.

Read the reflections of their lives back then and how they survived; how they feel now and what pulls them together again reminiscing in the year 2063. This is a story of six young people who all graduated from El Segundo High School in 2013. What is the secret that held these six together and what are the stories they share fifty years later at the reunion back in their alma mater? They were not really exceptional kids but they were not stupid either. Ignorance, and chance, plays a part in their life experiences but that was the way it was to be as it is in many of our lives. We never know what the future will bring... or do we? Let this story of their lives reflect on the lives of all of my readers. See if you can relate to this story in the ways with your own lives today. Is this story true? That is for the future to decide.

The Gospel Beyond the Grave Lewis Brogdon, 2025-06-09 Will Black lives matter beyond the grave—at history's end and on the day of judgment? In *The Gospel Beyond the Grave: Toward a Black Theology of Hope*, Lewis Brogdon brings the history and experiences of Black people to bear on eschatology. Not only questioning why Black people have been ignored from the consideration of last things, he argues that a theologically sound eschatology must include a divine reckoning for slavery and racism. Brogdon also gives a fresh contextual lens to Christ's reconciliatory work that provides hope for our salvation from the sins of racism and a future together in a new heaven and new earth.
